The Major League

TML 1997

By Mike Landin

Our 19th season ran like clockwork. The "TML Central BBS" was flawless and ever ready to accept auto-managers and completed series stats. The TML BBS continues to make life very easy for your Statistician and Commissioner. The TML Web Page, which was updated nearly every day throughout the TML season, provided a lot of enjoyment to all in following the day-to-day action.

In keeping with tradition, here are the members with at least 10 years of membership in the TML: Mike Landin(19), Mark Hetterich(18), Joe Steinmetz(17), Mike/Tom Kopp(16), Bob Weisman(16), Larry Rumsey(15), Eric Rogers(14), Mike Short(13), Bryan Sakolsky(13) and Bill Graham(12). The Rumseys and Mark Hetterich regret that this was their last season. Best of luck!

The Year In Review

TML97 saw the Albany Avalanche franchise record its 3rd TML Championship and became only the 3rd team to record back-to-back TML Championships. The previous two repeat Champs were **Sherlock** (1988,1989) and **Walla Walla** (1990,1991). Albany joins **Crimea**, **Walla Walla** and **Toxic Waste** with three TML Titles. Albany Manager Pat Barry will attempt an unprecedented 3rd straight title in TML98 and would become the first manager with three titles. In the opening round of the playoffs, the Albany Avalanche, down 3 games to 2, fought back to defeat Midwest in 7 games. In similar fashion to last season, the Avalanche then snowballed their way past both **Crimea** and **Mordor**, both in just 5 games, to successfully defend their TML Championship. Congratulations, Pat! Congrats also go out to Phil Schumacher for being the first expansion team to make it to the TML World Series!

Robinson Division

The Albany Avalanche were in first place at the end of April and then trailed the **Crimea River** for the rest of the season, finishing 4 games out. **Crimea** tallied 119 victories, just two shy of the TML record held by **Pensacola**(1994). The rest of the division was out of the playoff picture by the end of April! 'Skayuna and Colonial flip-flopped between 3rd & 4th, while **Thunder Bay** and **Cooch's** settled to the cellar, over 55 games out. **Crimea** led the TML in both team batting (.286, 251 HRs) and pitching (3.14), and shattered the TML record for strikeouts (1432, 8.9 K/9 IP). **Crimea's Randy Johnson** (21-3, 2.27) was voted the "Pitcher of the Year." **Crimea's David Cone**(21-4) also joined the 20-win Club. **Crimea's Craig Biggio** tied the TML record for runs scored with 171. Albany scored over 1000 Runs and was led by "Player of the Year" **Larry Walker** who made a bid for the "Triple Crown". **Walker** (.375, 53 HRs, 182 RBIs) ended up leading the TML in most offensive categories (AVG,SLG,OBP,H,RBI,2B,TB,IBB,RC, RC/27), most impressively setting the TML record for Runs Created with an incredible 201. **Albany's Mike Remlinger** tossed a no-hitter in October. **Colonial's Sammy Sosa** approached the TML Record for whiffs with 190. **Cooch's Matt Beech** chased his own TML Record of 63 HRs allowed, giving up 54 more long balls this season! **Colonial's Wade Boggs** is just 147 hits shy of 3000 career hits. In addition to **Philadelphia's Paul Molitor** (see below), the most likely inaugural entrant into the "TML 3000 Hit Club" will be **Cooch's Tony Gwynn**, who is just 17 hits shy of the milestone.

Ruth Division

After a rather slow start, the **Midwest Mad Dogs** took over first place in May, opened up a 7 game lead in the Summer Stretch and never looked back. The **Philadelphia Blue Jays**, once as low as 5th place, really put it all together in the final two months to finish over a dozen games ahead of **Southern Cal** and **Walla Walla**. **Pensacola** and **Coldwater** remained near the cellar all season long. **Midwest** was led by 20-game winners **Justin Thompson(22-6)** and **Alex Fernandez(20-7)**. The team offensive leader was **Moises Alou(.327, 23, 92)**. **Midwest** did set a team TML Record of 1178 whiffs by their hitters. **Philadelphia** made the playoffs for the first time in 10 years, thanks to two franchise veterans, **Molitor** and **Roger Clemens**. **Molitor(.363, 13, 80)** led the **Jays** offensively and is just 31 hits shy of 3000 for his career! **Clemens(20-9, 2.50)** took over the TML career lead in Victories(207), Complete Games(154) and Innings Pitched(3332). He will likely pass **Nolan Ryan** in Strikeouts and Games Started in TML98.

Gatto Division

After trading places all season, the **Ghostwood Pine Weasels** and the **Mordor Marauders** ended up tied for first, with 94 wins! The remainder of the division remained in exact order of finish all season long, that is **Mansion Hill**, **Tasmania**, **Beverly** and **Worcester**, the latter setting TML Records for *futility* with 129 losses, lowest team batting average(.216), fewest walks drawn(306), highest ERA(6.27), least complete games(2), least shutouts(1) and most runs allowed(1079). **Ghostwood** was led offensively by its own "Big Three", **Jim Thome (.259,32,79)**, **Juan Gonzalez(.307,46,114)** and **HR Champ, Ken Griffey, Jr.(.314,60,168)**. **Ghostwood** had 5 pitchers with 12+ wins. **Mordor's** offense was led by **Raul Mondesi(.292,31,132)** and **Eric Karros(.283,32,122)**, while **Denny Neagle(21-6)** and **Andy Pettitte(18-11)** anchored the pitching. **Mordor** also led the TML in Fielding(.985). **Beverly's Desi Relaford** set a TML Record for Triples(30) and **Beverly** set a TML Record for most games relieved(358), set last season by **St. Cloud**. **Mansion Hill's Brad Radke** tossed a no-hitter.

Gehrig Division

The **Cheticamp Micmas** surfaced from a tense battle with 2nd place finisher **Toxic Waste** and 3rd place finisher **Oklahoma**. This three-way battle came down to the final games. **Cheticamp** was led by **Ace Darryl Kile(26-3, 2.75)**, **Tom Glavine(18-9, 3.30)** and "Fireman of the Year" **Doug Jones(1-3-50-51)**, who set a TML Record for Saves(50). **Kile** ended up 1 win short of the TML Record. Leading the **Micmacs** offensively were **Frank Thomas(.325,36,129)** and **Dante Bichette(.311,33,133)**. **Toxin** pitching Ace **Greg Maddux(20-5, 2.60)** notched his TML Record 6th consecutive 20-win season! **Toxin** offensive leader for the 2nd straight year was **Vinny Castilla(.320,45,123)**, while teammate **Mark McGwire's** 50 HRs (367 career) moved him up to #6 on the career HR list and #2 active (17 behind #3, **Rockford's Barry Bonds**). **Toxin Brian Hunter** led the league in stolen bases(57), including a league-leading 4 steals of home. **Oklahoma's Curt Schilling** won the TML Strikeout Crown with 332. **Rockford** now holds the TML Record for Most 1-Run Games (73/TML82) and now, Least 1-Run Games (32).

TML98

Next season will a TML milestone, our 20th season! We will be watching the **Gwynn, Molitor, Boggs** trio approach the career 3000 hit mark ... **Bonds** and **McGwire** move up the career HR ladder toward **Eddie Murray** ... **Clemens** add to his career-leading TML pitching records ... and, the big question, will the **Albany Avalanche** make it a "Three-peat"?

ALBANY Avalanche

Manager: Pat Barry (Elizabeth)

TML Champion

Age: 41 **Occupation:** Financial Analyst

The Season Story

Coming off a TML championship, Albany responded with its best regular season record ever - 115 wins - good enough for the best second place record ever as Crimea enjoyed an even better season. Albany was carried by Larry Walker who made a great run at the Triple Crown and set the TML record for runs created with 201. Walker also hit .375 with 53 homers and 182 RBIs. He was helped by RBI producers Olerud (126), Caminiti (107) and Cora (102). Pitching was led by Pedro Martinez who tossed 7 shutouts and garnered 19 wins. Jeff Fassero had 18 wins and Scott Kamieniecki had 15. Mike Remlinger threw the first no hitter in Albany's history, but the event went largely unnoticed in the heat of the pennant race. Jeff Shaw had 34 saves in the closer role. All in all, a very pleasurable season.

BEVERLY Hillbillies

Manager: Mike Dickinson (Andrea)

Age: 29 **Occupation:** Graduate Student - Atmos. Sci.

The Season Story

Another tough season for the Hillbillies as a number of young players made their debuts. Fortunately did not have a no-hitter thrown against me (unlike last season when I was no-hit twice). Desi Relaford hit a surprising 30 triples this season. Mickey Morandini had a strong season at the plate. The future looks brighter with youngsters Mark Kotsay, Jason Giambi, Cliff Floyd, and Chris Carpenter on the roster. The Hillbillies will have numerous question marks at several positions next season. Another year of rebuilding is on the horizon (hopefully it won't last many more years).

CHETICAMP Micmacs

Manager: Eric Rogers (Barbara)

Age: 35 **Occupation:** Meteorologist

The Season Story

Behind the nearly unbeatable combination of Darryl Kile and Doug Jones, Cheticamp won their 3rd division title (second for the current boss) by one game over Toxic Waste in a hard fought battle in the Gehrig Division. Kile, at 26-3, demolished the team record for wins and only a late season slump kept him from setting a new TML record. A big part of Kile's success was due to Doug Jones, who set a league record with 50 saves. Offensively, it was Thomas and Bichette who stood out. The playoff curse continued, as Cheticamp ran into a tough Mordor team which won 4 one-runs games. Next year: rebuilding begins.

COLDWATER Lakers

Manager: Rocky Hall (Alfreda)

1999 Team Name Change

Kentucky Highlanders

The Season Story

The team was sold one week before opening day and brought in all new management. Rumors started very quickly that this was a lameduck team and would be relocating at season end. Fans refused their support and the team did very little to win them back. The Coldwater Lakers were a boring team of underachievers thanks mostly to an Arson Squad pitching staff. Travis Fryman led the team in RBI's with 132 and had 34 doubles and 30 homeruns. Bernie Williams scored 101 and knocked in 101 but was disappointing with a .284 BA. The Lakers did score 816 runs but gave up 850. Staff Ace Jon Leiber was 11-15 with a team low 6.56 ERA. Troy Percival led the team in saves with a puny 23 with 6 blown saves and a 5.34 ERA and a 3-10 record. Jeff Juden was the most consistent pitcher with a 10-10 mark in 22 starts. The team will be in the Hills of Kentucky for next season playing as the Kentucky Highlanders. With just a few trades, his team should be a pennant contender with a killer offense.

The Season Story

This year I at least finished at the .500 mark, which is an 8 game improvement over last year. Everyday positions are pretty decent and I have a few decent young (and old for that matter) backups. My problem is that two of my main starters from last year (Appier and D'Amico) are out for the year because of arm surgeries. But, we all have our little problems, don't we? If I can get a decent starter or two, I feel I can be competitive and have an outside shot at making a bigger dent in the standings. Being in the Robinson Division with the record-setting Crimea River and back-to-back TML Champs, Albany Avalanche, doesn't raise my hopes for the playoffs yet.

The Season Story

This season was one of growth for the Clowns. While the offense was at times potent, the pitching staff looked like one of the fighters at the end of a Rocky movie. While there is promise among the pitchers, there is a definite core established among the offense, currently being led by the likes of Tony Gwynn and John Valentin. The future is in place with Scott Rolen, Ray Durham, and (cross your fingers) Jose Cruz Jr. The clowns look to add more to that young core this year with the second overall pick in the draft.

The Season Story

The Crimea River put in the second best season in TML history in 1998, winning 119 games during the regular season. It was a total effort, with the River leading the league in ERA and second in runs scored. Craig Biggio tied the TML record with 171 runs scored. Despite only Dave Justice cracking the top ten in home runs, the team led the league in long ball with 251. Six players hit 27 or more homeruns. Nomar Garciaparra set the team record for RBIs with 139 and scored 123 times ... as a rookie. Four players scored 100 or more runs and four players had 100 or more RBIs. Randy Johnson led the league in ERA and finished with a 21-3 record. Mussina, Cone and Estes all had marvelous years. The bullpen was very strong as well. The staff shattered the TML strike out record, finishing with 1432. Several team marks fell. Next year, the team is good, but this was a team for the ages.

GHOSTWOOD Pine Weasels

Manager: Kevin Tyle

Age: 34 **Occupation:** Meteorologist

The Season Story

It was another fine season for the Pine Weasels, thanks largely to the powerful offense. Ken Griffey, Jr. and Juan Gonazalez (a/k/a "The G-Men") had their usual awesome years, while Matt Stairs also emerged as a budding star. However, the preponderance of lefties in Ghostwood's lineup left us vulnerable to good southpaw hurlers, which haunted us in the second round of the playoffs, as Mordor "marauded" over us in 5 games. Pitching was nothing to write home about, save for Randy Myers' fine year as the closer, but in general the starting staff was solid if unspectacular.

The Season Story

What started out as a bid to win the Gatto division eventually turned into a slide past mediocrity. Not that it wasn't unexpected. The team performed above its ability for the first part of the season. Berroa was a big surprise, and Radke had a good year, but, in general there wasn't much to work with. Montgomery proved ineffective and has been dealt away. However, there is hope for next year with a young and talented pitching staff set to lead the way. And Willie McGee's still around ...

1999 Team Name Change

New World Order Militia

The Season Story

For Midwest it was a season of surprises. It began with a phone call from Mike Landin one Saturday night just days before the season was to start telling me this team was available. Then almost immediately adding that Rocky Hall, my arch nemesis from TML NL and also from APBA BB, was also joining and would be playing in the same division. I needed a day to think about and then signed on. The second surprise was winning the division by cutting Pat Kelly to grab Dave Howard. Days later, Howard gets hurt for the season in real-life and Kelly gets called up. The last surprise came in the playoffs blowing a 3-2 lead with the last two games at home. Management decided the team lacked the killer instinct, renamed it New World Order Militia and bought some WCW T-shirts and caps.

MORDOR Marauders

Manager: Phil Schumacher (Cindy)

Age: 32 **Occupation:** Meteorologist

The Season Story

To the amazement of everyone, including the team owner, the Marauders made their first World Series in team history. Strong pitching led the way as southpaws Denny Neagle (21 wins) and Andy Pettitte (27 QS, 2.92 ERA) had the best years of their careers. The strong pitching was led by a stingy defense which led TML. Finally any average lineup provided enough offense to give the Marauders a team record 94 wins. Team records were also set by Raul Mondesi in doubles (54) and RBIs (132). Eric Karros also topped 100 RBIs for the season. Finally, the Marauders, with one of the bloodthirstiest ownerships in TML, made their fourth move in 6 years. To lure the Marauders, a new stadium was built. However, Schumacher was quoted as saying that it was the \$10 million "enticement fee" that drew him to the Marauders new home.

OKLAHOMA Supercells

Manager: Mark Plate

Age: 33 **Occupation:** Meteorologist

The Season Story

The Supercells enjoyed their best season in many years as they led the Gehrig Division much of the year. But in the end, they couldn't hold off Cheticamp and Toxic Waste and finished 3rd, just 3 games out of 1st, but missed the playoffs again. The strength of the team was the pitching staff, especially the closer John Wetteland who had a stellar season. Curt Schilling led the league in strikeouts and had an incredible strikeout/walk ratio. Tino Martinez was the offensive star, finishing 2nd in the league with 57 homers. Overall though, the offense was too inconsistent and was the reason the team could not sustain its lead in the division.

PENSACOLA Stingray

Manager: Mark Hetterich (Connie)

Age: 51 **Occupation:** Instructional Designer

The Season Story

The Pensacola Stingray's poor season was attributable to two factors: 1) Nearly the worst pitching staff in the league and 2) a predominantly RH hitting lineup that was not effective vs RH pitchers. Team offensive leaders were Piazza who hit .317, scored 95 runs, hit 42 HRs, and knocked in 107. Albert Belle had 37 doubles, 37 HRs, and 102 RBIs. David Wells was the only bright spot on the pitching staff...he had 15 wins and a 3.34 ERA. Guess my real concern is for the game and its inability to reproduce stats...examples (real life in brackets): Piazza .317 (.362), Cirillo .250(.288), Jay Bell .241(.291), Belle .228(.274), Kent .204(.250), and Devon White .197 (.245) are prime examples where they produced nearly .50 points below normal. Anyone else in the league concerned?

The Season Story

This season results came as a pleasant surpass when we finished the season strong and made the playoffs. It seems like only yesterday but I believe its around ten years ago. Roger Clemens continues to lead the Blue Jay staff, as he has through his career in the TML exclusively with the PA club. The pitching staff is our strong point, and with an additional power hitter or two we may have had a shot of winning it all. Lets hope its not another ten years before we get to the playoffs again.

The Season Story

Well, let's just say we are like "Titanic." One day were floating high, the next thing you know we're 2 1/2 miles under. It was a tough year for RO. We could not seem to get anything going. I guess "wait 'till next year" does apply, unlike the "Titanic." We continued to be an offensive team with all those HR's. I guess player of the year for RO would be Manny Ramirez.

The Season Story

It was the year of the bull(pen) for Rocky Mountain. Hard to say that the relief corps carried the team (to a fifth place finish), but a .240 team batting average doesn't win many games. At one time during the season, the bullpen was 20-2 thanks to what meager hitting present coming at most opportune times and league leading fielding. Mike Stanton was selected as team MVP going 10-1 and chilling opponents bats to a mere .183. Perhaps most amazing about this season was a nearly .500 record against playoff teams...but only 26-32 again the bottoms of the division. Doooooooh!

'SKAYUNA Squires

Manager: Hank Pedicone (Eileen)

Age: 48 **Occupation:** Attorney

The Season Story

It was a bit of a frustrating year for the Squires. Even though the pitching improved greatly over the previous season, the offense was pretty good, and the team actually performed a little better than expected, Crimea and Albany were light years ahead all season. With Alan Benes gone for next season, the Squires will continue the eternal rebuilding of their pitching staff, wait 'till next year, and hope.

ST. CLOUD Power Loons

Manager: Bob Weisman

Age: 38 **Occupation:** Meteorology Professor

The Season Story

(Using the current Minnesota vernacular) The Power Loons tried to apply "The Cobra Clutch" to a playoff bid behind the dream tag team of Jeff "the Wrist" Bagwell and Tim "the Animal" Salmon, but visiting teams from my own division pulled out foreign objects just when the Power Loons had them pinned for a one count, going 6-15 down the stretch at home. Especially gruesome was the steel cage match with Cheticamp as SP went 1-6. Still, Loons tied a team record for wins with 85. But, we suspect this league is fixed when I could not pass John "the Brain" Gatto for career league losses. Next year, with the current combination of Matt "Super Skunk" Karchner and Todd "non-Macho Man" Jones, down the toilet! P.S. Shirley says "WHY?"

SOUTHERN CALIFORNIA Slyme

Manager: Bob Sylvester (Donna)

Age: 33 **Occupation:** USAF Programmer/Analyst

The Season Story

This year's version of the Slyme was rather uninspiring as they posted a team batting average of .261 and team ERA of 4.44 on their way to a modest 75 and 85 record. Newcomers Chris Stynes and Mike Cameron brought youthful enthusiasm to the club as old-timer Brett Butler finished up his career by batting .308. After dealing Jim Edmonds, Kevin Young led the club with 24 homers and Jack Howell chipped in with 20 in only 200 At-bats!!! Bobby Jones was the team MVP as he pitched his way to a 16-10 record and a very nice 3.23 ERA. The team strength was definitely the bullpen which was led by Ricardo Rincon, Chad Fox, Scott Bailes and Ugueth Urbina. Next year the Slyme hope to score a few more runs behind the off season acquisitions of Jose Offerman and Brad Fullmer and keep the opponents from scoring as much behind newbies Omar Daal, Brian Anderson, and Joey Hamilton. It should be fun...

TASMANIA Devils

Manager: Dave Schumacher (Suzette)

Age: 26 **Occupation:** Computer Consultant

The Season Story

It was the best season in franchise history for the Tasmania Devils. For the first time since their inception the Devils did not place last in their division managing to place fourth with a 70-90 season. The offense for Tasmania was good enough to compete for a playoff spot, hitting .282 for the season (second highest in the league). However, there was not enough improvement in the pitching staff to make a serious run at the division leaders. Individually the season was highlighted by Rusty Greer's season. Greer managed to place in the top 10 in 5 offensive categories. With most of the teams offensive core returning there is hope that enough pitching can be found to be in a pennant race at the beginning of October.

The Season Story

The team was going great right up until the first pitch of the season. Then it was all downhill after that. We found out there must be fifty ways to lose a ball game. I'm not saying we were bad, because we would have to improve just to be bad. You know it was an off season when the highlight was the front office saying, "So long and see you next year." Seriously, we only had three rough spots: the first game, the last game, and all the games in between. Other than that, it was a good season.

TOXIC WASTE River Rats

Manager: Mike Landin (Teri)

Age: 45 **Occupation:** Meteorologist

The Season Story

A disappointing finish to an otherwise exciting season. After a hard fought battle with division rivals Cheticamp, Oklahoma and St. Cloud to make the playoffs, the Toxins were once again easily disposed of by Ghostwood. The Toxin offensive leader was good old reliable Vinny Castilla, who combined efforts with team HR champ, Mark McGwire. Joining Castilla and McGwire in the 100-runs scored dept. was Brian Hunter, who also led the TML in SBs with 57. Greg Maddux (20-5) was the "Ace" of the staff, with 4 others winning 10+ games. For Maddux it was his 6th straight 20-win season! Mark Wohlers, despite fighting "ghosts" in the bullpen, was the "AKR" out of the pen, notching 34 SVs.

WALLA WALLA Wombats

Manager: Bryan Sakolsky

Age: 31 **Occupation:** Stockbroker

The Season Story

The 1998 season was one of surprise, then disappointment. The Wombats started the season off strong, enough to cause management to attempt to fill the weak link....a bullpen. Unfortunately, the margin of one run victories turned on the arm of Robb Nen's inability to close anything except for the other team. All-in-all, it was a better than expected performance, but a disappointment from where it started.

WORCESTER Terminators

Manager: Roy Gorham

Age: 22 **Occupation:** Assistant Tech. Staff - MIT Lincoln Lab.

The Season Story

The poor record on the field reflected the rebuilding strategy underway by team management. The Terminators were outscored by more than 2-1, and managed to win only 2 series (ironically both against Rockford). Brady Anderson dropped off considerably from the previous season, but still managed to score 100 runs. New addition Rico Brogna led the team in most offensive categories, and rubber arm Darren Holmes appeared in 71 games and 208 innings to lead a rag-tag pitching staff. The future looks bright as players acquired in the rookie draft in 1997 show promise, and the Terminators have retained all of their picks for the 1998 draft.

Stat Key

Below you will find some explanations on a few stat categories:

RC: runs created (RC = [A times B] divided by C), where,

$$A = H + W + HBP - CS - GIDP$$

$$B = TB + .26 \times (TBB - IBB + HBP) + .52 \times (SH + SF + SB)$$

$$C = AB + TBB + HBP + SH + SF$$

RC / 27 outs: runs created per 27 outs; in other words, the number of runs a player would create if he were to bat in all nine positions in the batting order.

QS: quality starts; the number of starts in which a pitcher pitches six (6) innings or more and gives up three (3) runs or less.

OAVG: the batting percentage against each pitcher.

Batting & Pitching Leaders: the following symbols were used to denote individual accomplishments that were record-breakers:

❶ - TML Record

❷ - Tied TML Record

Team Stats: an asterisk (*) preceding any stat indicates that the player or pitcher led his Association in that stat category; a dot (•) indicates that the player or pitcher tied for the lead in his Association in that stat category.
