The Season Story

The team was young and getting younger. It was time to begin a “debuilding” program in earnest. Jim Rice and Al Bumbry were shipped away while they could still shave and predictably the team tanked. There were few bright spots, but Dan Meyer .339 27 HR 102 RBIs might have driven in 150 runs on a better team. Ralph Garr hit .300 and Larry Biittner was solid, but that was it for the offensive highlights. Claudell Washington was a malcontent and underperformed. He was sent packing at season's end. The team pitching is summed up by the fact that the ERA leader was Wayne Twitchell, yes THAT Wayne Twitchell, with an ERA of 4.02. Koosman underperformed by 2.5 runs, the horror. On the plus side old timers Fregosi and Wynn are getting younger and the draft produced grizzled veteran Bill Freehan. So eventually this team will rise. But when?

ARKANSAS Travelers

Manager: Bill "Willie" Jelks (Lynda)

Age: 67 **Occupation:** Retired USAF Flyboy

The Season Story

Travs improved by 12 games from there disastrous 118 loses in 1978. We think that we see a small light at the end of a very long tunnel however. The crystal ball indicates MUCH improved pitching on the emergence and better offensive production shortly thereafter. Travelers expect perhaps 70 wins in 1976 and maybe .500 in 1975. After that, hopefully contender status. Time will tell.

BLOOMINGTON Burning Bunyans

Manager: Bob Weisman (Janet)

Age: 50 **Occupation:** Meteorology Professor

The Season Story

The Bunyans did not appear to be burning as brightly as they did last year, but accomplished more. They finished the season 14 games over .500 in the division to finish with 95 wins. The pitching dominated. Paul Splittorff was the most effective starter for the second straight year (17-8 3.09 ERA) and the bullpen, led by a fine season by Lerrin LaGrow, ran up 54 saves, a league high. The offense was inconsistent. Platoon players like Bruce Bochte, Ed Kranepool, and Carlos Lopez were key. The great pitching and sporadic offense were good enough to give annoying manager Bob Weisman a second division title, and a personal high 95 wins, but a quick 4-1 playoff loss to Pensacola.

CHETICAMP Micmacs

Manager: Eric Rogers

Age: 52 Occupation: Meteorologist

The Season Story

A respectable second place finish for the retro Micmacs in 1977. A decent but not spectacular offense led by team MVP Joe Morgan, Reggie Smith and Steve Garvey could not overcome a thin rotation behind Tom Seaver (18-11, 3.24 ERA) and a two man (Lyle and Hiller) bullpen. The highlight of the season was Seaver's crafty Perfect Game against Coopers Pond. The 1976 Micmacs have a solid rotation, three solid guys in bullpen (Lyle, Hiller, and Burgmeier), and a decent offense with some few holes (catcher, for example), that should lead to an improved record.

COACHELLA VALLEY Earthquakes

Manager: Mike Landin (Teri)

Age: 57 **Occupation:** Retired/Part-time Professor

The Season Story

This may have been the best team I have ever managed, complete with solid hitting, defense and pitching. The only thing stopping the Earthquakes from a “reverse-three-peat” was “Lady Luck.” Their luck ran out in Game 6 of the Conference Final against Cortland and did not return. During the regular season, the offensive duo of George Foster (.313, 43 HR, 151 RBI, 132 RC) and Mitchell Page (.323, 26 HR, 50 SB, 139 RC) led to the 100+ win total. The clutch-hitting Foster set a TML Record with 28 GW-RBI. The pitching staff was led by 20-game winners, Lary Sorensen (24-11, 3.24) and Doyle Alexander (22-9, 3.22). Anchoring the rest of the starting staff were Fernando Arroyo (18-6, 2.93), Jon Matlack (14-9, 3.08) and Bert Blyleven (16-11, 3.17). Kent Tekulve (4-1, 1.76) and “Fireman of the Year” Gene Garber (5-3, 39 SV, 44 RP, 2.39) saved many victories.

The Season Story

CP is still trying to reach the .500 mark, but major improvement expected in 1976. Bench had a great year and both Tony Perez and Roy white had solid years. Clay Carroll had 15 wins and 25 decisions in the pen! So lots of games were decided late. Also, Darryl Knowles had a great year out of the pen.

CORTLAND Red Dragons

Manager: George Mowry

Age: ?? Occupation: ???

The Season Story

The Red Dragons played great over the second half of the season and edged out Moosen by 1 game to win the division. The fire-breathing Dragons then wore out the Earthquakes in the Conference Final, winning in 7 games, as their starting pitching strength showed itself. The Red Dragons held their own in the TML World Series against the powerhouse Pensacola team, but the bullpen blew some crucial late leads. Still, a fine season. The batting star all year and into the post season was part-time, clutch-hitting Cliff Johnson (.320, 30 HR). As noted, pitching was their strength, leading the TML with a 3.08 team ERA. Steve Rogers (22-11, 2.53) was the “Ace” of the staff. He was supported by Reggie Cleveland (13-9, 2.86), Jim Slaton (14-11, 2.90) and Jesse Jefferson (17-13, 3.26). Ron Reed (38 SV, 41 RP) was an effective stopper out of the pen.

DULUTH Thundercats

Manager: Kevin Tyle

Age: 46 **Occupation:** Computer Administrator/Meteorologist

The Season Story

The keyword for the season: "Unlimited". Appropriate, given that the team's OPS (.579) and ERA (4.44) both would qualify as unlimited! The team hit below the Mendoza line (.215), trailing the next lowest team batting average by an amazing 32 percentage points! Keith Hernandez led the team in all offensive categories as he played in all 160 games; were it not for Keith, the team would have had a hard time hitting .200 overall. Adrian Devine and Bob McClure were bright spots in relief, with the former saving 26 games. Things look to be similarly bleak on the shores of Lake Superior as we re-celebrate the bicentennial year!

HACKENSACK Bulls

Manager: Roy Gorham (Brandy)

Age: 34 **Occupation:** Engineer

The Season Story

The Hackensack Bulls were a very competitive team in 1977, finishing with a 98-62 record - 4th best in the league. Unfortunately, they finished 2nd in the Koufax division behind Coachella and missed the playoffs. The Bulls were led offensively by: Lenny Randle, .330 avg (5th), .413 obp (5th), 14 3bs and 32 sbs; Lyman Bostock, .321 avg (7th), 13 3bs, and 17 hrs; Eddie Murray, .307, 29 hrs; George Brett, .302, 28 hrs; and Jim Rice, 36 hrs. A trio of pitchers led the Bulls staff: Dennis Eckersley, 2.96 (6th), 18-11 W/L, 199Ks (7th); John Garland, 3.46 21-9 W/L (6th; and JR Richard 3.98, 18-9 W/L, 216 Ks (3rd). All in all, a very good season in Hackensack.

JOHNSTOWN Johnnies

Manager: Brandon Rose (Anne)

Age: 57 **Occupation:** Retired

The Season Story

The Johnnies are a team looking to NEXT year. Some disappointing performances in 1977 derailed the Johnnies attempt to take a step forward. With a decent core of players the 1976 season looks brighter.

MOOSEN Squirrel

Manager: Bill Graham (Cathy)

Age: 60 Occupation: Attorney

The Season Story

The 1977 edition of the Moosen Squirrel showed great promise. Improving over the 1976 season, they are poised to make great strides in 1978. In fact, I predict they will win their division next year. Burt Hooton looks to improve, and Dusty Baker and Ron Cey should improve upon their solid seasons this year. The Squirrel played solid ball all year long, but at the end of the season, they could not withstand the Red Dragons, a team whose fiery breath Moosen could feel on its back all season long. Congrats to Cortland and we'll see you next year.

NORTH ADAMS Bevers

Manager: Mike Ameen (Beverly)

Age: 46 **Occupation:** Restaurant Owner/Softball Coach

The Season Story

The North Adams Bevers had a forgettable season in TMLAM1977. With a record of 65-95 the Bevers completed their 2nd sub-500 season in a row and hope to change that trend moving forward (or backward as is the case with league). The Bevers were led by Bobby Bonds (.281/39/104) and Chris Chambliss (.293/20/98). Bonds also scored 119 runs leading an anemic Bever offense which hit a weak .272 as a team. The pitching staff which ended the year with a 5.28 team era and 6 wins being the most from any starter (Tiant) was at its best mediocre and at its worst terrible. Its one bright spot was Jim Willoughby who put in a surprising 2.96/12 win season from the bullpen. With some young (or old) draft picks coming in TML76 and 75 the management of the Bevers is hoping to turn the tide in the few TML seasons and hopes to play for a Championship before their demise in TML1971. There is a long road ahead for that to happen but it needs to start now.

PASADENA Benjamin Buttons

Manager: Woody Studenmund (Jaynie)

Age: 65 **Occupation:** Economics Professor

The Season Story

Despite a monster offense that almost broke the league records for team runs and homers, the Buttons had a disappointing year. The reason? Not one of our starting pitchers came close to his real life performance: Fidrych (TML: 4.89; MLB: 2.89), Figueroa (4.71 ; 3.58), Goltz (4.34 ; 3.36), Guidry (3.60 ; 2.82), Niekro (4.90 ; 3.03), Torrez (5.13 ; 3.86).

SANFORD Browns

Manager: Jim Pertierra (Janet)

Age: 60 **Occupation:** Retired (learning to play the bass guitar)

The Season Story

Well it was better than last year but then again, what wasn't? The Sanford pitchers deserved better than the Sanford hitters. That all being said, it was a lot of fun. The only frustrating thing was not being able to figure out how to get Bump Wills to try stealing more. Of course, he had to get to first to do that though, didn't he. 1976 should be more of the same but the addition of all time favorite Frank Robinson should toughen up the clubhouse. Baylor and Robinson will be hanging out over the plate daring you to come inside. (Thanks Mike and Pat for all the hard work. This IS working well, isn't it?)

RENSSELAER Strikers

Manager: Joe Nocera (Donna)

Age: 36 **Occupation:** Scientific Programmer

The Season Story

The season went pretty much as expected in Rensselaer. The pitching was atrocious. The lone bright spot was reliever Rick Baldwin (3-2, 3.08 ERA, 4 Sv). He was the only Rensselaer pitcher with a sub-4 ERA. The offense generally exceeded expectations led by the anti-aging Andre Dawson (28 HR, 110 RBI, 27 SBs) and speedster Gene Richards (125 R, 50 SB). The past looks to only get worse in Rensselaer as the roster will be decimated by youthfulness.

SIoux FALLS Fighting Sioux

Manager: Jeff Chapman (Sally)

Age: 44 Occupation: NWS Meteorologist

The Season Story

Even Steven. Almost finished .500. The team was offensive, both at the plate AND on the mound. Finished 4th in team batting (.285/.446), excelling in the most exciting play in baseball in finishing 2nd in triples. Fans were also entertained with a batting title chase up to the final series, with Carew finishing a close second. On the mound, a disappointing year for the Ryan Express (tied franchise record for K's), and a big year for the ageless Gaylord Perry who failed at the final game to win his 20th. The staff lead the league in whiffs, but then allowed the most walks as well. The Sioux swiped the most bases, but their wild ways would lead to the most caught stealing as well. Jimmy Carter/Anita Bryant peanuts and OJ night was a huge success.

Walla Walla Wombats

Manager: Bryan Sakolsky

Age: 43 **Occupation:** Financial Advisor/Personal Trainer

The Season Story

A decent season for the Wombats coming off years of struggle (note to Mike: do you like the foreshadowing of doom? [Ed. Note: Yeah ... very prophetic!]) Offense was led by Ron Fairly .297/.348/.519 with 26 HRs and Robin Yount's breakout year with .289/.338/.447 and 16 HRs. Pitching had only one pitcher, closer Mark Littell, with an ERA less than 4.00 to go along with 27 saves. Eric Rasmussen led the staff with 13 wins. It is a sign of the future for the Wombats, it looks very, very bright.

Stat Key

RC (Runs Created) = [(A times B) plus C], all divided by D, where

$$A = H + BB + HBP - CS - GIDP$$

$$B = TB + [.26 \times (BB - IBB + HBP)]$$

$$C = .52 \times (SH + SF + SB)$$

$$D = AB + BB + HBP + SH + SF$$

RC / 27 outs: runs created per 27 outs; in other words, the number of runs a player would create if he were to bat in all nine positions in the batting order.

QS (Quality Starts): the number of starts in which a pitcher pitches six (6) innings or more and gives up three (3) runs or fewer.

OAVG: the batting percentage against each pitcher.

Batting & Pitching Leaders: the following symbols were used to denote individual accomplishments that were record-breakers:

◆ - **TML Record**

◇ - **Tied TML Record**

Team Stats: an asterisk (*) preceding any stat indicates that the player or pitcher led his Association in that stat category; a caret (^) indicates that the player or pitcher tied for the lead in his Association in that stat category.
