 Albany 2 9 0 2 3 1 0 3 x 20 20 1 after 2 innings! He ended up with 7 RBI on the day.

There were two 17-game winning streaks, one by Albany (6/19-7/10) and the other by Moosen (6/27-7/15). The longest losing streak was 20 games by Brooklyn (6/19-7/13).

Cheticamp set a new TML Record for fewest strikeouts (462) by their batters. Oakdale set a new TML Record for fewest Relief Points (10). Oakdale's Thornton Kipper eclipsed teammate Spec Shea's "futility record" by going 0-30 on the season!

Ted Williams remains the TML Career Leader in AVG (.366), SLG (.705), OBP (.498) and RC/27 (13.9). Teammate Mickey Mantle is now #2 in Runs Created (2353) and is still #2 in two categories (SLG .631, OBP .448). Warren Spahn has moved into 1st place in career CG (278), 10 ahead of Jim Bunning.

11/2/1954, AR53-AV53, Briggs Stadium
 Pat Barry's powerhouse Albany Avalanche reached the TML World Series for a 6th consecutive season and successfully defended their 3-peat TML Retro Championship! It was their record-setting 10th franchise Championship and for Pat, a record-setting 9th Managerial Championship. Unlike last season, the Avalanche breezed through the post season, taking out Walla Walla in 5 games and sweeping Arkansas in the TML World Series! Willie Jelks's Arkansas Travelers had a very tough Conference Final against Eric Rogers's Cheticamp Micmacs, going the full 7 games. Both teams posted team ERAs over 8. Playoff MVP Duke Snider (.343, 8 R, 14 RBI) led the Albany offense, but it was their pitching that shined (team ERA 2.14). How long with the Avalanche continue to roll?

TAL Champion x 3

The Season Story

Albany got to 98 wins, but this year was beaten out by a fine Walla Walla team. Snider and Mantle paced the offense. Nieman did an admirable job replacing the off to war Williams. Fox and Yost had solid seasons as did the catching platoon Of Crandall and Burgess. While putting up very solid totals the offense declined by 139 runs and the team won 22 fewer games. Talk was the team was not getting any older. Mizell, Erskine, Rush and Hudson anchored a solid starting staff and they and the offense covered a mediocre bullpen led by Labine. It looked like the team was poised to fail in the playoffs, but the insertion of Surkont and Baczewski into the rotation, the over performance of the bullpen, and two big pinch hit homers by Williams keyed an unexpected 8-1 playoff run. 1952 brings a strong but younger team. A playoff appearance is likely.

ARKANSAS Travelers

Manager: Bill "Willie" Jelks (Lynda)

Age: 75 **Occupation:** Retired USAF Flyboy

The Season Story

Travs win their first divisional title since 1964 and advanced to the 1953 World Series after a very tough seven game conference win over Cheticamp. But, alas, they fell victim to the all-powerful Albany Avalanche who administered a sweep in the series. Arkansas was an offensive dominated team in 1953 led by:

Ted Kluszewski (.369/.437/.591, 31 HR, 166 RBI)

Stan Musial (.352/.453/.589,51 2B, 28 HR, 128 RBI)

Larry Doby (.342/.442/.593, 39 HR, 159 RBI)

The same crew returns next season but rumors are flying, after the World Series debacle, that possible radical surgery is contemplated.

BEVERLY Hillbillies

Manager: Mike Dickinson (Andrea)

Age: 48 **Occupation:** Meteorologist/Philanthropist

The Season Story

The Hillbillies had an outstanding season but it just wasn't good enough as the team finished the season looking up at Walla Walla and Albany. Despite not having franchise-player Willie Mays available, the Hillbillies was pretty good this year - Bobby Thomson seamlessly slid into the CF role and did a decent Willie impersonation. Backstop Roy Campanella led the team in home runs and RBIs. Enos Slaughter, Joe Collins, and Sid Gordon did well in part-time roles. Rubber-armed Robin Roberts led the league in starts and wins. Bob Porterfield, Gerry Staley, and Bob Feller each contributed double-digit win totals. The Beverly bullpen was shaky again and probably cost the team a few wins - having successfully converted just over 50% of the save opportunities. If Beverly can improve its pitching, there is the opportunity to make a deep playoff run.

BLOOMINGTON Burning Bunyans

Manager: Bob Weisman (Janet)

Age: 58 **Occupation:** Meteorology Professor

The Season Story

After trading the likely Player of the Year (Eddie Mathews) and the possible pitcher of the year (Harvey Haddix) to Walla Walla, Bloomington was left with an extremely thin pitching staff and a lot of bats, but not much power. Still, Ray Boone got out from the Mathews shadow, Junior Gilliam had a nearly .900 ops, Chico Carrasquel had a great year, and the usual array of 250 ab Bloomington platoon players annoyed the stuffing from opposing managers. Without Haddix, Curt Simmons turned in an outstanding year and Early Wynn pitched well in spots. However, the main alleged closer was Marion Fricano leading the gag-team bullpen of Bill Wight and Go-go(pher ball) Newsom. No lead was safe for anyone... Gilliam now closes his terrific Bloomington career with an outstanding season and Bill Bruton, who was a bit short with the bat this year, still ends his career anchoring the defense in CF and also posting a few excellent offensive seasons. At the very least, Bloomington has roster space for a rebuild. New GM Imogene Coca.

BROOKLYN Browns

Manager: Jim Pertierra (Janet)

Age: 68 Occupation: Stat Supervisor MLB.com

The Season Story

The hitting was not as horrible as it could have been as both Gus Bell and Jackie Robinson had consistent, solid seasons. Very few others did on the other hand. Added to the fact that the Browns had little or no pitching nailed them into a *mano de mano* death struggle with Oakdale in an absolute reverse of the 10 years of War waged between Coachella and Sanford in a galaxy long ago and far away. More of the same to follow in 1952!

CHETICAMP Micmacs

Manager: Eric Rogers

Age: 60 Occupation: Meteorologist

The Season Story

The '52 Micmacs had a fine season, leading the league with a .311 team batting average and easily making the playoffs. All but one regular hit over .300, led by league batting champion Richie Ashburn, who broke the team record with 256 hits. Yogi Berra also broke the team record for RBI's (156). The non-name rotation was led by overachievers Roger Bowman (real life ERA=4.82, TML ERA=3.37) and Ted Gray (real-life=4.60, TML=3.44), but the real stars of the pitching staff were Fireman of the Year Hal White (30 SV) and Johnny Hetki (12 SV). The Micmacs came up just short in the chaotic Atmospheric Finals against a tenacious Arkansas team, but it was a fun season nonetheless. This season looks like the peak for the current Micmac group, as key players approach their teenage years.

DULUTH Thundercats

Manager: Kevin Tyle (Bryan)

Age: 54 Occupation: Computer Administrator/Meteorologist

The Season Story

Just a slightly less awful season, thanks to other teams that have fallen far from grace ... Duluth just managed losing 100 games yet again. Still not much to write home about, but Mickey Vernon had an excellent year, while Johnny Sain led a mostly bush-league mound staff. Things should slowly improve over the next few years, but still too many holes remain.

EL DORADO Gold Sox

Manager: Jack Kohn (Patti)

Age: 81 Occupation: Retired USAF Lt. Colonel

The Season Story

My third season of going back in time was a lot like 1954 when this year's Gold Sox performed optimistically during the opening month in posting a hopeful 33-37 record. Then reality set in during the season's second month when two home and two road series both finished with devastating 1-6 results. The third month improved a bit but the total season's record didn't bring too many smiles to the El Dorado fans. The goal of playing .500 ball fell by the wayside as 1953 ended at 61-93. The upcoming 1952 TML season will see the return of stalwarts Minnie Minoso in LF and Dee Fondy at 1B. There won't be too much offense or power but the Gold Sox pitching staff should provide some hope for long term success.

The Season Story

The re-building continues. There is a process to re-building a team and we are following the process. Finishing above .500 for the first time in years is a step in the right direction. It was due in part to an improving pitching staff. Now if our offense can catch up. As we like to say in Ebbets Field, "Wait until last year!"

OAKDALE Ravagers

Manager: Mike Landin (Teri)

Age: 65 **Occupation:** Retired/Part-time Professor/Softball Player

The Season Story

The Ravagers found themselves in a third consecutive last place finish, but with an improvement of 8 wins from the previous season. The offense was filled with part-timers, as no one player stood out. The HR leaders were Owen Friend (17) and Sam Mele (16), the latter also the RBI leader with 58. The perennial pitching "Ace" was Warren Spahn (19-13, 3.30). Spahn's 19 wins accounted for an astounding **44%** of the total team wins for the season! Spahn led the league once again in CG (29) and is now the TML Career leader in CG (278), passing another franchise pitcher, Jim Bunning. "Innings-Eater" Thornton Kipper eclipsed Spec Shea's "TML Record of Futility" in going **0-30** on the season! As noted last season, there will still be at least one or two "cellar dweller" seasons ahead, before the Ravagers return to serious contender status heading back to the 1940s.

SIoux FALLS Fighting Sioux

Manager: Jeff Chapman (Sally)

Age: 52 Occupation: NWS Meteorologist

The Season Story

Not afraid to hit the ball, the '53 rendition of the Fighting Sioux used the long ball to score almost 6 runs a game. Unfortunately, inept only begins to speak about the performance on the mound giving up a league high .316 BA and gaudy 5.64 ERA. When your closer carries an 8.75 ERA... Rosen had a season to remember leading the league in HR (52), but came up just short of franchise records in HR/RBI and extra base hits. Jerry Lane scraped up a team high 15 wins and 101 K's. Be proud Sioux followers - we certainly made the most of being the best fielding team in the league (by a large margin!). Offense down, pitching a bit up spells another season of treading water.

SUMMER Cyclones

Manager: Ken Fusci (Rozanne)

Age: 71 Occupation: Retired - Part Time at Saratoga Casino

The Season Story

The Summer Cyclones moved up yet a few more rungs on the ladder from the League Basement, but were still a long way off from contending for the Playoffs. As a Team, SM was mid-pack in AVG and in Fielding, but alas, the pitching was once again very disappointing, ranking fourth from the bottom in ERA. Led by regulars Rizzuto, Abrams and Kiner, nine of the Team's Batters hit .300 or better; but, as noted, it was once again the Pitching that let the Team down, with the great majority of the Staff underperforming their MLB stats. There's always hope in a new Season, but going back to '52 with a decent Draft should see the Team make further progress toward contending for those coveted Playoff spots.

WALLA WALLA Wombats

Manager: Bryan Sakolsky

Age: 51 **Occupation:** Technology Consultant

The Season Story

Wombats dominated the league as they were second in batting average and first in OBPS and best ERA by a wide margin. MVP type season from Eddie Mathews with good support from Monte Irvin and Jim Busby and Best Pitcher type year from Harvey Haddix. But once the playoffs came around the game engine failed like it often does, and while playing an excellent AV team top players performed worse than unlimited players.

Stat Key

RC (Runs Created) = [(A times B) plus C], all divided by D, where

$$A = H + BB + HBP - CS - GIDP$$

$$B = TB + [.26 \times (BB - IBB + HBP)]$$

$$C = .52 \times (SH + SF + SB)$$

$$D = AB + BB + HBP + SH + SF$$

RC / 27 outs: runs created per 27 outs; in other words, the number of runs a player would create if he were to bat in all nine positions in the batting order.

QS (Quality Starts): the number of starts in which a pitcher pitches six (6) innings or more and gives up three (3) runs or fewer.

OAVG: the batting percentage against each pitcher.

Batting & Pitching Leaders: the following symbols were used to denote individual accomplishments that were record-breakers:

◆ - **TML Record**

◇ - **Tied TML Record**

Team Stats: an asterisk (*) preceding any stat indicates that the player or pitcher led his Association in that stat category; a caret (^) indicates that the player or pitcher tied for the lead in his Association in that stat category.
