Lee May ended the longest game of the season, with a 2-out, GW-bases-loaded single in the bottom of the 25th!

May and June were streaky months for a few teams. Coachella Valley strung the longest winning streak of 12 from 5/22-6/4. Walla Walla went 19-1 from 5/21-6/12. Arkansas had the longest losing streak of 14 from 5/20-6/4, and was only 2-31 from 5/12-6/18.

11/8/1978, RS78-EQ78, County Stadium

The Coachella Valley Earthquakes, having escaped in 7 games against the Moosen Squirrel in the Oceanic Confernce Final, beat the Rensselaer Strikers in 6 in the TML WS, behind two straight CG efforts by Lary Sorenson and Bert Blyleven. For Manager Mike Landin, it was his 4th TML Championship and 5th for the franchise. In the crazy world of TML Retro, Coachella Valley reverse-defended their TML 1979 Championship (known then as the Boulder Livingjas).

ALBANY Avalanche

Manager: Pat Barry

Age: "21" Occupation: "College Student; Park Attendant"

The Season Story

Jim Rice's MVP season was wasted on the likes of this young Albany squad, many of whom are about ready to go back to high school to take the algebra they've already forgotten. Veterans Ralph Garr and Freddy Patek seem to have found a step and had a decent percentage stealing bases. Jason Thompson silenced rumors that he would soon be a washed up rookie by enjoying a fine year at the plate. Nevertheless, given his age, the start appears near. Bobby Grich enjoyed a nice year as he returned to his prime. On the pitching front veteran Jerry Koosman tried to provide leadership to a youthful staff that appeared to be on their first legs, but it wasn't enough to make a difference. All in all it added up to 72 wins, about 6 below expectations. The team seems destined for a tough go of it for a few years. Giving hope, is the signing of over the hill retirees: Jimmy Wynn, Jim Fregosi, George Mitterwald and Ken Boswell. Scouts and the players themselves insist that they were good players when they were younger. We shall see. Thanks to Jim and Mike for getting this great project ended!

The Season Story

Huge rebuilding year that will continue for a season or two. Sixto Lezcano, Jorge Orta and Cecil Cooper had nice offensive years BUT the team ERA was 5.62 with Preston Hanna chalking up a 3-25 record and getting cut in the off-season for his sterling effort. One pitcher, 35 year old Tommy John, looked promising.

BLOOMINGTON Burning Bunyons

Manager: Bob Weisman (Janet)

Age: 49 Occupation: Meteorology Professor

The Season Story

1978 or 2009, it was the same thing (games played within months). 94 wins, just falling short of making the playoffs. This time, it came down to a late season series with Rensselaer and it wasn't close. The Strikers hot footed around the Bunyans by taking 6 of 8 games. The Bunyans had great pitching, led by Paul Splittorff, Randy Jones, Steve Carlton. Dave Parker led the league in hitting, but there were too many at bats by the Rob Picciolos and Rick Mannings of the world. Looks like Bloomington pitching will continue to require podiatrists through the wormhole, but hitting could continue to provide calomine lotion to opposing pitchers.

CHETICAMP Micmacs

Manager: Eric Rogers

Age: 51 Occupation: Meteorologist

The Season Story

A truly forgettable inaugural season for the retro Micmacs. The hitting was mediocre as they couldn't get on base or hit for power (100 HR, .702 OBS). Mimicking their real-life counterparts, they had the worst fielding in the league with 191 errors (thank you, Butch Hobson), which lead to 107 unearned runs. The 1977 addition appears to have more punch at the plate and better fielding.

COACHELLA VALLEY Earthquakes

Manager: Mike Landin (Teri)

Age: 57 Occupation: Retired/Part-time Professor

TML Champion

The Season Story

After a slow start at home (10-10), the Earthquakes put it together and ran away with the Koufax Division. In the playoffs, the 'Quakes were tested in 7 games by Moosen and then beat Rensselaer in the World Series in 6, to reverse-defend the franchise's 1979 TML Championship! The 'Quakes had the 2nd most potent offense in the TML, but it was their top ranked pitching staff the made the difference. The staff was led by a trio of 20-game winners in Jon Matlack (23-7), Lary Sorenson (22-9) and Bert Blyleven (20-7). Kent Tekulve, while a bit shaky at times (7 L, 8 BS), saved 31 games. The big bats on offense were provided by George Foster (46 HR, 123 RC), Larry Hisle (41 HR, 120 RC) and Mitchell Page (23 HR, 110 RC).

DULUTH Thundercats

Manager: Kevin Tyle

Age: 46 Occupation: Computer Administrator/Meteorologist

The Season Story

The only suspense that the Thundercats had was whether they would finish over .400 ... and alas, they fell one game short. Along with Larry Parrish, Dave Winfield was the only offensive player of note, and his reward was to escape the chilly Superior shores for the quaking ground of Coachella. Omar Moreno's 61 stolen bases were not enough to hide his sub .600 OPS. The surprise hurler was Mike Parrott, and a few more starts by him might have taken the Cats above .400. "Last" year does not look to be any better . . . this team ain't getting any older . . .

HACKENSACK Bulls

Manager: Roy Gorham (Brandy)

Age: 34 Occupation: Engineer

The Season Story

The Bulls were an excellent defensive team, which led to a 2nd best runs allowed per game. This can be seen in an opposition .247 average for balls in play, easily the best in the league. The Bulls also had the top 3 starting pitchers in opposing batting average. Hackensack was hampered by an average offense, and they finished 22 games out of first place. Individually, Dennis Eckersley finished 2nd in the league in ERA and J.R. Richard led the league with 301 strikeouts. Helped by their home stadium, the Bulls finished 2nd in the league in doubles and triples, but they finished last in the league in homeruns.

NORTH ADAMS Bevers

Manager: Mike Ameen (Beverly)

Age: 46 **Occupation:** Restaurant Owner/Softball Coach

The Season Story

North Adams played well at times but over all it was a disappointing season. The Bevers were led at the plate by Bobby Bonds (31 hr's) Fred Lynn (24 hr's) and Mickey Rivers (.293 Bat Avg and 22 SB's). The pitching staff was led by Luis Tiant (13 wins, 2.80 era) and John Montefusco (13 wins, 4.44 era). The bull pen was anchored by Dave LaRoache (1.99 era, 17 saves), Randy Moffitt (2.39 era, 15 saves) and Tug McGraw (2.57 era). With a few trades and draft picks going into 1977 North Adams hopes to improve their win-loss record and be more competitive in the coming TML years.

PASADENA Benjamin Buttons

Manager: Woody Studenmund (Jaynie)

Age: 65 Occupation: Economics Professor

The Season Story

The Buttons, under capable field general Jim Pertierra, dominated the league during the regular season and even outplayed my expectations (and Bill James' Pythagorean predictions) to win 114 games. Then, unfortunately, we fell flat on our faces in the playoffs.

PENSACOLA Pelicans

Manager: Mark Hetterich (Connie)

Age: 62 **Occupation:** Program Manager & Instructional Designer

The Season Story

The Pelicans completed a very successful season. Unfortunately for the Pelicans, they are in the same division as the Pasadena Benjamin Buttons, the team with the best record in the league in 1978. Hitting and pitching were both solid in 1978, but the pen did not perform as expected. The Pelicans will be a contender in 1977, with a .274 team avg (rank 6th) and a 3.68 team ERA (rank 3rd) - but again behind the 2nd ranked Button offense and top ranked Button ERA.

RENSSELAER Strikers

Manager: Joe Nocera (Donna)

Age: 35 Occupation: Scientific Programmer

The Season Story

Rensselaer fans were overjoyed by the unexpected success of their young team this season. A team of part-time specialists including Bruce Bochy (191 ABs, 393/13/35) and Danny Goodwin (53 ABs, 575 OBP) along with the power bats of Jack Clark (25 HR, 105 RBI) and Andre Dawson (30 HR, 107 RBI) and the workhorse pitching of Larry Christenson (16 W, 3.08 ERA, 23 CG), Bob Knepper (19 W, 3.15 ERA, 19 CG) and Dennis Leonard (23 W, 3.48 ERA, 23 CG) led the Strikers all the way to the TML World Series where they fell in 6 games to the mighty Coachella franchise. The next couple seasons will be rough in Rensselaer as the team tries to rebuild. \$0.50 beer night may be on tap in order to fill the seats.

SANFORD Browns

Manager: Jim Pertierra (Janet)

Age: 60 Occupation: Retired

The Season Story

Not a lot to talk about with the Browns. From the 2nd best record in 1979 to the 2nd worst record in 1978 it was a roller coaster ride for the Browns. If we continue this way, the Browns will be in line to draft their name sake in 1966!! Don Baylor and Dave Concepcion had nice years as did fan favorite Amos Otis. The pitching was not much to talk about but was not horrible. Not enough hitting or bullpen. All in all however, it was a ball.

SIoux FALLS Fighting Sioux

Manager: Jeff Chapman (Sally)

Age: 44 Occupation: NWS Meteorologist

The Season Story

One thing for sure, the Fighting Sioux was the best at mediocrity! Some pretty shoddy fielding was just the right mix with mealy pitching and better than average hitting at times to win some surprising games, and at other times rank just above pathetic. The offense was paced by MVP candidate Rod Carew (.343/.442/.416), the defense by ironman...err...stoneglove Frank Taveras (44 errors). Sioux legends speak of the renewal properties of the natural spring in center field, making one regress in years and play the games in a more youthful manner. Perhaps in 3 or 4 years, this team will contend!

Johnstown Johnnies

The Season Story

The Dodgers pressed the Earthquakes for a while early on, but faded to a solid 3rd place finish in the Koufax Division. The Dodgers had one of the top offenses in the TML, but the pitching was not consistent or deep enough to be a real contender. Don Money and Eddie Murray led the strong offense. Ron LeFlore stole 50 bases and scored 120 runs. Jim Palmer (18-13, 3.39) emerged at the "Ace" of the staff. Al Hrabosky saved 31 games, but also had 6 losses and 7 blown saves.

Walla Walla Wombats

Manager: Bryan Sakolsky

Age: 43 **Occupation:** Financial Advisor/Personal Trainer

The Season Story

A disappointing late season collapse ruined the season for the Wombats. Despite a .525 winning percentage, which would have been good enough to finish 2nd in two of the four divisions, it was only good enough for 4th place in the Mays. The offense featured four .300 hitters in Robin Yount (.338), Art Howe (.321), Chester Lemon (.308 with an OPS of .939) and Steve Henderson (.304). Pitching was the downfall, Matt Keough paced the rotation with a 15-11 3.78 result and Victor Cruz had 23 saves.

Stat Key

RC (Runs Created) = [(A times B) plus C], all divided by D, where

$$A = H + BB + HBP - CS - GIDP$$

$$B = TB + [.26 \times (BB - IBB + HBP)]$$

$$C = .52 \times (SH + SF + SB)$$

$$D = AB + BB + HBP + SH + SF$$

RC / 27 outs: runs created per 27 outs; in other words, the number of runs a player would create if he were to bat in all nine positions in the batting order.

QS (Quality Starts): the number of starts in which a pitcher pitches six (6) innings or more and gives up three (3) runs or fewer.

OAVG: the batting percentage against each pitcher.

Batting & Pitching Leaders: the following symbols were used to denote individual accomplishments that were record-breakers:

◆ - **TML Record**

◇ - **Tied TML Record**

Team Stats: an asterisk (*) preceding any stat indicates that the player or pitcher led his Association in that stat category; a caret (^) indicates that the player or pitcher tied for the lead in his Association in that stat category.
