Team single season TML Records were set by Coopers Pond for highest pct. (38-12, .760) in 1-run games and by Hackensack for most walks allowed (831). Coachella's Randy Jones tied (actually, set) the TML mark for most CGs (29) in a season.

The Coopers Pond Braves, having posted a season best record 111 wins, defeated the Coachella Valley Earthquakes in 5 games in the TML World Series to capture their first ever franchise TML Championship and the first for Mgr. Chick Wade. The Braves had taken out the Pensacola Pelicans in 5 games in the Atmospheric Conference Final. It was all about pitching & defense.

ALBANY Avalanche

Manager: Pat Barry

Age: 53 **Occupation:** Financial Analyst

The Season Story

Albany showed signs of life this year, embracing mediocrity and getting to 78 wins. Bobby Grich was the hitting hero with 57 extra base hits and a .408 OBP. Unfortunately Grich is not getting any older and he was dealt to Cooper's Pond in the offseason. Jimmy Wynn launched 23 homers and outfield mates Blair and Garr also had fine years. On the pitching side Jim Barr had a fine year as did relievers Austin, Brewer and Sanders. Starters Jim Perry and Tom Bradley had off years. They ain't what they will be. The offseason was filled with a trading frenzy which might give the Avalanche a chance to best .500. We shall see.

BLOOMINGTON Burning Bunyans

Manager: Bob Weisman (Janet)

Age: 50 **Occupation:** Meteorology Professor

The Season Story

It was another generally successful season, as long as Bloomington likes to be Miss Congeniality to Coopers Pond's World Domination. Dave Parker had an immense offensive year with lots of help from Rick Manning's retirement year, a huge power year from Darrell Porter, and great contributions from Ed Kranepool. New acquisition Rawly Eastwick dominated from the bullpen and Larry Hisle had a great contribution as well. All of this nearly offset the Bunyans' lack of right-hand hitting prowess. The pitching was iffy at times, but enabled me to over manage the bullpen to my heart's content. However, the Bunyan's burning will pining for number 2 as long as Coopers Pond continues to accelerate. I wonder how long it will take for that shipment of Eurasian Milfoil I sent to reach the "Pond."

CHETICAMP Micmacs

Manager: Eric Rogers

Age: 52 Occupation: Meteorologist

The Season Story

The 75 Micmacs had a respectable season, in the hunt for the Mays Division crown until Period 3, when a 1-7 blowout at Bloomington ended all playoff hopes. Joe Morgan had a monster year, hitting .332/.465/.493, leading the league in OBP and steal percentage (41 out of 49). Tom Seaver put up his usual solid numbers (18-14 2.61 ERA) and Hiller/Burgmeier combined for 35 SV, but the rest of the staff was mediocre at best. The 1974 Micmacs appear to be one of the best in franchise history, giving the GM his best chance to win it all (if he doesn't screw it up!).

COACHELLA VALLEY Earthquakes

Manager: Mike Landin (Teri)

Age: 57 **Occupation:** Retired/Part-time Professor/Softball Player

The Season Story

The Earthquakes managed another division title, but got a scare in the Conference Finals, as Moosen nearly came back from down 3 games to none, forcing a 7th game. Randy Jones, the team MVP, was simply “unbeatable” in the latter half of the season and hurled another gem to send the ‘Quakes to their 5th TML World Series in the past (future) 7 years! After trading close victories in the first four games of the TML World Series, Coopers Pond put the hurt on in the final two games. That left Jones in the bullpen, waiting for a 7th game that was not to be. Jones had not lost a game since July and in any other year might have been “Pitcher of the Year” with his 25-6, 2.16 regular season. Bert Blyleven (19-14) fell just short of a 20-win season and was 2nd in Ks (245). The team “run-producer” was the solid and steady Toby Harrah. In the two post-season series, Harrah hit .346 (18/52), with 5 HR, 13 R, 10 RBI, 11 BB and 6 SB. (In a statistically oddity, Tom Shopay batted .500 and came up with -4 RC!)

COOPERS POND Braves

Manager: Chick Wade (Debbie)

Age: 61 Occupation: IT Administrator

TML Champion

The Season Story

The Braves put it together and won the first TML championship for their GM/Manager. They were lead by the outstanding starting pitching of Catfish Hunter who won 27 games. Vida Blue and Jim Kaat also had great years. The defense up the middle was great. With Johnny Bench behind the plate, Mark Belanger at SS, Frank White at 2B, and Cesar Geronimo in CF the Coopers Pond pitchers just had to keep the ball in play to be successful. Going to try to make the 75 championship be a repeat by winning in 74!

DULUTH Thundercats

Manager: Kevin Tyle

Age: 47 Occupation: Computer Administrator/Meteorologist

The Season Story

Another long season for the 'Cats, with few bright spots. One of them was the fact that the team's OPS finally crossed the "Unlimited" line. Boog Powell and Billy Williams still needed a lot of oil to grease their creaky joints; both managed to hit 17 homeruns apiece to tie for the team lead. Pitching was a major problem, with only Steve Busby shining on the hill. Improvement is expected in 1974, but such was the case for 1975 too. Willie Mays may still qualify for a tryout come 1973 . . .

GREAT LAKE Loons

Manager: Mike Dickinson (Andrea)

1974 Team Name Change

Age: 41 Occupation: Scientist

Beverly Hillbillies

The Season Story

Taking over in mid-season the Loons showed a little spark and hung around the .500 mark for a little while until the team showed their true talent level and sunk to the bottom of the division. A lack of quality pitching depth showed through when facing the upper echelon teams in the league. Doug Rau and Claude Osteen shouldered the load in the rotation with help from Clay Kirby and Craig Swan (as they say it is hard to find good help). Jim Todd anchored a thin bullpen. Offensively the team was carried by Von Joshua and Roger Cedeno. Roy Howell and Ed Crosby made unexpected contributions. Now recast as the Beverly Hillbillies, this team has a long road ahead and will hopefully become competitive as the clock turns back to the 1960s in a few years.

HACKENSACK Bulls

Manager: Roy Gorham (Brandy)

Age: 34 Occupation: Engineer

The Season Story

Hackensack had the 5th best offense in the league (5.0 runs per game), but they allowed the 5th most runs in the league (5.2 runs per game) and they finished under .500 for the first time in the retros. Hackensack had to give significant innings to unlimited pitchers Joe Decker and J.R. Richard, who were 1-2 on the walk leader board. George Brett had a nice season, reaching 100 runs and RBIs and passing 3000 hits in TML play. He is now 4th in career hits and has a decent chance of reaching 2nd place in 1974.

JOHNSTOWN Johnnies

Manager: Brandon Rose (Anne)

Age: 57 **Occupation:** Retired

The Season Story

The Johnstown Johnnies continue to struggle offensively and rely on their pitching. The front office has let it be known to the local faithful that the off-season will be dedicated to getting some offense to help the pitching be more productive. Regardless of the Johnnies record the fans still have loads of fun at historic Point Stadium whooping it up drinking IC Light Beer and putting away another record setting amount of hot dogs. General Manager Bob Sefick continues to put on the best fan promotions too with the ring around the bat third to home fan race being the most exciting during every home game. Stay tuned for another exciting season in 1974.

MOOSEN Squirrel

Manager: Bill Graham (Cathy)

Age: 61 Occupation: Attorney

The Season Story

This season was a bit surreal. The 1974 edition of the Moosen Squirrel was not a contender - on paper. No one pitcher or player stood out going into the season. It looked to be another mediocre season finishing third to the Sioux Falls Fighting Sioux and the Cortland Red Dragons. While there were more than a couple of underperformers on the team, the team as a whole performed steadily and scrapped for every win. This was no more apparent than in the Oceanic Conference Playoffs against Coachella Valley. On the brink of losing 4 straight, the Squirrel battled to win Game 4 and go seven games against the mighty Earthquake. Not the best team I've ever had but one of the most memorable.

NORTH ADAMS Bevers

Manager: Mike Ameen (Beverly)

Age: 47 **Occupation:** Restaurant Owner/Softball Coach

The Season Story

North Adams had a solid season in 1975 winning 96 games. Sadly this left us out of the playoffs by 14 games. Being in a division with 2 powerhouses makes the road to the Championship tougher but more challenging. We hope to be up to the challenge in 1974. As for recapping '75 the pitching was great, led by the Cy Young type season of John "The Count" Montefusco finishing 21-9 with a microscopic 1.75 ERA. 5 other starters had double digit win totals; Dobson, Tiant, Fryman, Lonborg and Billingham. This rotation looks strong for the next few years and the team ERA of 3.33 should go lower. On the relief side Tug McGraw saved 37 games and boasted a 1.46 ERA and should receive a lot of support in "Fireman of the Year" Balloting. From an offensive point of view Bill Madlock .322 and Al Oliver .284 103 RBIs led a balanced lineup that is just reaching maturity. We love our lineup going forward and hope that the early '70's are as good to us as it was for our sister team the Pittsburgh Pirates!

SANFORD Browns

Manager: Jim Pertierra (Janet)

Age: 61 Occupation: Supervisor - Johnson Controls

The Season Story

If this team had the hitting to support its pitching.... Oh well, if a frog had wings it wouldn't hit his ass on the ground either. Andy Messersmith and Ferguson Jenkins had fine seasons for the Browns and managed to win 25 and 20 games respectively in spite of an offense that only managed 4 runs a game and had no one hit over .265. No complaints as it was fun but I do wonder what Pasadena could have done with the Sanford pitching or I could have done with the Pasadena offense. Thanks to Mike and to all of you for making this so much fun. Mind boggling that, in a matter of months, we will be planting the seeds for the 60's.

RENSSELAER Strikers

Manager: Joe Nocera (Donna)

Age: 36 **Occupation:** Scientific Programmer

The Season Story

It was another rough season in Rensselaer for the Strikers. The offense was anemic. Darrell Evans (372 OBP, 20 HR, 68 RBI, 92 R) and part-timers Dave May (383 OBP, 9 HR, 37 RBI) and Willie Crawford (351 OBP, 12 HR, 56 RBI) were the only offensive "stars". The starting pitching was a relative strength of the team as Dan Warthen (3.22 ERA), Jim Hughes (3.50 ERA, 11 CG) and Larry Christenson (3.68 ERA, 12 CG) were all solid. The bullpen was shaky. Rick Baldwin had 25 SV, but he also blew 10 save opportunities. The future past looks a bit brighter in Rensselaer. The offense should improve but the pitching still looks weak. Many 11-9 games may lie in the Rensselaer past.

SIoux FALLS Fighting Sioux

Manager: Jeff Chapman (Sally)

Age: 45 Occupation: NWS Meteorologist

The Season Story

Only in my dreams did I think I would have two of the top three HR hitters in the league! Gene Tenace (42) battled with Dave Kingman (40) down to the final series. Pitching, well, it was average, and if you combine this with the second best team by AVG/SLG/SB, a fool would have had a pretty solid bet for a playoff berth for the second straight year. However, a few too many players had read "Fielding the Stooze Way", probably why we cleaned up the basement in fielding again! Gaylord Perry was able to notch his 25th win in his final game. Oh well, there's always last year!

Stat Key

RC (Runs Created) = [(A times B) plus C], all divided by D, where

$$A = H + BB + HBP - CS - GIDP$$

$$B = TB + [.26 \times (BB - IBB + HBP)]$$

$$C = .52 \times (SH + SF + SB)$$

$$D = AB + BB + HBP + SH + SF$$

RC / 27 outs: runs created per 27 outs; in other words, the number of runs a player would create if he were to bat in all nine positions in the batting order.

QS (Quality Starts): the number of starts in which a pitcher pitches six (6) innings or more and gives up three (3) runs or fewer.

OAVG: the batting percentage against each pitcher.

Batting & Pitching Leaders: the following symbols were used to denote individual accomplishments that were record-breakers:

◆ - **TML Record**

◇ - **Tied TML Record**

Team Stats: an asterisk (*) preceding any stat indicates that the player or pitcher led his Association in that stat category; a caret (^) indicates that the player or pitcher tied for the lead in his Association in that stat category.
