Pensacola put up the longest winning streak of 14 straight, not once, but twice, from 6/22-7/8 and from 9/24-10/18. However, the second late-season winning streak was not enough to hold off fast charging Pasadena, who went 32-3 to end their season and overtake Pensacola! Walla Walla had the longest losing streak of 12 straight from 6/21-7/4.

Team single season TML Records were set by Duluth for lowest slugging (.302) and Walla Walla for most walks allowed (789), including a TML BB/9 record by Wombat Steve Barr (7.1 BB/9).

11/6/1976, EQ76-PD76, Fenway Park

The Pasadena Benjamin Buttons, having posted a season best record 115 wins, easily took out the Coachella Valley Earthquakes in 5 games in the TML World Series to capture their 2nd franchise TML Championship and the first for GM Woody Studenmund. The B-Buttons had taken out the Coopers Pond Braves in 6 games in the Oceanic Conference Final.

Manager: Pat Barry

Age: 53 Occupation: Financial Analyst

The Season Story

A horrific first half led to yet another losing season in Albany. Ralph Garr had a fine year but is still trying to remember how to steal bases. Fred Patek was fantastic hitting .295, 50 points above expectations. Grich had 40 doubles and 15 homers. The rest of the team was pretty bad. Wynn had 19 homers but hit .158. The pitching led the 2nd half revival. Jerry Koosman 15-8 2.87 was so good he got traded. Ditto Al Fitzmorris. Jim Barr 13-16 3.12 returns to anchor an old staff. The team continues to “undeconstruct.” Bill Freehan, Jim Brewer and Ken Sanders were added. 1975 looks like another tough year, but maybe by 1974 things turn around. Or soon thereafter

The Season Story

Another miserable season for the Travs at 56-104 only two games better than horrible 1977 season. Things appear to be looking up as DNA tests have revealed that, as they get younger, healthier and less lame, Henry Aaron, Harmon Killebrew, Joseph Torre, Anthony Conigliaro, Thomas John and a few other graybeards have the genetic potential to excel. Only time will tell.

BLOOMINGTON Burning Bunyans

Manager: Bob Weisman (Janet)

Age: 50 **Occupation:** Meteorology Professor

The Season Story

Most importantly, I got married in September and honeymooned in October. Bloomington ended up having too much pitching and too little offense. The offense was in the middle of the pack and lacked pop (low runs scored for the batting avg due to little power and on-base). Larry Milbourne was the unsung star, who ended up batting leadoff, despite being unlimited (couldn't get him on my All-Star ballot). Went into November thinking about contending, but going 1 and Avogadro's number against Cheticamp and Coopers Pond let them win 100 games and got the Bunyans hanging around .500. Leading the league in unearned runs helped sabotage the season. Better hitting in the way back machine, a deeper bullpen, the usual great starting pitching, and not having Garry Templeton should inspire the 1975 Burning Bunyans to have a better year in Metropolitan Stadium, a.k.a., the Foot Locker.

CHETICAMP Micmacs

Manager: Eric Rogers

Age: 52 Occupation: Meteorologist

The Season Story

After playing decent ball for the first two periods, the retro Micmacs caught fire in period 3, reaching the 100 win plateau for the first time in franchise history. Alas, it was not enough to capture the division title as the Micmacs came up two games short of Coopers Pond. Leading the way was outstanding pitching from Tom Seaver (19-9, 2.67 ERA), one year wonder Gary Ross (17-9) and Sparky Lyle (38 SV). The steady offense was led by MVP candidate Joe Morgan (.996 OPS). The 1975 Micmacs looks to be just as good on paper, with an better offense. I'm enjoying the ride while it lasts!

COACHELLA VALLEY Earthquakes

Manager: Mike Landin (Teri)

Age: 57 **Occupation:** Retired/Part-time Professor

The Season Story

Another solid season for the Earthquakes and a trip to the TML World Series after an unexpected sweep of Sioux Falls in the Conference Final. However, they “hit the wall” against powerful Pasadena in the TML World Series. The team boasted a nice balance between offense and pitching in coasting to the Gehrig Division Title. Bob Watson had a terrific year, with a .330 avg and 116 RC, while leading the TML in hits (223). George Foster was the “power” in the lineup, blasting 36 HRs, with 129 RBIs and 103 RCs. Toby Harrah scored 108 runs, batting in front of both Watson and Foster. The pitching staff was led by a trio of 20-game winners, Jon Matlack (22-9), Bert Blyleven (21-10) and Randy Jones (20-11). Bill Travers (16-5, 2.70) was perhaps the best 4th starter in the league. Gene Garber (6 SV, 16 RP) and Kent Tekulve (34 SV, 38 RP) provided late-inning relief.

DULUTH Thundercats

Manager: Kevin Tyle

Age: 46 Occupation: Computer Administrator/Meteorologist

The Season Story

It would have been tough for Duluth to outdo its futility in 1977, and indeed, Duluth improved from a laughingstock to merely a chuckle-inducer. Offense remained non-existent (.220 BA, .591 OPS, 70 HRs total); when Pete Mackannin is your only regular player with double-digit homers, you know you're in trouble. Pitching kept the 'Cats in more games than their offense deserved, with Steve Busby leading the starters, and Adrian Devine, Bob Moose, a surprising Buzz Capra, and Jeff Terpko keeping games close in the late innings. Continued improvement is expected in 1975.

HACKENSACK Bulls

Manager: Roy Gorham (Brandy)

Age: 34 Occupation: Engineer

The Season Story

Hackensack won 91 games, down from 98 the previous year, and the Bulls finished in 2nd place for the 3rd straight season. Hackensack was 5th in the league in runs scored and 12th in runs allowed. Hal McRae, George Brett, Dan Ford, Rick Burleson, Jim Rice, and Lyman Bostock formed a solid backbone for the offense, but the bench was lacking and unlimited Champ Summers had to start 80 games at first base. Dennis Eckersley (20-5) led the pitching staff.

JOHNSTOWN Johnnies

Manager: Brandon Rose (Anne)

Age: 57 Occupation: Retired

The Season Story

The Johnnies once again let some stellar starting pitching go to waste with a lack of offense. Hopefully next season the Johnnies will add some sticks and be more competitive.

MOOSEN Squirrel

Manager: Bill Graham (Cathy)

Age: 60 Occupation: Attorney

The Season Story

The Squirrel pretty much lived up to expectations. We hoped to finish slightly above .500 but wound up 6 games below. Much of that was due to an inability to defeat the dreaded Albany Avalanche. As usual, Pat Barry was at his best as a manager when taking on the Moosen Nine. But as time turns in reverse for the Retro TML American, we expect a rebound perhaps a division title if the Squirrel can fly by the tough Cortland Red Dragons and the Sioux Falls Fighting Sioux.

Will it happen? Don't miss the 1975 Season in which we find out if Jimmy cracks corn and no one cares!

NORTH ADAMS Bevers

Manager: Mike Ameen (Beverly)

Age: 46 **Occupation:** Restaurant Owner/Softball Coach

The Season Story

This years Bevers team was very enjoyable to watch play although we finished out of the playoffs again in 1976. North Adams record was a respectable 87-73 but that was only good enough to finish a whopping 28 games out of first! The Bevers were led offensively by Bill "Mad Dog" Madlock who hit .306 and drove in a team leading 83 RBIs. Bert Campaneris and Mickey Rivers were the fireplugs of the team both hitting in the .290's scoring over 70 runs and stealing 46 and 29 bases. Joe Rudi led the team with 15 home runs. The pitching staff was led by John "The Count" Montefusco who went 21-10 with a 2.93, Jim Lonborg (16-7, 2.63) and Pat Dobson (16-9, 2.97) also put up good numbers. The bullpen featured a great year by Dave LaRoche who saved 29 games and turned in a masterful 1.14 era. The off season hot stove is already burning as North Adams traded for George "The Boomer" Scott to help North Adams continue their climb to the top of their division and the first playoff appearance in 1975. That's the plan , anyway!

PASADENA Benjamin Buttons

Manager: Woody Studenmund (Jaynie)

Age: 66 Occupation: Economics Professor

TML Champion

The Season Story

Under the inspired field generalship of Jim Pertierra, the Buttons made up for our bad luck in 1977 by outperforming our Pythagorean expectations by just enough to win the division. All-time fan favorite Mike Schmidt led the league in runs, RBI, homers, and slugging to lead the team into the playoffs.

SANFORD Browns

Manager: Jim Pertierra (Janet)

Age: 61 **Occupation:** Retired (learning to play the bass guitar)

The Season Story

Excellent pitching with little offense for the Browns in 1976. A leap from 1978 for sure. Enjoyed this team and have great faith that this rookie, Frank Robinson, might have a future as he gets younger. (Thanks Mike, as always, it continues to be a blast.)

RENSSELAER Strikers

Manager: Joe Nocera (Donna)

Age: 36 **Occupation:** Scientific Programmer

The Season Story

It was a dreadful season in Rensselaer for the Strikers. There was little offensive production and little quality pitching to speak of. Part-timers Willie Crawford (.840 OPS) and Bob Bailey (.859 OPS) provided some occasional pop. The Striker bullpen was horrid as they blew 23 out of a possible 42 save opportunities. The future past doesn't look much better in Rensselaer as more seasons of struggle lie behind.

SIoux FALLS Fighting Sioux

Manager: Jeff Chapman (Sally)

Age: 44 Occupation: NWS Meteorologist

The Season Story

An adequate representation of the average team. Followed the same recipe for success using great speed (200 SB/North 79 SB) and a staff which led the league in whiffs (991/Ryan franchise record 337K) each for the 2nd straight year. Carew with a year less under the belt followed uh...preceded his MVP run with another solid offensive campaign. However, he also did abide by the teachings of fielding coaches Larry, Curly and Moe. For a team so average, the playoff berth was both unexpected and welcomed! Too bad the starters racked up an 11.17 ERA and the Sioux Uprising of '76 was squashed by the Earthquakes. Perhaps this shellacking was the birth of the great Rocky Mtn./Toxic Waste rivalry of the future? (These time paradoxes make my head hurt)

TENNESSEE Vols

Manager: John White (Diane)

Age: 66 Occupation: Superior Lamp (sells the world's best light bulbs)

The Season Story

Won 64 games, but still finished 51 games out of first place in division. Decent pitching, poor hitting. Vols need more hitting. When Oliva, McCovey and Jackson start hitting, things will change!

Walla Walla Wombats

Manager: Bryan Sakolsky

Age: 43 **Occupation:** Financial Advisor/Personal Trainer

The Season Story

Not a lot to say for the Wombats in 1976, it was a very long season. The offense had very little to show. Willie Stargell let the team with 17 HRs and tied Robin Yount for the RBI lead with a mere 59. Glenn Burke stole 33 bases. Pitching was even worse as the team had THREE 20 plus game losers in Pat Darcy, Rick Langford and Ken Reynolds. Jim Bibby led the team with a 3.30 ERA, not a single other started had an ERA below 5.50.

Stat Key

RC (Runs Created) = [(A times B) plus C], all divided by D, where

$$A = H + BB + HBP - CS - GIDP$$

$$B = TB + [.26 \times (BB - IBB + HBP)]$$

$$C = .52 \times (SH + SF + SB)$$

$$D = AB + BB + HBP + SH + SF$$

RC / 27 outs: runs created per 27 outs; in other words, the number of runs a player would create if he were to bat in all nine positions in the batting order.

QS (Quality Starts): the number of starts in which a pitcher pitches six (6) innings or more and gives up three (3) runs or fewer.

OAVG: the batting percentage against each pitcher.

Batting & Pitching Leaders: the following symbols were used to denote individual accomplishments that were record-breakers:

◆ - **TML Record**

◇ - **Tied TML Record**

Team Stats: an asterisk (*) preceding any stat indicates that the player or pitcher led his Association in that stat category; a caret (^) indicates that the player or pitcher tied for the lead in his Association in that stat category.
