Sandy Koufax shattered the TML Record for OAVG by 21 points at .149 OAVG!

Gaylord Perry became the 8th member of the "300 Wins Club", ending the season with 304 W.

Pete Rose remains the career leader in G (3166), AB (12,727), hits (3885) and 1B (2928).

The longest winning streak was 21 by Coachella Valley from 9/7-9/30, going 23-1 to end the season. The longest losing streak of 16 games was done by Albany from 9/13-9/30.

10/20/1965, AR65-SB65, Dodger Stadium
 Jim Pertierra's Sanford Browns advanced to their 7th straight TML World Series and made it an unprecedented "four-peat" in defeating the Arkansas Travelers in 5 games! Jim's five TML Championships ties him with Mike Dickinson and Bryan Sakolsky. It was once again a battle of the league's strongest pitching staff against one of the top offensive teams in Arkansas. The Browns had previously edged past the "Hitless Wonders" of Coachella Valley in 7 games! The clincher was one of the most dramatic and nail-biting games in TML History, as Sandy Koufax was nearly perfect through 10 innings, fanning 18 and walking none. The only hit was a 3rd inning single by the opposing pitcher Jim Bunning! Arkansas had advanced to their 2nd straight TML World Series by sweeping Perth. Co-Playoff MVPs (for the 2nd straight season) Sandy Koufax (3-2, 1.67, 54K/43IP) and Sam McDowell (2-1, 1.57, 27K/23IP) were again outstanding and nearly unhittable! We ask again: can the Browns' Dynasty be toppled in 1964?

The Season Story

Albany reached the depths of despair in 1965 reaching only 36 wins, something I would have thought impossible at the start of the year. But the team is a mixture and the very old, the very young, and the very bad. Mantle and Skowron had fine years. Jim Landis got on base quite a bit. But the rest were a sorry lot, but for pinch hitter extraordinaire Smokey Burgess. Projected ace Larry Jackson went 5-24 5.16 ERA to give you an idea of the pitching. Bill Stafford and Billy Hoeft pitched well. the rest of the staff underperformed or unfortunately performed. Finally though there were pieces to build around in some number. Jackson, Broglio, Mossi on the mound. Mantle, Fox, Skowron, McMillan, Burgess and Crandall. Things can only go up from here.

ARKANSAS Travelers

Manager: Bill "Willie" Jelks (Lynda)

Age: 71 Occupation: Retired USAF Flyboy

The Season Story

Another divisional championship and another "bride's maid season" as we fall short again in the Championship Series. Time is running out for this group so 1964 may be a "do or die" year. Bob Veale leads the staff at 22-8 but, on the whole and despite won/lost records the staff underperformed. Pete Rose, Maury Wills and Tony Olive deserve kudos for fine years.

BEVERLY Hillbillies

Manager: Mike Dickinson (Andrea)

Age: 44 Occupation: Scientist

The Season Story

The Hillbillies entered the season with hopes of contending for the division crown but was left in the middle of a pack of worthy contenders. The offensive didn't disappoint left by the mashing by Mays and McCovey. Lou Brock, Willie Smith, Pete Ward and Jim Lefebvre all contributed to a powerful offense that led the league with 255 home runs. Alas offense is only part of the game. Purported staff ace Jim Maloney was inconsistent and the remaining staff members were also otherwise erratic as well. Given the team construction a playoff push seems unlikely next season.

BLOOMINGTON Burning Bunyans

Manager: Bob Weisman (Janet)

Age: 54 Occupation: Meteorology Professor

The Season Story

If this is a dead ball era, there are a lot of séances going on during visitor at-bats at Metropolitan Stadium. Bloomington had the third worst pitching, the most walks allowed, and the second highest blown saves. The leaders of the stiff neck society were Carlton Willey (17 losses) and Curt Simmons (16 losses). Bob Lee again made a better Sports Center anchor than a closer with 13 losses, double-digit blown saves, and a 4.50 ERA. When a ball actually was hit near a fielder, that didn't always help as BY was last in the league with 206 errors (54 by Versalles). When the team was competitive, it was thanks to a middle-of-the-pack offense. Eddie Mathews was putting together a near-All Star resume before slumping late. Donn Clendenon near 100 runs created and Versalles actually off-set some of the runs he gave away in the field. Prospects for 1964: worse offense and continued bad pitching. Raise that mound some more!

CHETICAMP Micmacs

Manager: Eric Rogers

Age: 56 Occupation: Meteorologist

The Season Story

The season started on its high note with Ray Culp's perfect game against Albany (proof that bad pitching can beat even worse pitching) but went downhill fast as the Micmacs began their wilderness years. Other than McAuliffe and part-timer Tony Horton (12 HR in 197 AB) the offense was mediocre. The pitching was truly atrocious with two 20 game losers and an alleged closer with a 5.58 ERA. The big mystery to me is how this team went 27-19 in one run games. I expect the 1964 squad to be little better.

COACHELLA VALLEY Earthquakes

Manager: Mike Landin (Teri)

Age: 61 **Occupation:** Retired/Part-time Professor/Softball Player

The Season Story

A strong 23-1 finish (with an imbedded 21-game winning streak) allowed the Quakes to leapfrog three teams to snatch the Oceanic Wild Card! These "Hitless Wonders" became the first team in TML history to earn a post season berth, while finishing last in batting in the entire league! The Quakes success was their strong pitching staff, which had the luxury of pitching in an extreme pitchers' park. Jim Bunning (23-10, 2.20, 30 CG) put up "Pitcher of the Year" type numbers, but was a distant 2nd to one Sandy Koufax (more on him in a moment)! Fred Newman was a workhorse with his 24 CG and 17 wins. Whitey Ford (15-9, 2.73) had his first fine season. Bill Faul (8-6, 1.71) barely had a winning record, despite a sub-2 ERA in 16 GS. Faul had the lowest average run support (2.0 R/G) of any starting pitcher with 3+ GS in the entire TML! The little offense there was came from Ron Fairly, Jim Gentile, Al Kaline and Don Demeter. The Quakes battled the 3-time defending Champs Sanford to a 7th game in the Conference Final to set up a third Bunning/Koufax match-up. Even though the Quakes lost 1-0 in 10 innings, it was the "Game of the Century" as Koufax only allowed a single to Bunning himself in the 3rd inning and was otherwise *perfect* the rest of the way, fanning 18 (including 7 in a row after the leadoff batter) and walking none. It was an amazing finish to an unexpected amazing season! Things are looking up for the Quakes in coming seasons, especially when Warren Spahn gets into the fun!

COOPERS POND Braves

Manager: Chick Wade (Debbie)

Age: 64 Occupation: Retired/Youth Baseball Coach/Golfer

The Season Story

The season was a surprise. The offense had limited power but was lead by a surprising year from Ken Hamlin, along with solid years from Gene Oliver and Danny Cater. However, it was the pitching of Brunet, Barber, and Shaw that lead the Braves to a 95 win season.

DULUTH Thundercats

Manager: Kevin Tyle (Bryan)

Age: 50 **Occupation:** Computer Administrator/Meteorologist

The Season Story

The fortunes of the Thundercats likely reached their peak in 1965, but alas were not enough to make the playoffs. Despite holes behind the plate, shortstop, and in the outfield, enough offense and a good starting rotation assured a winning record, especially given some of the weaker competition in our division. Gibson and Stottlemire led the rotation, although Tony Cloninger's career year in real life did not translate. If some of his starts had gone instead to Camilo Pascual, and had the bullpen been a bit less ignitable, the Thundercats might have been able to stave off the Quakes for 2nd place.

HACKENSACK Bulls

Manager: Roy Gorham (Brandy)

Age: 37 Occupation: Engineer

The Season Story

Another tough season for the Bulls, losing over 90 games and dropping into 7th place. The pitching was decent (3.87 team ERA), but the lack of offense hurt. The top regular, Jimmy Wynn, batted only .259, but did manage to clear 100 RC, thanks to his team-leading 34 HR. Hoyt Wilhelm had another “interesting” season, saving 13 games, but losing 15, along with 4 BS. Last season’s batting star Orlando Cepeda only saw 2 AB, but is expected to be back in 1964. In fact, the team will sport much more offense in 1964, most notably in the power department. Contention is possible for the Bulls!

MOOSEN Squirrel

Manager: Bill Graham (Cathy)

Age: 64 Occupation: Attorney/Freelance Writer

The Season Story

I didn't think Moosen was a playoff contender at the start of the season. Playing in the same division that is home to the Sanford Browns juggernaut that didn't seem so bad. The Squirrel caught fire in Period 2, however, leading to a hold on second place. A precarious hold, but a hold nonetheless. All we needed to do in Period 3 was have a respectable showing against Sanford and hold off Beverly and Duluth. Then it would be on to Post Season where fame, glory, and a spot in TML lore awaited. It didn't happen. Those teams kicked our butt. Thank god for Fireman of the Year Pedro Ramos though.

NORTH ADAMS Bevers

Manager: Mike Ameen (Beverly)

Age: 50 **Occupation:** Restaurant Owner/College Softball Coach

The Season Story

The Bevers scored as many as they were supposed to, but no matter, it was not enough. Roberto Clemente hit .300 on the mark for the season, but, even with over 190 hits and nearly 60 XBH, it was rather flat. Willie Stargell had 29 homer and 109 rbi's to lead the offense along with Daddy Wags, Leon Wagner who was the big bat all year, when he could play. That was the story though, too many role players and not enough regulars for the Bevs this year. The real story of the collapse of the Bevs was in the pitching staff as Don Drysdale lost 22 times and nearly had as many batters hit. Giving up 44 long balls didn't help much either. Little Al Jackson lost 19 more times and it was a long system. Bucco aces Bob Friend and Vernon Law pitched well but with little luck They continue to miss their skipper!

PERTH Diamond Cats

Manager: Steve Syzdek (Suzanne)

Age: 44 **Occupation:** Attorney

The Season Story

The Perth Diamond Cats made another playoff appearance in 1965. This year's appearance was made possible by statistical PED's, but unlike 1968, this year's "hiccup" worked to the Diamond Cats advantage. However, once Perth made it onto the big stage they were promptly swept off the stage by the powerful Arkansas Travelers. This year's version of the Diamond Cats boasted one of the most dominating offenses in the league. Unfortunately, for as good as the offense was the pitching, eh, not so much. The Diamond Cats received solid seasons from Pearson, Robinson, Thomas, Coleman, Torre and Morgan. The Diamond Cats say goodbye to Davidson, Hunter and Wagner. Perth continues to make roster moves in order to position the team for past playoff runs and hopes that the two bridesmaids' dresses hanging in the Perth front office can be replaced with that elusive bridal gown and then have that gown topped off with a championship crown!

RENSSELAER Strikers

Manager: (Jim Pertierra)

Age: -- Occupation: --

The Season Story

A "kiss your sister" season for the Strikers. Mack Jones and Vada Pinson both hit 31 homers and Yaz had a torrid finish to end his season with 52 doubles en route to a .318 average in under 500 at bats. All in all, 8 Strikers batters went double figures in homers. One of them was shortstop Wayne Causey who had a great season day in and day out. Milt Pappas and Joe Horlen led a good pitching staff that needed to be very good to contend and wasn't. All in all it was a fun season in Rensselaer, but not good enough to challenge the big boys.

SIoux FALLS Fighting Sioux

Manager: Jeff Chapman (Sally)

Age: 48 Occupation: NWS Meteorologist

The Season Story

This team should be proud of its first place finish, in the THIRD division of the Oceanic. Management showed excellent planning for the future as a strong head-to-head battle with Hackensack moved us past two teams the final month. It was back to kicking the ball around once again, and it was hard to make up for an offense that had the ball miss the bat far too many times. Sioux offensive leader Curt "No Respect" Blefary led the league in RC/27 outs for much of the season, ending second (8.9) along with slugging (.555) behind Mays. The back end of the pen was a pleasant surprise, and 5 starters tallied 100 whiffs. With almost one-half of the team receding into the shadows of 1964, it's safe to say there is nowhere to go but down.

SANFORD Browns

Manager: Jim Pertierra (Janet)

Age: 64 Occupation: Contract Supervisor - Cushman and Wakefield

TML Champion x4

The Season Story

While the Management thought last year was it, it wasn't as the rapidly youthing Browns rode the league's strongest pitching to another Division title and a 4th straight TML title. Not much to speak of offensively, as it all fell on Frank Robinson's shoulders again. F Robby came through often. As little offense as the Browns had, they outscored their opponents by over 200 runs due to the truly outstanding starting pitching of Sandy Koufax, Chris Short, Sam McDowell, Mickey Lolich and Sonny Siebert. Sandy is truly one of a kind. This IS probably it for awhile for the Browns, but what a run and what a group it was.

Stat Key

RC (Runs Created) = [(A times B) plus C], all divided by D, where

$$A = H + BB + HBP - CS - GIDP$$

$$B = TB + [.26 \times (BB - IBB + HBP)]$$

$$C = .52 \times (SH + SF + SB)$$

$$D = AB + BB + HBP + SH + SF$$

RC / 27 outs: runs created per 27 outs; in other words, the number of runs a player would create if he were to bat in all nine positions in the batting order.

QS (Quality Starts): the number of starts in which a pitcher pitches six (6) innings or more and gives up three (3) runs or fewer.

OAVG: the batting percentage against each pitcher.

Batting & Pitching Leaders: the following symbols were used to denote individual accomplishments that were record-breakers:

◆ - **TML Record**

◇ - **Tied TML Record**

Team Stats: an asterisk (*) preceding any stat indicates that the player or pitcher led his Association in that stat category; a caret (^) indicates that the player or pitcher tied for the lead in his Association in that stat category.
