Sandy Koufax set a new TML Record for ERA at 1.39!

Jim Bunning tied Koufax's TML Record for CG with 32!

Pete Rose remains the career leader in G(3303), AB(13,243), hits(4010), 2B(671) and 1B(3034).

Sanford set a new TML Record for regular season Wins (127) and WPCT (.794).

The longest winning streak was 24 by Sanford from 5/25-6/22. The longest losing streak of 18 games was done by both Albany from 5/25-6/15 and Cheticamp from 5/15-6/6.

10/22/1964, AR64-SB64, Dodger Stadium
 Jim Pertierra's Sanford Browns advanced to a record 8th straight TML World Series and made it an unprecedented "Quinta-peat" in once again defeating Willie Jelks' Arkansas Travelers, this time in 6 games. Jim's 6th TML Championship and 7th for the franchise are both TML Records! Willie's 9th trip to the TML World Series ties him with Bryan Sakolsky and Mike Landin. This TML World Series once again showed that great (Sanford) pitching will stop great (Arkansas) hitting. Playoff MVP Sandy Koufax was 3-0, with a 1.88 ERA. Sanford had advanced to the TML World Series by sweeping Coachella Valley. Willie's record-tying 9th trip to the TML World Series was made possible by outlasting Perth in a hard fought 6-game series. Can any team stop the Sanford Browns' Dynasty in 1963?

ALBANY Avalanche

Manager: Pat Barry (Elizabeth)

Age: 56 **Occupation:** Financial Analyst

The Season Story

A 59 win season seldom generates optimism, but this one did as it represented a 23 game improvement over the prior year. The team ERA fell by nearly half a run in 1964, nearly all of it due to the return to form of Larry Jackson. Jackson doubled his career high in wins with 20, and posted a career best 2.88 ERA. No other Albany pitcher was able to post double digit wins. Bill Stafford posted 11 saves despite an ERA of 5.40. Mickey Mantle put forth MVP numbers: .333/.457/.658, 157 Runs Created, 44 Home Runs to lead the offense. Moose Skowron put up another nice year: .319/.339/.488 with 24 Homers. Smokey Burgess continued to shine in a part time catcher role. Rookie Al Smith had 16 homers, despite not being able to cross the Mendoza line. The team hopes that Snider, McMillan, Fox, and Crandall will improve as they get younger. Modest improvement is expected in 1963.

ARKANSAS Travelers

Manager: Bill "Willie" Jelks (Lynda)

Age: 71 **Occupation:** Retired USAF Flyboy

The Season Story

The Travelers won their third conference championship in a row and 5th in six years but once again fell short in the World Series. Sensing that the time was right for a rebuilding, GM Bill Jelks decided to back the truck up to the back door and empty out the locker room and start anew. Hopefully the Travelers can be contenders again in five seasons or so.

BEVERLY Hillbillies

Manager: Mike Dickinson (Andrea)

Age: 45 **Occupation:** Scientist

The Season Story

The Hillbillies were feeling good through the first 2/3 of the season riding the powerful bats of Lou Brock, Willie Mays Pete Ward, and the part-time contributions of Willie McCovey and the capable and occasionally competent pitching of Wally Bunker, Dick Ellsworth, and Buster Narum. Of course the final 1/3 of the season put the Hillbillies against the top of the division and we found out what this team was made off... hot air. Apparently the Hillbillies survived all season using smoke and mirrors. The powerful offense completely disappeared over the final 48 games. The pitching actually improved slightly but nowhere near enough to overcome the complete lack of offense. Major changes lie ahead as the Hillbilly roster heads toward lean times.

BLOOMINGTON Burning Bunyans

Manager: Bob Weisman (Janet)

Age: 54 Occupation: Meteorology Professor

The Season Story

In 1964, I broke my arm when “my friends” pushed me down a cement staircase to “see what would happen,” I spent the summer in Alexandria, LA, mostly sick due to allergies...and now, this! Fortunately, some offense at least returns in '63.

CHETICAMP Micmacs

Manager: Eric Rogers

Age: 56 Occupation: Meteorologist

The Season Story

Here is the Normal Vincent Peale ("Power of Positive Thinking") summary of the 1964 Micmacs season:

- 1) They had a better record than Bloomington
- 2) If the ball wasn't flying out of the park, they would probably field it OK (5th best fielding percentage)
- 3) If the offense didn't do better than on paper who knows how much worse they could have been.
- 4) They had a better record than Bloomington

1963 prospects : Better starting pitching, no bullpen, better hitting, probably enough to win at least 70 games.

COACHELLA VALLEY Earthquakes

Manager: Mike Landin (Teri)

Age: 61 **Occupation:** Retired/Part-time Professor/Softball Player

The Season Story

Going into this season, it was known that pitching was going to have to carry this team all season. The acquisition of one-year "rental" Richie Allen was hoped to jump-start the offense. Allen (.305, 23 HR, 102 R, 90 RBI, 118 RC) played every day and did lead the team in most offensive categories, single-handedly leading the Quakes to a 1-game finish over Duluth to capture the Oceanic Wild Card! Team captain Al Kaline (.271, 39 2B, 14 HR, 71 RBI, 16 GW-RBI) had another fine season. It was the pitching that starred, led by 20-game winners Jim Bunning (24-13, 2.27) and Whitey Ford (21-11, 1.76). Bunning led the league in IP and K, while tying Koufax' CG TML Record, with 32 CG. It is an unwritten "fact" that great pitching will stop great hitting. So, what happens when weak hitting faces great pitching? The answer was evident when the Quakes were easily swept in the playoffs by the unhittable staff of the Sanford Dynasty! Warren Spahn ... where are you? We need you!!

COOPERS POND Braves

Manager: Chick Wade (Debbie)

Age: 65 Occupation: Retired/Youth Baseball Coach/Golfer

The Season Story

No surprise this season. As expected the Braves plunged toward the bottom of the league. Going from 95 wins in 1965 to 61 wins in 1964 was a result poor offense and terrible pitching. The Braves were outscored by 168 runs or over a run per game. This may only be proceeded by even worse performances.

DULUTH Thundercats

Manager: Kevin Tyle (Bryan)

Age: 50 **Occupation:** Computer Administrator/Meteorologist

The Season Story

Another very close call for a playoff spot for the 1964 version of the Thundercats. We came so close but Beverly got some "time-warped" revenge for their 2013 playoff loss by denying Duluth second place in the very last series of the year. Continued fine performances by Ron Santo, Billy Williams, and Bob Gibson paced the squad. Boog Powell had a good year as well, but exceeded the terms of his contract in terms of AB's ... good thing we are before free agency or Marvin Miller would have been called! As the clock continues to tick backwards, so too does Duluth's expected performance, but we ought to at least make things interesting in 1963.

Walla Walla Wombats

The Season Story

The pre-season hopes of contending were dashed by the inability to play consistent winning ball. The core group of Bill Freehan (.351, 23 HR, 98 RBI), Jim Fregosi (.292, 26 HR, 82 RBI), Johnny Callison (.255, 36 HR, 115 RBI) and Orlando Cepeda (.275, 33 HR, 69 RBI) led a strong offense. Ten different players had 10+ HR, as the team recorded 216 dingers ... second only to Arkansas. The most consistent starter was John Buzhardt (15-10, 3.14). Hoyt Wilhelm (3.60) had his moments, with 6 RW and 22 SV, but also 7 L and 4 BS. The team will move to Walla Walla to be led by the return of veteran TML manager Bryan Sakolsky.

MOOSEN Squirrel

Manager: Bill Graham (Cathy)

Age: 64 Occupation: Attorney/Freelance Writer

The Season Story

The Squirrel got off to a hot start and looked headed toward a playoff berth after the first period. Then we had to play Sanford and Coachella and Duluth and Beverly. In the end, Moosen finished about the same as it did in '65 (84-76 in '64 vs 87-73 in '65). Not a bad season but mediocrity does not get you to the post-season. Gary Peters was the workhorse of the starting staff and picked up 14 wins to go with a 2.70 E.R.A., 10 CGs, and 6 shutouts. Offensively, team MVP Jim Ray Hart lead the way with a .262 AVG, 40HRs, and 108 RBI. Rocky Colavito contributed a .269 AVG, 21 HRs, and 86 RBI and Jimmie Hall also hit 21 dingers batting mostly from the lead-off spot. Missing from the Moosen offense was a good stolen base man. Once again the cry in Moosen is "Wait 'til last year!"

NORTH ADAMS Bevers

Manager: Mike Ameen (Beverly)

Age: 50 **Occupation:** Restaurant Owner/College Softball Coach

The Season Story

The Bevers continued their slide and this time it was their bats that didn't help. The Great Roberto Clemente hit .311 and added 200 hits again to continue his pursuit of being a legend. Past that, the offense was pretty flat with Daddy Wags (Leon Wagner) falling off. The big surprise was Felix Mantilla smashing 37 homeruns in VERY limited action. Don Drysdale continued to pitch in bad luck but did get 19 wins this time. The Past looks good as both Bob Friend and Vernon Law look like keepers and the pick of the old guy, Billy Pierce should pay off. With the Skipper returning for 1963, life looks better

PENSACOLA Pelicans

Manager: Mark Hetterich (Connie)

1963 Team Name Change

Age: 67 Occupation: Program Manager

Jupiter Marcos

The Season Story

The Pelicans finished the season at 77-83, the 10th best record in the league, a mediocre performance considering that they finished in a tie for 4th in hitting at .256 and 8th in pitching at 3.86. Dave Wickersham led the starters with a 15-11 record, 2.98 era and Dick Hall had 17 saves but a poor ERA. Bill White led the team in hitting with a .289 avg, collected 47 2bs, 24 hrs, scored 93 runs and knocked in 112. Solid contributions by Ken Boyer 28 2bs, 13 3bs, 20 hrs, Bob Allison 28 hrs, and Tom Tresh 22 hrs helped the team be competitive in 64. On a sad note, this is my last season playing retro as I have many new challenges ahead in 2015, including going part-time at work, working on 3 new major proposals to keep my 150 member staff employed, and a potential move to Delaware to assist with the care on Connie's Mom and to be closer to our two grandchildren who live just outside NYC in Scarsdale. It's been a joy to participate in this project - my thanks to Jim and Mike for their tireless hours.

PERTH Diamond Cats

Manager: Steve Syzdek (Suzanne)

Age: 44 **Occupation:** Attorney

The Season Story

The Diamond Cats, once again, made it to the playoffs and, once again, fell short of the World Series. Howard, Hickman and Torre powered the Perth offense all season long. The aforementioned trio along with Robinson and Lock gave Perth five players who hit more than 20 homers. The pitching staff was anchored by O'Toole and Bruce. O'Toole was a 21 game winner and Bruce won 18 and led the team in K's. Al McBean saved 28 games. The Diamond Cat rotation was solid; however middle relief blew a few too many games. Perth's management will look to improve the bullpen as it enters its last tri-year of the Retro Project. Overall, the Diamond Cats have positioned themselves to be a contender for the remainder of their existence. Perth will now focus on getting over the World Series hump and concentrate on bringing the first TML Title (past or present) to Perth!!!

RENSSELAER Strikers

Manager: (Jim Pertierra)

Age: -- Occupation: --

The Season Story

The Strikers rode Milt Pappas and Joe Horlen's strong arms to an above .500 finish to remain in the upper reaches of the Division. When you say that your offense was led by Wayne Causey, you know you did not have a lot of pop and that was the truth. Yaz had a good year, but his power is receding. Stormin' Norman Cash had a fine year in limited action. Another fun season in Rensselaer, but the attendance is declining and the management is looking to bail out. Details at the end of 1961.

SIoux FALLS Fighting Sioux

Manager: Jeff Chapman (Sally)

Age: 48 Occupation: NWS Meteorologist

The Season Story

These words which have been used to describe the Grinch will go down as the epitaph of this team: stink, stank, stunk! Almost pulled off the trifecta of highest team ERA, and lowest batting average and fielding percentage. Joe Adcock and Floyd Robinson were the bright spots offensively, perhaps even would be classified as such without the surrounding dim sky that was the Sioux. Only one starter with a winning record (Perry 8-7), with the collective heap of others posting a putrid 28-74 record. The most unfortunate thing is that things will get worse than better in the short term as a majority of the team continues to age in. Time to cut the ticket prices!

The Season Story

I do think this was it. The league's best pitching out did itself this year winning a record 127 games, 4, 20 win starters, a new ERA record from Koufax. It was a thrill from start to finish. The offense did not impress at first look, but did hit a lot of homers at the right time and wasn't called on to score much. Don Mincher would have been huge over a full season, but Vada Pinson and Frank Robinson put in great full seasons. This team has surpassed anything that I could ever have dreamed, going to 8 straight World Series, winning 6 including 5 in a row. While their time is done as the rest of the Division is now poised to run by, none of the memories of the past 8 seasons will be anything but great. A great experience in a great league. Thanks.

Stat Key

RC (Runs Created) = [(A times B) plus C], all divided by D, where

$$A = H + BB + HBP - CS - GIDP$$

$$B = TB + [.26 \times (BB - IBB + HBP)]$$

$$C = .52 \times (SH + SF + SB)$$

$$D = AB + BB + HBP + SH + SF$$

RC / 27 outs: runs created per 27 outs; in other words, the number of runs a player would create if he were to bat in all nine positions in the batting order.

QS (Quality Starts): the number of starts in which a pitcher pitches six (6) innings or more and gives up three (3) runs or fewer.

OAVG: the batting percentage against each pitcher.

Batting & Pitching Leaders: the following symbols were used to denote individual accomplishments that were record-breakers:

◆ - **TML Record**

◇ - **Tied TML Record**

Team Stats: an asterisk (*) preceding any stat indicates that the player or pitcher led his Association in that stat category; a caret (^) indicates that the player or pitcher tied for the lead in his Association in that stat category.
