The longest winning streak was 14 games by both North Adams (6/7-6/23) and Albany (7/17-7/31). The longest losing streak was a length 22 games by Walla Walla (6/8-7/5). Beverly lost 20 in a row from 4/20-5/13. Summer went 3-40 from 8/20 until the end of the season!

---

Mickey Mantle was voted "Player of the Year" for a record 6<sup>th</sup> time in the past 9 years and for an unprecedented 3<sup>rd</sup> consecutive season! Mantle led the TML in HR (65), RBI (188), Runs (180), EXBH (90), SLG (.691), Walks (115) and RC (189).

---

Ted Williams is the new TML Career Leader in AVG (.365), SLG (.702), OBP (.488) and RC/27 (13.3). Teammate Mickey Mantle is now #2 in all four categories (AVG .329, SLG .636, OBP .451, RC/27 11.2). Hank Aaron remains in 2<sup>nd</sup> place in HRs, 54 HRs behind Career HR leader Barry Bonds (743 HR)! Aaron also remains the Career RBI leader with 2344 and is still in 2<sup>nd</sup> place in Career EXBH (1332), but is the new leader in TB (6264), passing Bonds. Frank Robinson and Aaron remain 1-2 in GW-RBI, 302 and 300, respectively. Sandy Koufax slipped to #2 in Career ERA (2.77) behind Mariano Rivera (2.68).

---

11/5/1956, JM56-AV56, Briggs Stadium  
 The Jupiter Marcos completed their quest of winning the TML Retro Championship, having dedicated this season to their late GM/Manager Marc Kramer. After surviving a grueling 7-game series with rival North Adams, the Marcos had to overcome a 2-0 deficit in the TML World Series against "Hall of Fame" laden, two-time defending TML Champs Albany Avalanche to win the title in 6 games! MVP Minnie Minoso hit .346, with 9 runs and 8 RBI in the post season. For the Jupiter franchise, it was only their 2<sup>nd</sup> TML Championship, but the most memorable. For Pat Barry's Albany squad, they had advanced to their 3<sup>rd</sup> straight TML World Series, after getting past a tough Brooklyn team in 5 games. What hurt Albany was Jupiter's ability to pitch around "Player of the Year" Mickey Mantle (10 walks), while holding Ted Williams to a .136 AVG and Duke Snider to a .056 AVG. Wait till next year!

# ALBANY Avalanche

Manager: Pat Barry (Elizabeth)

Age: 60 Occupation: Retired

## The Season Story

After winning championships for two straight seasons, Albany fell to Jupiter in the World Series. I hope Marc is smiling somewhere. The Albany outfield of Mantle, William and Snider carried the squad with total homers of 136, run 398, ribbies 427, and runs created of 455. Fox and McMillian were strong up the middle and Gernert and Skowron, sharing first base, socked 36 homers between them. Bob Rush 23-3 2.33 anchored the staff. Mizell was solid at 17-6, but ultimately the team could have used another solid starter. The old Larry Jackson was missed. Next year the team is again poised to make a playoff run. Again, the pitching will go as far as the offense will take it.

# ARKANSAS Travelers

Manager: Bill "Willie" Jelks (Lynda)

Age: 74 Occupation: Retired USAF Flyboy

## *The Season Story*

A very disappointing year for the Travs. Going into the season with very high expectations, the picture looked rosy through one third of the season but a pitching staff collapse spelled doom after that. "Stan the Man" and "Big Klu" had great years as expected and most other offensive players did their job. This same crew returns in 1955 but expectations of contention are much cooler than before.

# BEVERLY Hillbillies

**Manager:** Mike Dickinson (Andrea)

**Age:** 47 **Occupation:** Meteorologist/Philanthropist

## *The Season Story*

A disastrous first two-thirds of the season put the Hillbillies in a deep hole they couldn't recover from. Overall the offense and pitching were mediocre (dare I say... adequate) but the fielding was atrocious. The middle infield was a black hole with 2b committing 38 errors and ss committing 32. Third base was worse with an ugly 42 errors. Left fielders put up 20 errors and the great Willie Mays had 15 errors in CF. Only the Hillbilly 1st basemen finished the year without a miscue. Bob Nieman paced the offense in limited at bats. Willie Mays led the team in home runs but was otherwise disappointing. Joe Nuxhall led the team with 13 wins. There are pieces in place to have a respectable team. The only question is when (if?) it all comes together.

# BLOOMINGTON Burning Bunyans

**Manager:** Bob Weisman (Janet)

**Age:** 57 **Occupation:** Meteorology Professor

## *The Season Story*

Another fun and exciting season of Bunyans' baseball. The burning was again from the offense as Eddie Mathews had a stellar year (319 total bases), ably supported by Jim Gilliam, Hector Lopez, and Ed Bailey in a huge part-time role (BY catchers hit 39 HRs on the season). This accounted for some of the pitchers leading in run support (Poholsky 15-8, but 4.95 era). Early Wynn (21-8, 3.28 era) lost a shot at the Pitcher of the Year in an ill-fated relief appearance (1/3 inning, 7 runs against SF). However, the offense was bundled more tightly than usual, so there were times when the offense lapsed. However, the Bunyans were quite sore by the number of batted balls kicked. 164 errors led to 108 unearned runs, tied with Walla Walla for second worst, just behind Beverly. So, Bloomington gets to be the best 4th place team in TML history(??). The entertainment value will continue as long as Mathews rolls on, but how long will the pleasant smiles stay glued on the faces of Lake Wobegone denizens???

# BROOKLYN Browns

**Manager:** Jim Pertierra (Janet)

**Age:** 67 **Occupation:** Platform Manager - Cushman and Wakefield

## *The Season Story*

Again the second best offense in the Division and some of the worst pitching this side of Summer, Brooklyn finished surprisingly in second place, but not surprisingly below .500 and survived a season dog fight with old foes, Coachella for the right to get hammered by Albany in the Conference championships. But, surprisingly, the Browns held their own going down in 5 hard fought 9th inning (or longer) games to the Mighty Avalanche. The offense was mighty and led, as it has been for the past 19 seasons by the great, overlooked, Frank Robinson, who announced his retirement early in the season as he felt that he was too young to catch up with the major league fastball any longer. The best trade I ever made was moving up one spot (needlessly) in the draft to get Frank and he never was going anywhere other than to the Hall of Fame. Here's to you Mr. Robinson, Brooklyn loves you more than you will know. We will never be the same.

# CHETICAMP Micmacs

Manager: Eric Rogers

Age: 59 Occupation: Meteorologist

## *The Season Story*

The '56 retro Micmacs had a fine season, the league's 4th best record, a unspectacular but decent rotation led by Tom Brewer (19-9), one the leagues leading closers with Turk Lown (30 SV), and a solid offense, 3rd in batting average and 2nd in on-base percentage, led by Ashburn, Runnels, and Berra. Unfortunately Cheticamp had the misfortune of being in the powerhouse Atmospheric Division, and did not quite have the talent to keep pace with North Adams and Jupiter. The 1954 squad looks to be good enough to contend again. Will it be good enough? We'll see.

# COACHELLA VALLEY Earthquakes

**Manager:** Mike Landin (Teri)

**Age:** 64 **Occupation:** Retired/Part-time Professor/Softball Player

## *The Season Story*

For the fifth straight season, the Quakes watched Conference rival Albany run away and hide. However, this time, even with a sub-.500 record, the Quakes were in a Wild Card battle with Brooklyn that lasted until the final games of Period 3. It is truly amazing how much good pitching can carry a team, as the Quakes were near the bottom in batting. Al Kaline was a lone standout, batting .327, with 115 RC. Luis Aparicio provided a “spark” in the lineup, but there was not much more. Warren Spahn (19-13) just missed a 20-win season and to show you how bad the offense was, Whitey Ford (13-14) had a losing record, despite a terrific 2.82 ERA. Warren Hacker (14-20) was a “workhorse,” starting 40 times and racking up a 20-loss season. The Quakes roster takes yet another major hit for 1955. A few roster moves will be made as the rebuilding process begins in earnest.

# DULUTH Thundercats

**Manager:** Kevin Tyle (Bryan)

**Age:** 53 **Occupation:** Computer Administrator/Meteorologist

## *The Season Story*

Another long and painful season, although Duluth at least played competitively at home. Probably the brightest spot was Billy Martin's fine fielding at second base; word is that a 26-year old named George Steinbrenner was impressed. Mickey Vernon led the offense with a .916 OPS, while George Kell paced the squad with 31 HR's. The pitching was pretty weak, although Dick Sisler and Joe Black did surprisingly well as starter and reliever, respectively. Some glimmers of hope are there, but likely too few and far between to produce winning seasons for a while more.

# JUPITER Marcos

New Team Name for 1955

Manager: (Mike Landin)

**El Dorado Gold Sox**

Age: -- Occupation: ----

**TML Champion**

## The Season Story

**Marc Kramer**

The Marcos players held a team meeting prior to the season and dedicated this season to their beloved late GM/Manager Marc Kramer. They accomplished their goal by winning the 1956 TML Retro Championship! Despite battling rival North Adams for 7 games (including a 14-inning Game 7) to get to the TML World Series, the Marcos valiantly fought back, down 2 games to none, against two-time defending Champs Albany to win 4 straight and capture the Title! The Marcos had a well-balanced team, ranking 2<sup>nd</sup> in offense and 3<sup>rd</sup> in pitching, not to mention a solid defense. They had 5 players with more than 100 RCs, with Harvey Kuenn (.364) and Hank Aaron (.348) leading the way. Herb Score was the “Ace” of the staff, going 21-5, but was supported by 19-game winner Murry Dickson and three other 15-game winners! Their only “weakness” was the bullpen, but Steve Ridzik and Dave Jolly managed to save 26 games between them. The team welcomes new GM/Manager Jack Kohn and a move to El Dorado for the 1955 season.

# MOOSEN Squirrel

**Manager:** Bill Graham (Cathy Ann)

**Age:** 67 **Occupation:** Attorney/Freelance Writer

## *The Season Story*

An interesting year for the Squirrel as we continue to find a way to rebuild. We got solid years from Willie Jones, Wally Moon, and Harry Simpson. Robin Roberts is entering his best years. But the pitching is otherwise in decline. As always in the Retro, we'll see what last year brings.

## The Season Story

Another banner year for the 1955 North Adams Bevers club. Improving on their 1956 win total, the Bevers finished tied for a division crown at 105-49. The Bevers offense was led by Bill Virdon (.371/16/75) Dickie Groat (.338/1/55) and Red Schoendienst (.317 and 81 runs scored) Bobby Clemente (.303) and Vic Power (.302) also pitched in to help win the Bevers second division title in 2 years. The real story of the year however was the Bevers starting pitching led by Pitcher of the year candidate Don Newcombe ( 23-6 1.97 23 complete games 7 shutouts and a no hitter) Billy Pierce ( 19-9 3.02 12 complete games 5 shutouts) and Sal Maglie (12-3 3.14 8 complete games 3 shutouts). With a team era of 3.30 and 70 complete games the Bevers hope to ride the starting pitcher back into the playoffs with the hopes of taking that final step to a TML Championship. If not there is always next year!!

# SIoux FALLS Fighting Sioux

Manager: Jeff Chapman (Sally)

Age: 51 Occupation: NWS Meteorologist

## The Season Story

At least for this year, the Fighting Sioux were in the wrong conference. 83-71 would have been a lock on the Oceanic Wild Card, but in the Atmospheric, it was good for a solid 6th place finish. The equation goes...a bit better than average offense + shallow pitching + epically weak fielding = mediocrity. Double plays were the downfall of the offense, smashing into the second most in the league (181). Still, exciting times for the fans with Freeman earning "Fireman of the Year" honors (30 SV, 2.56 ERA) and Lary notched 20 wins for the second time in three years. Offensively, Adcock (45 HR, 118 RBI) and Jensen (133 R, 106 BB) provided firepower, but when pitching allows a league second-worst .294 batting average, ugh. See no reason these trends will not hold in the past, so going nowhere fast.

# SUMMER Cyclones

**Manager:** Ken Fusci (Rozanne)

**Age:** 70 **Occupation:** Retired – Part Time at Saratoga Casino

## *The Season Story*

A Season of utter futility for the Summer Cyclones, finishing next to last in the League in Team Standings, next to last in pitching ERA, and dead last in Team batting. The batting was expected to be bad, with the Team actually replicating its AVG to the number, .226, Real Life vs Simulated. However, the overall team pitching was horrible by comparison, with 12 of the 14 staff members underperforming, and the staff ERA at 5.37 vs their Real Life ERA of 3.71. Although both batting and pitching should improve somewhat heading back to 1955, prospects look dim for Playoff contention, and the best to hope for is some slight movement up the League Standings ladder.

# WALLA WALLA Wombats

**Manager:** Bryan Sakolsky

**Age:** 50 **Occupation:** Business Development

## *The Season Story*

The worst season in Wombat history with Wombats going 44-112. There were absolutely no individual performances of note other than maybe the fact Don Gross won 5 games in only 8 appearances which tied him for 3rd on the club.

# Stat Key

**RC (Runs Created) = [(A times B) plus C], all divided by D, where**

$$A = H + BB + HBP - CS - GIDP$$

$$B = TB + [.26 \times (BB - IBB + HBP)]$$

$$C = .52 \times (SH + SF + SB)$$

$$D = AB + BB + HBP + SH + SF$$

**RC / 27 outs:** runs created per 27 outs; in other words, the number of runs a player would create if he were to bat in all nine positions in the batting order.

**QS (Quality Starts):** the number of starts in which a pitcher pitches six (6) innings or more and gives up three (3) runs or fewer.

**OAVG:** the batting percentage against each pitcher.

\*\*\*\*\*

**Batting & Pitching Leaders:** the following symbols were used to denote individual accomplishments that were record-breakers:

◆ - **TML Record**

◇ - **Tied TML Record**

**Team Stats:** an asterisk ( \* ) preceding any stat indicates that the player or pitcher led his Association in that stat category; a caret ( ^ ) indicates that the player or pitcher tied for the lead in his Association in that stat category.
