1947 YEARBOOK

SEASON R32

TML Champion
Oakdale Ravagers ♦♦

This Yearbook is dedicated to the memory of TML Co-Founder Jim Pertierra who passed away during the TML 1947 Retro season. "Buddy Jim" always loved these Yearbooks & TML History, and this Retro concept was his idea. No one will likely ever match Jim's Sanford Browns run of 6 consecutive TML Championships led by his all time favorite baseball player, #32 Sandy Koufax! Jim was "one of a kind" and is sorely missed.

 Mike Landin's Oakdale Ravagers successfully defended their 1948 TML Retro Championship and captured their 10th franchise TML Championship and the 9th Title for Mike. In a rematch of the 1948 Conference Final, Oakdale won a hard fought 7-game series over Duluth, before sweeping Summer in the World Series. Summer had reached the World Series by outlasting Chestertown in 7 games. Playoff Co-MVPs Warren Spahn (5 GS, 3-1, 2.93) and Lou Boudreau (.351, 7 Runs, 4 2B, 3B, 11 BB) led the way.

ALBANY Avalanche

Manager: Pat Barry (Elizabeth)

Age: 62 **Occupation:** Retired; MLB Stringer; Cloistered Crazy

The Season Story

The remnants of the great Albany team of the 1950s put together one more winning Season. Ted Williams put up an MVP caliber season, but with a lesser supporting cast around him, he was often pitched around or not pitched too at all as he set the TML record for walks in a season. It might happen again as the lineup declines around him. Elmer Valo and Jeff Heath had great years, as did Aaron Robinson. The rest of the lineup was nondescript or worse. The pitching was workmanlike, no one won more than 13 games. No one lost more than 11. Papish, Taylor and Masterson contributed solid innings. Next year is almost certainly the end of the winning season streak, 16 seasons in all. The lumps will begin, but so too the seeds of an eventually climb back to contention.

ARKANSAS Travelers

Manager: Bill "Willie" Jelks (Lynda)

Age: 77 Occupation: Retired USAF Flyboy

The Season Story

The Travs almost escaped another 100 loss season but ended up with 100 on the nose. There were some rays of hope however. Oldsters Augie Galan, Joe Medwick, Arky Vaughan, and Buddy Lewis all showed talent that should blossom as they grow younger. The pitching side of the house looks less rosy but two hurlers, Mort Cooper and Bucky Walters did show, at times, some glimmer of hope. With peace clouds looming in another year, the prospect of a general war seems likely in the near past causing chaos within the baseball world where anything is possible.

BEVERLY Hillbillies

Manager: Mike Dickinson (Andrea)

Age: 50 **Occupation:** Meteorologist/Philanthropist

The Season Story

A rather bland and colorless season at the Cement Pond as the team fell to the bottom of the standings. The team's poor record was more of a reflection of a limited pitching staff. Bob Feller managed to win 21 games, accounting for a third of the team's wins. Feller was only one of two pitchers with an ERA under 4.00! Not good. The offense, on the other hand, was surprisingly competent. The team was led by Enos Slaughter and Taffy Wright. Hal Peck, Hank Edwards, and Ray Coleman all contributed to a strong outfield. In the end, pathetic pitching (dead last) and poor fielding (next to last). Sadly, there is no joy in Beverly as the team is still years away from contending.

BLOOMINGTON Burning Bunyans

Manager: Bob Weisman (Janet)

Age: 60 **Occupation:** Retired Meteorology Professor

The Season Story

Bloomington brought bats to the plate in 1947, but they were mostly whiffle ball bats. The Tepid Bunyans hit 76 HR, third worst in the league and had a slugging percentage only .93 points above their average. So, the goal was to try and score runs without hitting into DPs. Barney McCosky was the centerpiece of this strategy, ranking 9th in average at .332, but it was a hollow one. The starting pitching was actually decent, with Ralph Branca eating innings and pitching to a decent ERA. The 89 HRs yielded were actually the third least. But, Emil Kush and the rest of the alleged bullpen kept squandering leads that the weak offense couldn't make up. As usual, BY was 12 games over .500 when playing in the "relegated" Oceanic Conference. This may be the last season for Gene Woodling, a key cog in the BY offense for the past decade, but another mostly singles hitter.

BROOKLYN Browns

Team Name Change for 1946

Manager: Jim Pertierra (Janet)

Bronx Highlanders

Age: 70 Occupation: Stat Supervisor MLB.com

The Season Story (by Hank Pedicone)

The Browns produced a very respectable record this season, posting 88 wins and claiming 3rd place in the Oceanic Division. Larry Jansen led the pitching corps with 22 wins, while Bill Nicholson powered the offense with 39 dingers and 141 RBI. Even the 40-year old Luke Appling chipped in with an uncharacteristic 17 long balls. The franchise suffered an unfathomable loss, however, with the passing of beloved Manager and league co-Founder, **Jim Pertierra**. He will be greatly missed by all. Hank Pedicone will assume managerial duties in the 1946 season; while he will be moving the franchise to the Bronx (honoring a family Yankee tradition), he hopes to keep things going in a way that Jim would approve. It will be a challenging task, as several key players, including Jackie Robinson and Lary Doby played their last games this season.

CHESTERTOWN Blue Herons

Manager: Eric Rogers

Age: 62 Occupation: Meteorologist

The Season Story

The 1947 Herons were better than I expected, and thanks to a Period 3 surge overtook a Summer Cyclones team on fumes to win the 9th division title for the current owner/manager. Alas, the Cyclones regained their playoff form and won a hard fought Division Final 4 games to 3. The Herons were led on offense by George McQuinn and Harry Walker (1st and 3rd in league BA), aided by Willard Marshall's 34 HR. Starter Mel Queen won 18 games and Ken Trinkle (32) won the Fireman of the Year award. We say a fond farewell to Yogi Berra, who ended his TML career by making the final out of the playoff series against Summer, which does not take away from his contributions during CH's run of competitive seasons.

DULUTH Thundercats

Manager: Kevin Tyle (Bryan)

Age: 56 **Occupation:** Computer Administrator/Meteorologist

The Season Story

Another f(ell)ine year for the Cats! A very solid starting eight, with only CF and C needing platoons. Fittingly for the team, "The Big Cat" Johnny Mize had an outstanding .354/.384/.614 line, with 46 homers. Pitching continued to be a strength. The starting rotation of Newhouser, Hatten, Sain, and Munger were excellent. Johnny Murphy, despite only pitching 32 games, was a very reliable closer when called upon, with a 1.05 ERA and a save/blown save ratio of 22/3. Duluth fell just one game shy of conference and league leader Oakdale, and the pattern continued in the playoffs, with the Thundercats falling just short in a thrilling 7-game series versus the defending TML Retro Champion Ravagers. The Thundercats look to claw their way to a title in 1946.

NORTH ADAMS Bevers

Manager: Mike Ameen

Age: 56 **Occupation:** Restaurateur & H.S. Softball Coach

The Season Story

The North Adams team had its best season in at least 5 years going 70-84 finishing 5th 14 games off the pace. This is what qualifies as progress as the march towards competing for a division title moves forward in the 1946 season, the goal being to play over 500 ball. This season was led by Walker Cooper who had a MVP like season hitting .323 with 193 hits, 35 dbls 12 triples and a league leading 49 home runs and 166 rbi,s two of the triple crown categories! Tommy Henrich .328 31 dbls 16 triples and 21 homers to go with 106 rbi's and 120 runs scored and Dixie Walker .297 32/0/11 contributed as well. The Bevers team era of 5.01 shows the lack of quality put in by the staff this year. Hank Borowy 4.26 10 wins and 2 saves led the way with Ed Bahr's 4.65 9 wins and 12 saves and Eddie Erault's 12 wins deserving of mention. The plan is to continue to improve until the team is strong enough to make a run again in the next few years. General Manager Ameen is happy with the progress shown in 1947 but will not be satisfied until the Bevers are back on top and competing for a TML Championship. Here is to hoping that time will arrive soon .

OAKDALE Ravagers

Manager: Mike Landin (Teri)

Age: 67 **Occupation:** Retired/Senior Softball Player on Hold

TML Champion x 2

The Season Story

Even though this year's Ravagers team was more balanced and stronger "on paper" than their 1948 roster, they found themselves behind Duluth nearly all season. Trailing by 3 games with 4 to go, the Ravagers won the Conference by 1 game on the final day of the season! After winning a grueling 7-game playoff with Duluth, the Ravagers put it all together for a 4-game sweep of the crafty Summer squad in the World Series to defend their TML Championship! "Stan the Man" Musial and Ralph Kiner had tough post seasons again, but like 1948, Ralph had the series winning hit! During the season, each day resulted in different players rising to be the "star" offensively, but on the mound "Ace" Warren Spahn was a workhorse, going 24-10 and setting a new TML Record for CG with 33. Spec Shea was 15-2 and Ewell Blackwell just missed a 20-win season at 19-8. The team had 83 CG, but Ed Klieman and Joe Page shared late-game bullpen duties when needed. The 1946 Ravagers will attempt a rare "Three-Peat" but you can bet that Duluth will be back "looking for blood!" Let the ravaging continue!

The Season Story

A sad season. Only 4 years from back-to-back World Series appearances (OK we didn't win a game in either). But still a very sad season. The team was almost entirely without power (league low 70 HR) so they were able to use fewer balls and save some money to help rebuild. Unfortunately, the lack of power did not come at the benefit of better hitting or on-base skills. In fact, there were two series during the year where PITCHERS were the leading offensive players. Stan Spence was a standout on the offensive side hitting 20 HR and driving in 98. On the bump, Tommy Fine notched the most wins but matched with the most losses (12-19). Tossing three shutouts, Denny Galehouse worked to cement his rotation future heading toward the early 40s.

SONOMA Crushers

Manager: Jack Kohn (Patti)

Age: 83 **Occupation:** Retired Newspaper Publisher

The Season Story

Despite spending way too much time in planning and preparing hitting and pitching lineups for the first year Crushers, they flamed out in the final play period. Going into the final 21-game road trip, Sonoma harbored fond hopes to battle Chestertown and Summer down to the wire. But a disastrous 5-16 performance put an end to that dream. The key disappointment was the 0-7 visit to Chestertown. The brightest stars in the 1947 season were shortstop Johnny Pesky who posted a solid .343 batting average in the lead off spot and the timely pinch hitting of Gil Coan who wrapped up his Crusher/Gold Sox career with 50 timely at bats. Murry Dickson led the Sonoma pitchers with a record of 17-10 and 3.79 ERA.

SUMMER Cyclones

Manager: Ken Fusci (Rozanne)

Age: 73 **Occupation:** Retired – Part Time at Saratoga Casino

The Season Story

A very decent Retro '47 Year for the Summer Cyclones, coming in second in the Conference, defeating Chestertown in a thrilling 7-game Series for the Conference title before losing 4-straight hard fought games in the League Championship Series to top seeded Oakdale. Joe Garagiola lead the hitters with a .372 AVG, while Phil Marchildon lead the Starters with an overall 15-12 record. No real outstanding Players but a fairly solid lineup of position players and game players. Going back to '46 looks like it just might be cut out be very competitive as well up top in the Conference. Decent balance once again.

WALLA WALLA Wombats

Manager: Bryan Sakolsky

Age: 53 **Occupation:** Tech Sales Executive

The Season Story

Wombats finished 1-game away from the worst record in the league, going 55-99. With futility comes little to say. Rookie Vic Wertz was the bright spot hitting .307/.411/.454 and fellow rookie Ferris Fain hit .310/.424/.415, both hitting 7 home runs. The team had two players with 15 home runs Bobby Thomson and Pat Seery (who hit a robust .178). The pitching was the key to failure. Johnny Gorsica was stellar in relief (2.02 ERS) and while Clyde Shoun was the best starter he finished 11-21 with a 3.20 ERA.

Stat Key

RC (Runs Created) = [(A times B) plus C], all divided by D, where

$$A = H + BB + HBP - CS - GIDP$$

$$B = TB + [.26 \times (BB - IBB + HBP)]$$

$$C = .52 \times (SH + SF + SB)$$

$$D = AB + BB + HBP + SH + SF$$

RC / 27 outs: runs created per 27 outs; in other words, the number of runs a player would create if he were to bat in all nine positions in the batting order.

QS (Quality Starts): the number of starts in which a pitcher pitches six (6) innings or more and gives up three (3) runs or fewer.

OAVG: the batting percentage against each pitcher.

Batting & Pitching Leaders: the following symbols were used to denote individual accomplishments that were record-breakers:

◆ - **TML Record**

◇ - **Tied TML Record**

Team Stats: an asterisk (*) preceding any stat indicates that the player or pitcher led his Association in that stat category; a caret (^) indicates that the player or pitcher tied for the lead in his Association in that stat category.
