Arkansas barely escaped Sioux Falls in a tight 7-game series to advance to the World Series, where as Walla Walla swept Beverly to set up the repeat World Series match-up! Arkansas's playoff MVP was Arky Vaughan who hit .396 (19/48), with 10 Runs & 13 RBI.

## *The Season Story*

The season was another disappointing one, but in it were the seeds of hope. The offense was a powerhouse scoring 1053 runs. The pitching, however, was explosive yielding an unsightly 1107 runs. Lou Gehrig paced the way with 36 homers, 168 runs and 123 RBIs. He had plenty of help from Joe Cronin, Earl Averill, Joe West, Myril Hoag and Gabby Hartnett. All hit over .300. The team hit.293. If you squinted you could see bright spots on the pitching staff. Joe Bowman and Larry French won in double digits, but there was no hiding the team ERA of 6.47. With another high pick the team should improve but the rebuilding has been long and slow in Albany.

# ARKANSAS Travelers

**Manager:** Bill "Willie" Jelks (Lynda)

**Age:** 80 **Occupation:** Retired USAF Flyboy

**TAL Champion**

## The Season Story

Another great season for the Travs as they go 102-52, seven games ahead of Sioux Falls. Arkansas' 1083 runs led the league with such lusty woodsmen as Joe Medwick (.383/.429/.649), Bill Dickey (.338/.415/.574), Moose Solters (.336/.380/.589) and two other regulars over .300. Seven batters had 100 or more runs batted in! Lefty Gomez led the hurlers at 20-7 3.40. Atmospheric Divisional Championship Series - Arkansas defeats Sioux Falls 4 games to 3 in a crunching offensive shootout. The Fighting Sioux hit an amazing .331/.403/.460 AND LOST as the Travs won the close ones as Arkie Vaughan hit .419/.471/.677 and drove in 11 runs as series MVP.

# BEVERLY Hillbillies

**Manager:** Mike Dickinson (Andrea)

**Age:** 54 **Occupation:** Meteorologist/Data Scientist

## *The Season Story*

I am amazed by the strong offense and the utter lack of pitching in the 1930s. The 1937 Hillbillies were no exception, powered by the 2nd ranked offense in the league combined with mediocre, at best, pitching. Dolph Camilli and Billy Herman hit .379 and .376, respectively. Camilli also led the league in on-base and slugging percentage. Three players topped 200 hits, and two more got close. Given the limited pitching, Beverly was forced to win a bunch of slugfests. Harry Gumbert was the only starter with an ERA lower than 4.00. Five different pitchers contributed double-digit win totals. All totaled, Beverly finished in 2nd place, well behind Walla Walla. In the end, the playoffs unfolded as expected, as the Hillbillies were unceremoniously swept out of the playoffs by the Walla Walla juggernaut.

# BLOOMINGTON Burning Bunyans

**Manager:** Bob Weisman (Janet)

**Age:** 63 **Occupation:** Retired Meteorology Professor

## *The Season Story*

(In honor of Bill Graham)

**Weisman:** Hey, Rocky (Hall?)! Watch me pull a wild card berth out of my hat.

**Rocky:** Again?!

**Weisman:** This time with a HR hitter (Croft), a good pitcher (Turner), and an actual reliever (Brown).

**Weisman:** Presto! (pulls out a third-place participation ribbon).

**Weisman:** No doubt about it. I need a new hat.

# BRONX Highlanders

**Manager:** Hank Pedicone (Eileen)

**Age:** 73 **Occupation:** Retired NYS Attorney

## *The Season Story*

The Highlander pitching staff somehow managed to post a 3.93 ERA on the season, which was good enough to lead the entire league. Mediocre overall team hitting, however, kept what actually was an unexpectedly good season (86 wins) from ending in a playoff berth. The brightest spot in the offense came, not surprisingly, from Joe DiMaggio in his penultimate Retro season: .340 BA, 45 HR and 186 RBI! Joe Vosmik (.333 BA and 141 RBI) and Hersh Martin (.317 and 106 RBI in his last season) were big contributors, but there just wasn't a whole lot more behind them. The big news for 1936 will be how DiMaggio's last season plays out. A lot of rebuilding will have to follow.

# CHESTERTOWN Blue Herons

Manager: Eric Rogers

Age: 65 Occupation: Retired Meteorologist

## *The Season Story*

The Blue Herons limped though the 1936 season with the worst hitting team in the league. Only some decent starting pitching, led by Mungo (13-3, 3.20 ERA) and Ruffing (16-15, 3.13 ERA), kept the team from losing 100 games and getting a better draft pick :- ( Danny MacFayden (8-20) sued the offense for non-support. John Stone (.344/.420/.524) and Wally Berger (19 HR in 88 games) were by far the best hitters in an otherwise mediocre batting lineup. The 1936 squad looks similar to the 1937 team (decent pitching, no hitting).

# DULUTH Thundercats

Manager: Kevin Tyle (Bryan)

Age: 59 Occupation: Computer Administrator/Meteorologist

## The Season Story

In an otherwise forgettable season, it was a memorable year for the Thundercats' "Big Cat", Johnny Mize. He started off hitting well and then kept getting better and better as the season progressed ... ending up with an incredible .411 batting average, with a 1.169 OPS to boot! **Mize** also strung together an all time **TML Record 43-game hitting streak** during the season! The rest of the team was back-of-the second division at best. One late-season highlight was Johnny Murphy's 1-hitter ... tough to do in such an offensively-dominated season. Better pieces are being added to the puzzle, but not at sufficient speed and quality to make much difference in what looks to be a long period of mediocrity for the Thundercats.

# NORTH ADAMS Bevers

Manager: Mike Ameen

Age: 59 Occupation: Restaurateur & H.S. Softball Coach

## The Season Story

1937 was a bad year to be a Bever fan. The team finished last in the Atmospheric with a 56-98 record finishing 46 games out. North Adams was led by Frank Demaree (.331/48/7/23) with 116 runs and 121 rbi's and Hank Greenberg (.320/44/11/28) with 132 runs and 107 rbi's. Dixie Walker continues to be an All-Time Bever putting up (.334/22/22/12) 97 runs and 108 rbi'. The pitching staff was terrible with no pitcher reaching 10 wins. Thorton Lee, Elden Auker and Roxie Lawson each reached 9. 1936 looks to be more of the same with some good/great offensive players on the roster but the pitching staff will be the team weak link again. Hopefully things and the pitching will get better soon, the fan base is getting restless!

# OAKDALE Ravagers

GM: Mike Landin (Teri)

Age: 70 Occupation: Retired/Senior Softball Player

## The Season Story

My gosh! 120 losses ... again! This time it took a 2-31 finish, including a season-ending 16-game losing streak to reach that undignified mark. Similar to 1938, it was not for the lack of hitting. Five players batted over .300, led by Heinie Manush's .351 AVG. Rookie Rogers Hornsby hit .368 as a part-timer and pinch-hitter. While a .270 team AVG is good by modern-day standards, only two teams batted lower! George Cisar was a thief, leading the league with 66 SBs. The pitching, if you can call it that, set a new dubious all time TML Record for highest team ERA at 7.13. Sheriff Blake set an all time TML Record for Hits allowed, serving up 428 hits! Hal Kelleher was wildly mad all season and beamed 33 batters! Former Ace Dutch Leonard was in rehab and was glad to have taken a "pass" on this season! And, so ... the building continues!

# SEATTLE Rainiers

**Manager:** Rob Fovell (Mei-Ying)

**Age:** 65 **Occupation:** Meteorology Professor

## The Season Story

The bad news is the 1937 Rainiers were mediocre. The good news is that is an upgrade from 1938's atrocious. We finished 4th in the Oceanic at 64-90, a 13-win improvement, shifting closer to average in batting, pitching, and (especially) fielding. Stars: Stan Hack (0.366/0.461/0.498, 138 RC) and Zeke Bonura (0.369/0.417/0.640, 120 RC). Goats: Wayne Ambler and Eddie Miller, 846 at-bats of virtually nothing. Lee Grissom pitched well (19-7, 3.40 ERA), Cantwell (11-20) and Harrell (5-25, league walks leader) did not. The former will be better next year; the latter is history.

# SIoux FALLS Fighting Sioux

Manager: Jeff Chapman (Sally)

Age: 57 Occupation: NWS Meteorologist

## The Season Story

Hot and cold defined the Sioux this year. When they were on, they were very on piling up hits and getting solid pitching from almost anyone on the mound. Still want to know where that switch was though, as almost instantly would become inept at hitting and pitching. Very fitting that this crew would make the Conference Championship against the Travelers a microcosm of the season with a wild series of games which ended in a game 7 loss by doing nothing for 8 innings, falling behind by 8 runs, then putting the best RBI man on the team at the plate with the bases loaded after scoring 5 runs. Not sure the ticker can take much more! 5 players with over 100 RC, and three 15-game winners including Bridges 21-win campaign. More fairly powerless days lie behind, but should be at least competitive.

# SONOMA Crushers

Manager: Jack Kohn (Patti)

Age: 86 Occupation: Retired USAF Lt. Colonel

## The Season Story

1937, the year that Manager Jack was born, also marks the start of a period when the Sonoma franchise should change its name from Crushers to Crushers. The 6th place finish and 62-92 record will probably be better than what the 1936 Sonoma franchise can expect. Only Augie Galan, who slammed a team record of 32 HR in 1937, will be around to lead a weak 1936 offense. The popular Vince DiMaggio has finished his SE career along with Mike McCormick who anchored 1b for a decade. In 18 years as the El Dorado/Sonoma franchise the record now has slipped to .493. That won-lost record won't change for a few years!

# SUMMER Cyclones

**Manager:** Ken Fusci (Rozanne)

**Age:** 76 **Occupation:** Retired – Part Time at Saratoga Casino

## *The Season Story*

In response to the unfortunate departure of long time Manager Ken Fusci, the Cyclones put together a Conference best 24-11 record over the final period of play, but it was not enough to catch Bloomington and Sioux Falls for the Wild Card. The team was 3<sup>rd</sup> in batting with a strong .310 AVG, but it was pitching depth that caught up to them, as the team posted a 5.07 ERA. The team leader on offense was clearly Gene Moore at .356, with 24 HR, 137 Runs, 135 RBI and 162 RC. Supporting Moore, was Babe Phelps (.357), Beau Bell (.337), Billy Jurges (.309), Rudy York (.301) and a cast of strong bats off the bench. The Ace on the staff was Luke Hamlin at 16-6 with a 3.63 ERA. The team will remain fairly strong for another year or two, but will be in a serious rebuilding program thereafter.

# WALLA WALLA Wombats

**Manager:** Bryan Sakolsky

**Age:** 56 **Occupation:** Technology Sales Manager

## *The Season Story*

It was a very bittersweet season for the Wombats who led the league with 116 wins, a .701 road winning percentage, virtually every offensive category, the least runs against, and the best fielding percentage, and were swept by an excellent, yet very beatable AR team in the World Series. WW had five players with over 100 RBI. Batting Leaders: Hal Trosky .336/.385/.646 46 HRs 137 R 209 RBI, Charlie Gehringer .392/.488/.568 20 HRs 200 R 123 BB 25 SB, Bob Johnson .344/.436/.667 40 HRs 141 R 162 RBI, Paul Waner .384/.443/.534 11 HR 162 R 117 RBI Pitching Leaders: Carl Hubbell 23-7 3.30 ERA, Lefty Grove 20-6 3.06 ERA, Money Stratton 15-1 3.76 ERA, Dizzy Dean 16-5 3.93 ERA.

All for naught in an amazing season.

# Stat Key

**RC (Runs Created) = [(A times B) plus C], all divided by D, where**

$$A = H + BB + HBP - CS - GIDP$$

$$B = TB + [.26 \times (BB - IBB + HBP)]$$

$$C = .52 \times (SH + SF + SB)$$

$$D = AB + BB + HBP + SH + SF$$

**RC / 27 outs:** runs created per 27 outs; in other words, the number of runs a player would create if he were to bat in all nine positions in the batting order.

**QS (Quality Starts):** the number of starts in which a pitcher pitches six (6) innings or more and gives up three (3) runs or fewer.

**OAVG:** the batting percentage against each pitcher.

\*\*\*\*\*

**Batting & Pitching Leaders:** the following symbols were used to denote individual accomplishments that were record-breakers:

◆ - TML Record

◇ - Tied TML Record

**Team Stats:** an asterisk ( \* ) preceding any stat indicates that the player or pitcher led his Association in that stat category; a caret ( ^ ) indicates that the player or pitcher tied for the lead in his Association in that stat category.
