In one of the sloppiest games (10 total errors) in TML history, Pensacola scored the winning (unearned) run in the 10<sup>th</sup> on a 2-base error, a wild pitch and a GW-single by Graig Nettles.

The longest consecutive winning streak of 15 games was accomplished by both Albany (7/1-7/17) and Moosen (6/16-6/26). Hackensack went 1-27 from 6/15-7/17, with a 16-game imbedded losing streak from 6/29-7/17. Hackensack set a new regular season all time TML record for GR (496).

Sioux Falls' Nolan Ryan (309 W) became the 4<sup>th</sup> TML pitcher to record 300 career victories. Ryan also set an all-time regular season strikeout record (382), notching 10+ strikeouts 21 times during the season. Ryan is now the career leader in strikeouts at 5153. Coachella Valley's Bert Blyleven ended the season at 299 career victories.

11/8/1972, PD72-AV72, Fenway Park  
Pat Barry's Albany Avalanche became the 6<sup>th</sup> different team to win the TML Championship in the past 7 seasons! It is the 5<sup>th</sup> Championship for the Albany franchise and the 4<sup>th</sup> for Manager Barry (in 4 World Series trips)! The Avalanche were led by the clutch hitting of Bill Freehan (.286, 14 RBI) and superb pitching by Don Wilson (3-0, 3GS, 1.74). The Avalanche had taken out Coachella Valley in a tough 7-game series and then dispatched Pasadena in 6 games in the World Series. Pasadena caught Cheticamp at a good time in the other Conference Final and took out the two-time defending TML Champs, after opening up a 3 games to none lead.

## The Season Story

After several fine seasons were wasted finishing second behind a fine Sioux Falls squad, Albany got its place in the sun, unseating the Fighting Sioux and then taking grueling playoff series from Coachella Valley and Pasadena to win the 1972 Championship. Fine front line starters of Bradley, Perry, Wilson, and Stottlemyre keyed the effort. Coupled with four relievers with an ERA under 2, the staff's remarkable performance in Fenway Park carried the team to the championship. Albany's hitters were okay too. Jimmy Wynn (27 HR 101 RBIs) was the big bat, but on base was the team's forte with 10 hitters putting up OBP above .370. Honorable mention to Garr, Milner, Freehan, Parker, Hunt and Fregosi who were solid all year. I don't see a repeat, but I didn't see this either.

## *The Season Story*

This was one of the most disappointing seasons in my 39 years of Baseball gaming. We had no realistic pennant aspirations but, after six years as a bottom feeder, believed real improvement was at hand. It was not to be as we suffered a complete pitching collapse. I truly believe in 1971 we will achieve full maturity and challenge for a division title. My fingers are crossed!

# BEVERLY Hillbillies

**Manager:** Mike Dickinson (Andrea)

**Age:** 42 **Occupation:** Scientist

## *The Season Story*

The Hillbillies struggled again in their backward march through history losing a total of 99 games. However, the blame for the poor season can't fall at the feet of the offense. Dick Allen will be strongly considered for the offensive MVP of the league. Willie Mays provided a glimpse of the output he'll have as he eventually reaches his prime. Chris Speier put up outstanding numbers as well. The rotation and bullpen proved to be the team's downfall as the team ERA of 5.00 tells you all you need to know. Claude Osteen and Clay Kirby managed to win 11 games each. However Kirby lost 19 and McClain lost 22! The "future" is brighter for the struggling team as players are not starting to fall back into their peak seasons.

# BLOOMINGTON Burning Bunyans

**Manager:** Bob Weisman (Janet)

**Age:** 51 **Occupation:** Meteorology Professor

## *The Season Story*

Bloomington pieced together a sporadic offense, often good starting pitching, and atrocious relief pitching for another mediocre season. Carlos May and a couple of part-timers (Jerry Morales and Carmen Fanzone) were productive, albeit without much power. Steve Carlton was a horse, 4th in the TML in innings pitched, and 2nd in strikeouts, despite a 13-18 record. Ken Holtzman and Stan Bahnsen each recorded 17 wins for their primarily good efforts. However, the bullpen burned many Bunyans this year, led by Pedro Borbon's 12 blown saves in 30 chances, thanks to 33 walks and 13 HR in 89 innings. No member of the bullpen had an ERA less than 4.34. Hope for next year? More like transition with the starting pitching weaker and several bench players returning to their infancy. I'm hoping more of the '60's drug culture will jump start this team.

# CHETICAMP Micmacs

Manager: Eric Rogers

Age: 53 Occupation: Meteorologist

## The Season Story

1972 was a historic regular season for the Micmacs, with the best W-L record in franchise history and their 3rd straight retro division crown. The offense was a steamroller, with 6 regulars over .300, led by Mercer (148 RBI). Morgan and Tolan each stole 60+ bases, more than 13 teams in the entire league! Even unlimited Gene Michael hit over .300! The pitching was solid, with 21 game winner Cuellar and the top 3 relievers (Lyle, Aker, Stephenson) having a combined 23-2 record with 41 saves. However, like some dominating regular season teams, the Micmacs couldn't get the job done in the playoffs, losing in 6 games to a well-balanced Pasadena squad. The '71 edition should still be a strong team, but the end is in sight for this current run. I'll enjoy it while it lasts!

# COACHELLA VALLEY Earthquakes

**Manager:** Mike Landin (Teri)

**Age:** 58 **Occupation:** Retired/Part-time Professor/Softball Player

## The Season Story

The Quakes captured their 10<sup>th</sup> straight Koufax Division title, but once again (for the 6<sup>th</sup> straight season) failed to perform in the post season, making four critical errors in G-7, to lose the Conference Final to a tough Albany squad! During the regular season, the team was stalled at .500 heading into the final Period. Then, the Quakes went on a tear, winning 45 of their final 60 games and pulled away. Bert Blyleven (23-9, 2.76) was the “Ace” of the staff, completing 24 games and tossing 5 shutouts. Jon Matlack was the #2 starter, winning 17 games, leading the TML in CG with 25. Newcomer Ted Abernathy (1.87, 10 RW, 6 SV) was a reliable closer, when needed. Clyde Wright (6-16, 5.84) was on the DMB s\*\*t list all season. Offensively, the team was led by youngsters Cesar Cedeno (.319, 66 EXBH, 113 RC) and Richie Hebner (.330, 21 HR, 100 RC). Rusty Staub (.315), Buddy Bell (.300), Bill Russell (.295) and Bob Watson (.280) balanced out the batting order. Having been brought in for their gloves, Jack Brohamer and Jeff Torborg were solid on defense. This team is getting younger and younger. There is maybe one or two competitive years left before what is going to be a very dismal decade of the 1960s.

# COOPERS POND Braves

Manager: Chick Wade (Debbie)

Age: 62 Occupation: IT Administrator

## The Season Story

The 1972 season was somewhat disappointing for the Braves. The goal was to get into the Series but the manager went dumb and sent out a bad MP for one block which may have cost the O's several games. Regardless, the O's would have had a hard time besting the 116 games won by Cheticamp! Bobby Grich had a great year hitting .351 with 24 HRs and 100 RBIs. Tony Perez backed him, up with a .310 average, 25 HRs and RBIs. Catfish Hunter won 18 games with a 2.61 ERA. Jim Palmer also won 18.

# CORTLAND Red Dragons

Manager: (Jim Pertierra)

Age: -- Occupation: --

## The Season Story

Cortland pulled up the rear in the tough Musial race and that was right on the money. The offense never really caught hold all year as both Thurman Munson and Lou Brock had great seasons but the bats stopped there. Munson hit all year and was one of the top catchers in the TML, as he has been his entire career. Brock look revitalized with his 59 steals and .301 average. He tried to get the offense jumped but was gunned down 29 times. Rick Wise led the pitchers quietly racking up 19 wins for a last place team and was the backbone of a (not) bad staff.

# DULUTH Thundercats

**Manager:** Kevin Tyle

**Age:** 48 **Occupation:** Computer Administrator/Meteorologist

## *The Season Story*

The Thundercats flirted with the .500 mark most of the season, but ultimately fell just short. Offense saw an uptick, and Billy Williams was the clear batting leader (.307 BA, 26 HR, 75 RBI). However there were still too many holes near the bottom of the lineup. Bob Moose (15 W, 1.85 ERA) paced a solid rotation along with Gibson, Timmerman and Arlin, but a weak bullpen allowed a fair number of the starters' efforts to go up in flames.

# HACKENSACK Bulls

Manager: Roy Gorham (Brandy)

Age: 35 Occupation: Engineer

## The Season Story

An improvement of 10 wins from 1973 (from 28 to 38) despite some horrific pitching. Hackensack breaks a TML record by needing 496 relief appearances. Some bright spots were Jim Hickman's 19 homeruns and unlimited Celerino Sanchez hitting .305 in 148 games.

# JOHNSTOWN Johnnies

Manager: (Jim Pertierra)

Age: -- Occupation: --

## The Season Story

More was expected of the Johnnies than what they got. They played up to their numbers at home but barely survived the road all year. Pete Rose had another great season for Johnstown with his 222 hits, .328 BA playing every inning all year. He was aided by Willie Montanez and Nate "The Great Colbert" who had one of the best power seasons in team history. Lay the blame on the pitching staff, which had a rough year. Don Sutton tried mightily but faded when it came down to the games in the Division. With attendance fading and no ownership direction, this franchise might be in trouble.

# MOOSEN Squirrel

Manager: Bill Graham (Cathy)

Age: 62 Occupation: Attorney

## The Season Story

We knew going into the season that it would be a tough year. Albany and Sioux Falls both were looking like good, solid teams. Albany looked to be the stronger of the two and that proved to be true. The Squirrel had decent pitching and good hitting but not enough to keep pace with the Sioux and the Avalanche. At best we could play spoiler. Bottom line, it was a fun season but not a great one. Just as well - if we had made the post season we would have been crushed again in the Conference Championship Series.

# NORTH ADAMS Bevers

**Manager:** Mike Ameen (Beverly)

**Age:** 48 **Occupation:** Restaurant Owner/Softball Coach

## The Season Story

The 1972 version of the North Adams Bevers finished in second place 11 games off the pace with a 84-76 record. The Bevers were led by a good offense and a average at best pitching staff. The team hit a combined .296. Willie Stargell, .300/40/125, Joe Rudi .333/16/96 and Al Oliver .328/11/89 led the way with the ageless one, Roberto Clemente chipping in with a .291 average. On the pitching side the Bevers had a pedestrian team era of 4.00. They were led by Joe Coleman (16 wins, 3.70) and Steve Blass (15 wins, 3.46). The bullpen was anchored by Dave Guisti's 20 saves and a 3.53 era. The 1971 season looks like it might be tough to fight for first in the always difficult Williams division, but that is our goal as always. 2 second place finishes and a third place in the last 3 years (1974, 1973 and 1972) is not enough. We hope to go over the top before the 1970's are complete.

# PASADENA Benjamin Buttons

**General Manager:** Woody Studenmund (Jaynie)

**Age:** 67 **Occupation:** Economics Professor

## The Season Story

Buttons made it back to the World Series after upsetting the two time champ Micmacs before falling to Albany for the title. While not as powerful as past squads, GM Studenmund got the right pieces together and got two Player of the year type performances from Carlton Fisk and John Mayberry. Greg Luzinski continued his tremendous TML hitting and super-sub Tommy Harper shone every time he was put into action. The pitching was very consistent and not showy as all the starters pitched well and had their moments. Truly a group effort. Ron Fairly and trade acquisition Bobby Bonds led the offense all year. Goal now is to keep them and Luis Aparicio healthy. The Past is the future for this team. *(Woody: Under the inspired leadership of field manager Jim Pertierra, the Buttons surpassed all expectations and won the division easily, leading the league in homers and finishing third in runs scored. John Mayberry and Carlton Fisk led the offense, while Jim Barr, Andy Messersmith, and closer Ken Sanders were terrific on the mound.)*

# PENSACOLA Pelicans

**Manager:** Mark Hetterich (Connie)

**Age:** 64 **Occupation:** Program Manager & Instructional Designer

## *The Season Story*

Disappointing season for the Pelicans after several very successful years. The Pelican finished 15th in pitching and 19th in batting out of 20 teams. The team was led by Ken Singleton who hit .278 with 85 rs and 62 bi. Dave Nelson stole 36 bases. The best starter was Phil Niekro with a 10-13 record. Terry Forster with 14 saves and a 1.66 era was the bullpen leader. Next season should even be worse as many of the Pelican veterans had off seasons and Dick Hall was the only good player picked up in the draft.

# SANFORD Browns

**Manager:** Jim Pertierra (Janet)

**Age:** 62 **Occupation:** Supervisor - Johnson Controls

## *The Season Story*

Hard to figure what happened to the Browns as they stayed well below .500 all year in spite of scoring more than they gave up. It looked better at the end as they played .600 ball against the division. No real stopper in the bullpen probably was the key as long time Brown pitching leader Marty Pattin had a solid year as did workhorse Mickey Lolich. Amos Otis continued his spectacularly steady TML career but it looks like the leadership is being passed to young timers Frank Robinson and Al Kaline as he head into the past. Thanks to Mike and Pat for making this journey so much fun!!! Next year, let's play 3!

# RENSSELAER Strikers

Manager: Joe Nocera (Donna)

Age: 37 Occupation: Scientific Programmer

## The Season Story

1972 was a fine season for the Strikers of Rensselaer. The pitching staff led by Milt Pappas (15-5, 2.67 ERA) was solid as expected. The hitting led by Leron Lee (411 OBP, 10 HR, 87 RBI) and Norm Cash (361 OBP, 28 HR, 91 RBI) was much better than expected. Alas, any chance at the postseason will have to wait for the past as the mighty 116 win Cheticamp team dominated the Mays Division in 1972. Rensselaer management thinks they were good in 1971, thanks to a powerful hitting lineup and solid pitching, but in a strong division it might not have been enough to make the postseason.

# SIoux FALLS Fighting Sioux

Manager: Jeff Chapman (Sally)

Age: 46 Occupation: NWS Meteorologist

## The Season Story

An offensively powerful team, the Fighting Sioux despite a 100 win season failed to make the playoffs, coming in second behind an Albany juggernaut. The difference was certainly a poor performance against Sanford. Maybe it was the curse of the Stooges (we're a Curly short right now) as MOE Drabowski dropped 10 games and blew seven saves before demotion from the closer role. Team MVP Willie Davis (.347) and Rod Carew (.339) battled through the year for a batting title, each coming up short. Leading on the pitching side were Gaylord Perry (24 wins) and Nolan Ryan (TML single season record 382 K). The special promotion of Don McLean singing at the 7th inning stretch was a disaster, as pitchers stiffened up during the 15 minute version of "Take Me Out to the Ballgame". Fans beware ... management sees a storm gathering on the horizon ....

# Walla Walla Wombats

Manager: (Jim Pertierra)

Age: -- Occupation: --

## The Season Story

In spite of the finish, it was not a bad year in Walla Walla as the Wombats could compete in the toughest TML division. They couldn't win much, but they hung in. "Sudden Sam" McDowell and Luis Tiant pitched well all year, though Tiant was limited by the nicks of his age but signs are looking good for the past! Ron Fairly and trade acquisition Bobby Bonds led the offense all year. Goal now is to keep them and Luis Aparicio healthy. The Past is the future for this team.

# Stat Key

**RC (Runs Created) = [(A times B) plus C], all divided by D, where**

$$A = H + BB + HBP - CS - GIDP$$

$$B = TB + [.26 \times (BB - IBB + HBP)]$$

$$C = .52 \times (SH + SF + SB)$$

$$D = AB + BB + HBP + SH + SF$$

**RC / 27 outs:** runs created per 27 outs; in other words, the number of runs a player would create if he were to bat in all nine positions in the batting order.

**QS (Quality Starts):** the number of starts in which a pitcher pitches six (6) innings or more and gives up three (3) runs or fewer.

**OAVG:** the batting percentage against each pitcher.

\*\*\*\*\*

**Batting & Pitching Leaders:** the following symbols were used to denote individual accomplishments that were record-breakers:

◆ - **TML Record**

◇ - **Tied TML Record**

**Team Stats:** an asterisk ( \* ) preceding any stat indicates that the player or pitcher led his Association in that stat category; a caret ( ^ ) indicates that the player or pitcher tied for the lead in his Association in that stat category.
