 Pete Runnels hit walk-off 2-run HR in 13th!

Sandy Koufax won his unprecedented 5th consecutive "Pitcher of the Year" award and remains the TML Career ERA leader (1.68), one full run lower than Mariano Rivera.

"Player of the Year" Mickey Mantle set a new TML Record for OBP (.526) and is the first player to ever post a career OPS over 1.000 (1.016)!

Gaylord Perry is the TML Career leader in CG (229) and Quality Starts (352).

Beverly became the first team in TML History to not throw a regular season shutout!

The longest winning streak was 12 by Perth from 7/23-8/5. (Perth had won 21 of 22 from 6/19-7/13.) The longest losing streak was 19 by Arkansas from 6/23-7/13.

10/20/1962, WW62-PC62, Fenway Park
 Bryan Sakolsky won his 6th TML Championship and the first ever for the Walla Walla franchise in defeating Steve Syzdek's power-laden Perth squad in a 5 game series dominated by the Walla Walla pitching staff (1.96 team ERA). The Wombats had advanced to the TML World Series in a hard-fought 6-game series with Duluth. Perth punched their ticket to the World Series in defeating Rensselaer in a short, but competitive 5-game series.

ALBANY Avalanche

Manager: Pat Barry (Elizabeth)

Age: 57 Occupation: Financial Analyst/Unit Leader

The Season Story

Albany outdid all pre-season expectations zooming from the depths of despair to 92 wins. Not even a 3rd period collapse, which saw them fall from first, could dampen the enthusiasm in the town for this old gang who will only get better as they mature. The M&M boys, Mantle and Musial put up gaudy numbers. The team raked 201 homers led by Mantle's 41 and rolled up 976 runs. Larry Jackson, after years of pitching in obscurity and compiling large amounts of losses to be sure he stayed there, broke out with a nice 17-7 record. Don Mossi chipped in an 11-5 year. All in all a fun year and 92 wins was an accomplishment in the uber-competitive 1962 Oceanic Conference where 85 wins will get you 6th place and a cup of coffee if you have a fin in your pocket.

ARKANSAS Travelers

Manager: Bill "Willie" Jelks (Lynda)

Age: 72 Occupation: Retired USAF Flyboy

The Season Story

The Travs endure their second year of TOTAL rebuilding but, hopefully, there is some light at the end of the tunnel. The offense for the future (past) looks much improved and if a few competent pitchers befall in our direction the Travs might be back in contention in a couple of seasons.

BEVERLY Hillbillies

Manager: Mike Dickinson (Andrea)

Age: 45 Occupation: Meteorologist/Philanthropist

The Season Story

The wheels came of the wagon this year and the Hillbillies are headed back to Beverly to start rebuilding. A surprisingly effective offense could not offset a woeful group of pitchers which sank the team to the basement. Perennial MVP candidate Willie Mays and Bob Skinner combined with surprising contributions from part-times Charley Smith (15 HRs), Phil Linz, Lee Walls, Russ Nixon, and Willie McCovey provided enough offensive punch for the Hillbillies to be competitive. Unfortunately the pitching was unable to match. Ted Bowsfield managed to win 16 games and maintain an ERA under 4.00. Otherwise the staff was filled out by pitchers whose best years were ahead of them and not behind them. Bad starting pitching and poor relief pitching is a toxic combination. Rebuilding will continue in full force for the next couple years.

BLOOMINGTON Burning Bunyans

Manager: Bob Weisman (Janet)

Age: 55 **Occupation:** Meteorology Professor

The Season Story

For the second straight year, Bloomington ranked among the worst of the best, missing 90 wins by a game and a playoff spot by 3 games. The reason was an amazing year with platooning, making the team fun to overmanage. BY had the third highest number of 1-run wins (29-18), second in breaking tied games after 7 (16-8) and led the league in extra innings (15-2), while being second with late inning come-from-behind wins (12). Eddie Mathews was the meat of the offense with 7.6 runs created/27 outs and 120 runs created, 2nd in the league in walks, and nearly .9 ops. But he had help. Despite being last in batting average, Bloomington was second in HRs and 7th in runs. Tony Gonzalez had his best power year (.284 with 26 HRs) with ridiculous contributions from Gene Green (26 HRs, .806 slugging, in 144 Abs), Lenny Green (10 HR in 262 ab, many down the stretch), and Chuck Essegian (10 HR in 161 ab). Pitching-wise, both Cheney (7-4, 2.34) and Hendley (12-6, 3.17) helped as part-time starters and Early Wynn was surprisingly effective. Art Fowler and Claude Raymond combined to save 35 saves in 42 opportunities. Much of this was happening at home, so obviously I was cheating. Ahead? Mathews having a better year in 1961 and I continue to wish "may the odds always be in my favor."

CHETICAMP Micmacs

Manager: Eric Rogers

Age: 57 Occupation: Meteorologist

The Season Story

The 1962 edition of the Retro Micmacs enjoyed a one year surge in hitting, finishing at .280 as a team thanks to team MVP Pete Runnels and a host of overachievers (Don Landrum, Ken Retzer) hitting 50-70 points over their real-life averages. But as expected the pitching was awful, with the one bright spot being John Tsitouris' final TML start, a 13 inning no-hitter against the Double A team from Arkansas. The 1961 edition will not hit nearly as well and the pitching will be just as bad.

COACHELLA VALLEY Earthquakes

Manager: Mike Landin (Teri)

Age: 62 **Occupation:** Retired/Part-time Professor/Softball Player

The Season Story

This was a frustrating season, having found ourselves in the “Conference of Death!” At one point during the season, five teams in the Conference were playing near .600 or greater ball! This team ultimately won 90 games and were literally not in the Conference Pennant race during the final month! The Quakes relied heavily on the arms of its starting pitchers, but Bunning and Herbert never could get on track to join “workhorses” Spahn and Ford at the top of the rotation. Belinsky was a pleasant surprise, but was a bit over-worked during the final month. Lamabe put up nice “numbers” as the closer, but also had 8 BS and 6 losses! Offensively, Richardson, Fairly and Kaline provided a solid and consistent season-long performance, while Demeter and Gentile (each with 35 HR) provided the power. Time is running out for the Quakes. It’s “now or never” in 1961.

COOPERS POND Braves

Manager: Chick Wade (Debbie)

Age: 65 Occupation: Retired/Youth Baseball Coach/Golfer

The Season Story

No surprise this season. As expected the Braves continued their drop from contender to the bottom 5 in the league. Highlights included Covington and Post both hitting well of .300 in platoon roles.

DULUTH Thundercats

Manager: Kevin Tyle (Bryan)

Age: 51 **Occupation:** Computer Administrator/Meteorologist

The Season Story

Duluth rode a great pitching staff into a tie for first place in the Oceanic Conference, ending a long playoff drought. Camilo Pascual was the anchor, with a 20-8 record, 216 K's, 18 CGs, and a league-leading 8 shutouts to go with his glittering 1.83 ERA. Bob Gibson, Ralph Terry, and Hank Aguirre (who also did very well in relief) rounded out the excellent starting staff. The bullpen was a bit shaky, with Stu Miller blowing a fair amount of saves. The offense was led by Felipe Alou, Billy Williams, and Roger Maris, with Tony Kubek playing a key role in the stretch run. The Thundercats ran out of gas in the Oceanic Conference playoffs, dropping the final four after winning the first two at home. On to 1961 with Roger Maris *61 season.

The Season Story

This was a season of highs and lows. Coming in my team had plenty of hitting and questionable pitching. The hitting was slightly less than anticipated but was still strong. Hank Aaron led the way with his 44 HRs. The pitching was very weak and in reality did what they were capable of. The team contended until the 3rd period where our lack of quality pitching did us in.

MOOSEN Squirrel

Manager: Bill Graham (Cathy)

Age: 65 Occupation: Attorney/Freelance Writer

The Season Story

The Squirrel were not as good a team as management hoped they would be. Team offense was not bad. Colavito and Howard hit 25 and 24 HRs respectively. Maury Wills stole 74 bases and crossed the plate 120 times. Pitching was the problem. The starting pitching was average at best. No true ace on the staff. And no true closer. Back to rebuilding for Moosen.

NORTH ADAMS Bevers

Manager: Mike Ameen (Beverly)

Age: 51 **Occupation:** Restaurant Owner/College Softball Coach

The Season Story

It was a tough season for the Bevers, as they blew 14 leads after the 7th inning and had nearly as many blown saves as saves! Their 1-run record was horrible at 18-29 and they only won 3 of 15 extra inning games! But, hey, the Bevers did not lose 100 games and were the best of the four bottom teams in the Conference. The team offensive standouts were, by far, Leon Wagner (who played every game) with his .305 AVG, 43 HR and 141 RBI and Roberto Clemente with a .308 AVG, 35 doubles and 74 RBI. No one really took over as the pitching "Ace" as both Bob Friend (13-12, 3.99) and Don Drysdale (11-18, 4.41) struggled. Al Jackson had a lower ERA (3.63), but nearly lost 20 games!

PERTH Diamond Cats

Manager: Steve Syzdek (Suzanne)

Age: 44 **Occupation:** Attorney

The Season Story

Perth almost made it this year! The Diamond Cats made it to the TML World Series only to have their hopes of winning the first TML Championship in franchise history dashed by the Wombats of Walla Walla. Perth had the league's most potent offense and combined that with solid pitching and good defense to make this run to the championship series. Perth's offense was lead by Lee Thomas who had a tremendous year at the plate. Perth had six other regular and semi-regular players bat over .300 and Perth scored almost a thousand runs! On the pitching side of things, Dave Stenhouse and Bill Monbouquette lead a solid core of starting pitchers and Roy Face was pretty much lights out as Perth's closer. Perth says goodbye to Don Lock, Joe Pepitone, Dave Stenhouse and Ron Taylor as they fade back into pre-major league life. The Diamond Cats bring back almost the same roster next season so we are hoping to take another run at the title in the final year of franchise existence.

RENSSELAER Strikers

Manager: (Jim Pertierra)

Age: -- Occupation: --

The Season Story

The Strikers made it to the conference finals one more time only to be knocked off by a superior Perth team. But, it sure was a fun trip. Again it was the offense that led the way and, again, it was Harmon Killebrew's bat that did the leading. In a year where the Mick was awesome, Killer was slightly (and very slightly) less, hammering 59 homers and putting up 2 year homerun numbers that were awesome. Add to that 134 runs scored and 152 driven in, and he was a force. Norm Cash was a quiet monster hitting right behind him and looks primed to continue in 1961. Carl Yastrzemski continued his stellar TML run but might be nearing the end of the line and his great career. Turk Farrell had a 20 win season as he paced the understaffed pitching staff supported by a surprise 18 wins from Lew Burdette. In the end, there was not enough depth in that staff, and that is why the Strikers came up short.

SIoux FALLS Fighting Sioux

Manager: Jeff Chapman (Sally)

Age: 49 Occupation: NWS Meteorologist

The Season Story

V1962 of the Fighting Sioux had about 1/3 of an offense and hardly an ounce of pitching. Davis, Altman and Floyd Robinson put up terrific numbers and likely stopped the Sioux from having the worst record in the league. Robinson led the league in hits, triples and runs scored, Davis led the team in HR (25), and Altman gave the batting title a serious run while driving in 106, finishing second to Mantle at .354. Manager Chapman gave consideration to pulling Altman from the lineup in the final series when his average was up to .359, but folded to the pressure to keep the offense in the lineup. Pitching just gave up too many walks, too many long balls. When your closer carries nearly a 5.00 ERA, you know that no lead is safe! I suppose fans should take comfort in the fact that we didn't finish in last place in the division.

WALLA WALLA Wombats

Manager: Bryan Sakolsky

Age: 48 Occupation: Business Development

TAL Champion

The Season Story

The Wombats had a great season, playing above expectations and winning the 1962 World Series as arguably an underdog, beating Duluth 4 games to 2 and then sweeping Perth on the road to win the World Series 4 games to 1. No players really stood out with overall numbers. The offense was lead by Johnny Callison .310 20 HR and 106 RBI. Orlando Cepeda chipped in 104 HR, and Tommy Davis (24) and Ernie Banks (27) added to the power. Pitching was led by Bob Purkey and his league leading 22 wins. Hoyt Wilhelm anchored an strong bullpen and had 21 saves.

SANFORD Browns

Manager: Jim Pertierra (Janet)

Age: 65 Occupation: Platform Manager - Cushman and Wakefield

The Season Story

What a long, strange, wonderful trip it has been for Sanford. 7 titles in 9 years and 9 straight World Series visits in a super strong division. The Browns came close but it wasn't meant to be and the time in the sun is now diminishing. Congrats to Kevin and Bryan for their playoff berths in the division and to Mike, Pat and Bill for making it such a super tough accomplishment for all 6 of us to get close. Frank Robinson continued on his steady march up the career listings. While the home park held his homers in check, he found the alleys and, surrounded by Pinson and Rollins, life was difficult through that part of the order. Sandy Koufax was Sandy Koufax. Quoting Stan Lee, "nuf sed!!!" Dick (the Monster) Radatz finished off his TML career having a dominant year. Thanks all for the kudos. Luck is the residue of design, and, in spite of being a casual planner, it was a blast.

Stat Key

RC (Runs Created) = [(A times B) plus C], all divided by D, where

$$A = H + BB + HBP - CS - GIDP$$

$$B = TB + [.26 \times (BB - IBB + HBP)]$$

$$C = .52 \times (SH + SF + SB)$$

$$D = AB + BB + HBP + SH + SF$$

RC / 27 outs: runs created per 27 outs; in other words, the number of runs a player would create if he were to bat in all nine positions in the batting order.

QS (Quality Starts): the number of starts in which a pitcher pitches six (6) innings or more and gives up three (3) runs or fewer.

OAVG: the batting percentage against each pitcher.

Batting & Pitching Leaders: the following symbols were used to denote individual accomplishments that were record-breakers:

◆ - **TML Record**

◇ - **Tied TML Record**

Team Stats: an asterisk (*) preceding any stat indicates that the player or pitcher led his Association in that stat category; a caret (^) indicates that the player or pitcher tied for the lead in his Association in that stat category.
