Nine	0	0	0	0	0	0	0	1	0	0	-	1	7	0	The Squires ended Mudville's storybook season, winning a 2-1, 10-inning nail-biter on the final day of the season to clinch the Steinmetz Wild Card!			
Squires	0	0	0	1	0	0	0	0	0	1	-	2	9	0				

10/18/2008, TX08-TR08, Dolphin Stadium

Toxin Greg Maddux notches career leading win #374 on the road on the final day of the season at division rival Traffic. Maddux won 10+ games in each of his 21 seasons, with 8 consecutive 20-win seasons from TML 1992-99. Maddux leads in GS,CG,Sho,IP & low BB/9.

10/18/2008, VD08-BB08, Angel Stadium

Blue Jay Randy Johnson fans 12 Drench batters and takes over the career K lead (4794) by 3 over Roger Clemens. Johnson only needs 8 wins in 2010 to reach 300 career wins!

Career ERA leader Rensselaer's Mariano Rivera (2.76) is now the all time TML leader in Saves (366) and relief points (453) and only needs 27 GR to pass John Franco in games.

11/14/2009, WW08-RM08, Metrodome

Walla Walla, having set an all-time TML Record for regular season wins (125), completes perhaps the most successful season in TML history, beating Rocky Mountain in five, for a franchise record 6th TML Championship (also a TML record 5th title for Manager Bryan Sakolsky). The Wombats never trailed in any of their playoff series.

The Major League – TML 2008

By Mike Landin

Our 30th season, our eighth with **Diamond Mind**, was the “Year of the Wombat!” The **Walla Walla Wombats** posted a TML record 125 wins on their way to a TML record 6th franchise TML Championship. For Manager **Bryan Sakolsky**, it was his 5th TML Championship. Ruth Division rival **Danny Way** won 108 games, but never really threatened the **Wombats**. **Valparaiso** nearly collapsed at the end, as ‘**Skayuna** (and **Mudville**) made a late-season surge in the Steinmetz. In the Gatto, **Rensselaer** and **Beverly** traded places all season, with **Rensselaer** winning the division by 1 game. The Gehrig had its annual three-team battle, with **Toxic Waste** winning the division and **Rocky Mountain** beating out **Lake Wobegone** by 1 game. **Tim Lincecum** and **John Danks** tossed **no-hitters** during the season. **Greg Maddux** took over many career pitching categories, including most wins (374). **Mariano Rivera** is still the career ERA leader (2.76) and now has the most career saves (366) and relief points (453). **Ichiro Suzuki** (.335) remains the career batting leader. **Mike Landin** (2590) is the managerial career wins leader and the **Lake Wobegone** franchise (2805 Ws, .590) remains the most successful.

In keeping with tradition, here are the active members with at least 10 years of membership in the TML: **Mike Landin**(all 30), **Mark Hetterich**(27), **Eric Rogers**(25), **Bryan Sakolsky**(24), **Bob Weisman**(23), **Bill Graham**(22), **Hank Pedicone**(20), **Mark Plate**(19), **Pat Barry**(18), **Jeff Chapman**(17), **Kevin Tyle**(16), **Mike Dickinson**(14) and **Jim Pertierra** (10). We say goodbye to **Mike (Mr.) Cempa**, but welcome newcomers **Joel DiTata** and **Jayson Chapman**, who bring needed “young blood” into the TML.

The Year In Review

TML08 saw the **Walla Walla Wombats** and Manager **Bryan Sakolsky** defeat the **Rocky Mountain Chinooks** and Manager **Jeff Chapman** in the **TML World Series**. The **Wombats** coasted to the World Series (taking out ‘**Skayuna** in 5 and **Valparaiso** in 6) and to the TML Championship, going 12-4 overall in the post season. For the **Chinooks** and Manager **Chapman**, it was their first ever trip to the World Series, having defeated **Rensselaer** and **Beverly**, both in 6-game series. In other playoffs, **Beverly** put their annual thumping on **Toxic Waste**, as the **Toxin** bullpen blew 3 saves in the series! **Danny Way** came up empty against **Valparaiso**, who won in a sweep. Congrats to all post-season managers for an exciting season and subsequent post-season.

Ruth Division

The **Walla Walla Wombats** record-breaking season was due to perhaps the strongest pitching staff ever assembled in TML history. The **Wombats** boasted four 20-game winners in **A.J. Burnett** (25-5, 2.96), **Cliff Lee** (23-4, 2.74), “**Pitcher of the Year**” **Ryan Dempster** (22-4, 2.29) and **Jeremy Guthrie** (20-4, 2.95). **Cole Hamels** (19-10) fell just short of the 20-win club, but tossed three 1-hitters. The starters had “Ace” closer **Jonathan Papelbon** (2-0-42-44, 0.82) to thank for saving many of their victories. **Papelbon** was a perfect 47 for 47 in save opportunities over the entire season! In addition to having the best pitching (2.91) in the TML, the **Wombats** also had, by far, the top offense (.295, 1001 Runs). TML batting champ **Nick Markakis** (.339, 135 R, 55 2B, 104 BB, 152 RC) led the attack, and was supported by **David Wright** (.310, 30 HR, 130 RBI, 120 RC), **Alex Rodriguez** (.305, 30 HR, 126 RBI, 117 RC) and **Milton Bradley** (.318, 20 HR, 107 RC). **Danny Way** took over the Ruth *Wild Card* in late June and coasted to the second best record, mainly on their pitching (3rd at 3.43). The **Diamonds** had four starters with 14+ wins, led by **Joe Saunders** (17-10, 3.23) and **Scott Baker** (15-6, 2.86). Their hidden strength was the bullpen quartet of **Brad Ziegler** (3-1-19-22, 1.06), **J.P. Howell** (5-1-14-19, 1.20), **Takashi Saito** (3-2-19-22, 1.22) and **Jim Johnson** (6-2-3-9, 1.80). Their 4th ranked offense was led by **Josh Hamilton** (.277, 27 HR, 105 RC). **Madison** was in the hunt early, but faded after a butt-whopping at home against **Danny Way** in June. **Ichiro Suzuki** led the TML in hits again (224) and has rapped out 200+ hits in each of his 8 seasons! **Torii Hunter** (.287, 28 HR, 101 RC) and **Jack Cust** (31 HR, 89 RC) supported **Suzuki**. The tandem of **Josh Beckett** (13-11) and **Roy Oswalt** (12-11) led the staff, along with “Ace” closer **Joakim Soria** (4-3-34-38, 0.84). For **Cheticamp**, **Aubrey Huff** (.328, 25 HR, 130 RC) was a standout with the bat, but needed more support. **Mark Reynolds** set the dubious **TML Record** for most Ks (229) in a season! For leaderless **Greenville**, **Kevin Youkilis** (.281, 31 HR, 98 RC) and **Garret Anderson** (.306, 92 RC) were the offensive stars. Defending TML Champ **Arkansas** went into a severe re-building mode and lost 111 games. **Ryan Ludwick** (.306, 41 HR, 140 RC) starred.

* 1 *

Gehrig Division

Toxic Waste won the division title for the 3rd time in the past 4 years. Triple Crown threat and *“Player of the Year”* **Mark Teixeira** (.337, 137 RBI, 52 2B, 41 HR, 167 RC) and **Raul Ibanez** (.307, 43 2B, 19 HR, 103 RC) sparked the offense. The duo of **Brandon Webb** (17-7, 2.42) and **Mark Buehrle** (16-7, 3.96) anchored the pitching staff. “Ace” closer **Scott Downs** (7-5-39-46, 1.70) led the bullpen. **Rocky Mountain** had led the Gehrig for most of the season, but barely held on to the Gehrig *Wild Card*. The front line pitching of **Tim Lincecum** (18-10, 2.92), **C.C. Sabathia** (15-14, 3.35) and **Justin Duchscherer** (14-4, 2.69), not to mention “Ace” closer **Joe Nathan** (3-0-44-47, 1.38), carried them all the way to the TML World Series. Their offense was steady, led by the power bat of **Ryan Howard** (39 HR, 119 RBI, 99 RC). **Lincecum** tossed a **no-hitter** on opening day at **Carolina!** **Lake Wobegone** hung tough to the bitter end, missing the playoffs by 1 game. Their “Ace” starter was **Jon Lester** (20-9, 3.23) and *“Fireman of the Year”* **Brian Fuentes** (3-3-50-53, 1.21) did his part. **Lance Berkman** (.282, 101 RC) and **Jose Reyes** (.291, 19 3B, 51 SB, 99 RC) were the heart of a balanced offense. A 14-24 finish for **Traffic** took them out of contention. **Paul Maholm** (14-7, 3.88) led their starters. **Carlos Delgado** (.279, 31 HR, 102 RC), **Shane Victorino** (.282, 93 RC) and **Vladimir Guerrero** (.294, 25 HR, 88 RBI) were the batting stars. **Brandon** stayed out of the cellar, thanks to **Jeff Bennett** (13-5) and **Chad Billingsley** (14-14), as well as **Ryan Braun** (31 HR, 101 RBI). **Oklahoma** collapsed into last place. Their standouts were **Magglio Ordonez** (.328, 21 HR, 98 RBI, 112 RC) and **Jermaine Dye** (.277, 27 HR, 98 RBI).

Steinmetz Division

The **Valparaiso Drench** won the division, barely holding off a late charge from **Skayuna** and **Mudville**. **Ben Sheets** (18-7, 2.41), **Felix Hernandez** (16-8, 3.44) and **Dave Bush** (14-5), along with bullpen “Ace” **Cory Wade** (3-2-38-41, 1.28) led a strong pitching staff. The offense was led by **Dustin Pedroia** (.296, 111 R, 104 RC), **Adrian Gonzalez** (.276, 40 HR, 128 RBI, 96 RC) and **Chase Utley** (25 HR, 90 RBI). **Skayuna** edged out **Mudville** for the *Wild Card* by winning 2-1 in 10 innings on the final day of the season! The **Squires** rode the potent bat of **Albert Pujols** (.320, 103 R, 99 RBI, 35 HR, 140 RC). **Edinson Volquez** (17-8, 3.69) emerged as their “Ace” starter and shaky closer **Jose Valverde** (1-3-37-38, 8 BS, 3.00) had to take over for oft-injured **Billy Wagner** (7-3-8-15, 1.75). **Mudville** fell 1 game short, but it was the 5-15 season start that ultimately cost them. **Lyle Overbay** (.289, 18 HR, 106 RC) was their batting star. **Gil Meche** (15-7, 2.85) and **Mike Mussina** (16-9, 3.10) led all starters, but the “adventures” of **B.J. Ryan** (1-6-34-35, 7 BS, 4.05) out of the pen kept things interesting. **Albany** was uncharacteristically out of the race by the end of June, due primarily to inconsistent pitching. **Hanley Ramirez** (.274, 109 R, 120 RBI, 31 HR, 44 SB, 105 RC) had a fine season. **Perth** managed to stay out of the cellar. They sported the weakest offense, though **Carlos Lee** (.342, 103 RBI, 31 HR, 102 RC) had a terrific year. Their pitching was decent, but no pitcher won more than 8 games. The cellar belonged to **Burleigh** (110 losses), due in part to the worst pitching (5.73) in the league. **Bobby Abreu** (.288, 95 R, 103 RC) and HR-Champ **Manny Ramirez** (.269, 110 RBI, 44 HR, 98 RC) led the offense.

Gatto Division

The **Rensselaer Strikers** and **Beverly Hillbillies** fought down to the wire, with **Rensselaer** prevailing by 1 game to take the division. The **Strikers** relied on the consistent bat of **Carlos Pena** (.316, 108 RBI, 33 HR, 124 RC), along with **Brian McCann** (.297, 24 HR, 97 RC) and **Brian Roberts** (.283, 129 R, 103 BB, 112 RC). **Craig Monroe** (.351, 11.9 RC/27) was a terrific part-timer. Their “Ace” starter was **Derek Lowe** (22-6, 3.81) and their “Ace” closer was the reliable **Mariano Rivera** (8-3-39-47, 1.13). **Beverly**, despite early grumblings in the GM’s Office, took the *Wild Card* behind the arms of **Roy Halladay** (18-10, 3.30), **Rich Harden** (14-4, 2.90), **Dan Haren** (13-9, 3.27), **Jake Peavy** (12-6, 3.68) and “Ace” closer **Brad Lidge** (4-4-29-33, 1.43). **Joey Votto** (.315, 103 RBI, 26 HR, 116 RC) and **Andre Ethier** (.301, 18 HR, 98 RC) sparked the offense. Despite all the “glitches” and the loss of their field manager at mid-season, **Maine** finished a respectable 3rd. **Johnny Damon** (.331, 102 R, 121 RC) was the standout batting star. **John Danks** (15-8, 4.90) was hot and cold all season, including a **no-hitter** at **Cheticamp** in August. **Francisco Rodriguez** (6-7-35-41, 2.82) was their “Ace” closer. **Glenmont** dropped under .500 this season, due primarily to inconsistent pitching. On offense, **Justin Morneau** (.286, 100 RBI, 25 HR, 105 RC) was their batting star. **Duluth** also suffered from inconsistent pitching, including a reliable stopper in the bullpen. **Miguel Cabrera** (.276, 124 RBI, 38 HR, 106 RC) provided the big bat. **Brad Hawpe** (.303, 22 HR, 92 RC) and **Ian Kinsler** (.288, 91 R, 83 RC) also contributed. **Carolina** won 20 more games than in 2008, but was still cellar bound. **Joe Mauer** (.311, 86 RC) had another fine year.

ALBANY Avalanche

Manager: Pat Barry (Elizabeth)

Age: 52 **Occupation:** Unit Leader, NYSDPS

The Season Story

An old Albany team staggered to 74 wins. It was the first year Albany had had a losing team AND missed the playoffs since 1995. It could be the start of a bad trend. Albany had no real strength except up the middle, Han Ram, Kemp, Shoppach and Suzuki. The pitching was inconsistent to be kind. Pedro Martinez endured another sad season in the twilight of his career - 10-13 6.30 ERA. In fact starters with over 6 ERAs pitched 81 games for the Avs. The salad days are over. Besides the strength up the middle, Jody Gerut and Jeff Keppinger had nice years. A special shout out to Jim Edmonds who ended his career in Albany with 19 homers in part time duty. Next year will go a long way in determining whether Albany dismantles or attempts to rebuild on the fly.

ARKANSAS Travelers

Manager: Bill Jelks (Lynda)

Age: 66 Occupation: Retired USAF Officer

The Season Story

After their championship season in 2008, the Travs needed to rebuild and went from first to worst! This will only be a temporary blip hopefully as the young Arkansas nine showed promise with Pablo Sandoval, Hunter Pence, Shin-Soo Choo, Josh Johnson, Jeff Niemann and Tommy Hunter providing strong rays of hope.

BEVERLY Hillbillies

Manager: Mike Dickinson (Andrea)

Age: 40 **Occupation:** Scientist/Meteorologist

The Season Story

The Hillbillies tried to retool this season, adding pitching at the expense of offense. BV also jettisoned their starting 2nd baseman early in the season, forcing the Hillbillies to play offensively-limited players. The result was a surprising run at the division title and an appearance in the second round of the playoffs. The pitching staff was paced by newcomer Dan Haren and holdovers Roy Halladay and Rich Harden. The bullpen was carried by Brad Lidge, Huston Street and Grant Balfour. The patchwork offense was paced by Joey Votto (outstanding season), Andre Ethier, and part-time efforts from Elijah Dukes (the rest of the offense was pathetic, hitting under .260). The Hillbillies are guaranteed to do more roster tinkering during the offseason in preparation for the next season.

BRANDON BigWheezMachine

Manager: Kyle Weisser (Lisa)

Age: 39 Occupation: Meteorologist

The Season Story

The BigWheezMachine finally surged from the depths of the Gehrig division to stake a claim for 5th place. This was done with a much more powerful line up and slightly improved pitching. While a .256 team batting average wasn't enough to win consistently, 6 hitters with more than 10 homers and 8 hitters with more than 20 doubles were able to deliver solid run production. The team was lead by Ryan Braun with 31 homers and 34 doubles while Prince Fielder, Jorge Cantu and Luke Scott rounded out a solid lineup. Pitching again proved to be troublesome, yet improved from previous seasons. Francisco Liriano, Chad Billingsley and Clayton Kershaw all displayed solid skills, but usually gave up a few too many runs to remain consistently good. Relief was again solid, led by Craig Breslow, Fernando Rodney and J.C. Romero, all with ERA's under 3.50. Next year should provide another step of improvement with Homer Bailey looking to step into the rotation which will be lead by Kershaw and Billingsley.

BURLEIGH Blue Jays

Manager: Jim Pertierra (Janet)

Age: 60 Occupation: Supervisor - Verizon

The Season Story

Here's the story...we stunk at the beginning, we stunk in the middle and, to be consistent, we stunk at the end. However in some way, I find trying to win a lot more fun than winning. One of these days I will get smart and not trade my draft picks all away for Dontrelle Willis, but that day is still down the road. I truly enjoy the TML American and am glad that you guys let me hang out with you each year. Mike, as normal, superb job! I know how tough it is to make it look seamless. I can't do it, but you sure do.

CAROLINA Crawfish

Manager: Carl Schreck (Mary)

Age: 28 **Occupation:** Grad Student/Meteorologist

The Season Story

Another basement showing for the Crawfish. The season was doomed from opening day when they were on the wrong end of a Tim Lincecum no-hitter. Carolina faithful have plenty to be optimistic about though. The team is beginning to mature, and it added 20 wins over a year ago. The offense is no longer just the "Joe Mauer Show", with the likes of Nelson Cruz, Jay Bruce, and Justin Upton beginning to make waves. Crawfish pitching continues to rely on a spacious ballpark, but Mike Pelfrey showed flashes of Ace potential. This team seems poised to move up from dismal to mediocre!

CHETICAMP Micmacs

Manager: Eric Rogers

Age: 51 Occupation: Meteorologist

The Season Story

If Chris Berman commented on the 2009 Micmacs, he would say "They had Huff but he wasn't enough!" The Micmacs slogged through the season with a porous defense and mediocre defense. Huff (.943 OBP+SLC, 130 RC, 53 2B) had a banner year and the pitching was OK, but that wasn't enough to overcome the offensive and defensive holes. Next year's team looks even worse, with holes at 1B, OF, and SP. In closing, we say a fond farewell to the "Big Hurt" Frank Thomas, acquired in the 1989 Rookie Draft (in the old days when we had a Rookie bids for \$1,000!

DANNY WAY Diamonds

Manager: Mark Hetterich (Connie)

Age: 62 **Occupation:** Instructional Designer for General Dynamics

The Season Story

A powerful team with a solid pitching staff led the Diamonds to the second best record in the TML in 2009 with a 108-52 record. Unfortunately, the Diamonds are in the same division with Walla Walla who won 125 games. The Diamond power hitters were led by Mike Jacobs who hit 37 taters; overall, the team hit 223 long balls. DW also finished third in the league with a 3.43 team ERA. Scott Baker led the Diamonds with a 2.86 ERA. The DW 2010 team should be equally as powerful as they slugged 264 real life HRs and their staff will be led by Wainwright 2.63 and Wandy Rodriguez at 3.02. The team should be a playoff contender.

DULUTH Thundercats

Manager: Kevin Tyle

Age: 45 Occupation: Meteorologist/Computer Administrator

The Season Story

The move to the Lake Superior shoreline could not break the long string of second division finishes for the Thundercats. Once again, the only race was to avoid the cellar in the Gatto Division. However, there were some bright spots as well as rays of hope for the future. Late in the year, the Cats' hackles were raised enough for some impressive intra-divisional efforts against the two playoff teams. Miguel Cabrera and Brad Hawpe led the team offensively, while Ian Kinsler and Ryan Theriot anchored the team's infield. Pitching remained a problem with the lack of a dependable stopper in the rotation, although the presence of Joba Chamberlain, J.A. Happ, and David Price offered the promise of better times to come on the hill.

GLENMONT Haymakers

Manager: Dave Vollaro (Sandra)

Age: 46 **Occupation:** Research Programmer/Meteorologist

The Season Story

The Haymakers could not duplicate last seasons playoff run and finished the 2009 season with a 72-88 record. Part-timer Andy Marte led the Haymakers with a .363 average and Justin Morneau provided the power w/25HR and 100rbi. Second year pitcher Matt Garza anchored the staff going 10-9 w/a 3.38ERA after Carlos "Big Z" Zambrano was surprisingly dealt in a late season trade. Speculation was rampant that the trade was made as a cost-cutting move. Reports have swirled that the Glenmont franchise may have lost millions investing with Bernie Madoff and have been trying to avoid a government takeover of daily operations.

GREENVILLE Fightn Mallards

Manager: XXXX

2010 Team Name Change

Age: XX Occupation: XXX

Marco Island Gators

The Season Story

The “F-n Mallards” remained leaderless one more time, with a near 100-loss season the result. The offense was led by Kevin Youkilis (.281, 31 HR, 98 RC) and Garret Anderson (.306, 19 HR, 92 RC). Jerry Hairston (.320), John Baker (.307) and Aaron Miles (.305) provided additional part-time run production. No pitcher on the team won 10 games. Jorge Campillo (9-12) and Tim Redding (9-14) were the closest. However, five separate pitchers lost 12 or more games! The “Bullpen by Committee” (five primary relievers) did manage to save 32 games, good for 58 RPs.

LAKE WOBEGONE Staring Rabbits

Manager: Bob Weisman (Janet)

Age: 49 Occupation: Meteorology Professor

The Season Story

93 wins! It's not a franchise record, but it is the most I've ever had! Yet, it wasn't enough to make the playoffs, by one game, but how can I complain? One of the wins in the last homestand vs RM was recorded as the third out was made by nailing the tying run trying to score. Some of the starters (Burrell, Sizemore, Soto) didn't have good stats, but the Staring Rabbits had incredible pinch hit performances and an outstanding bullpen centered on Brian Fuentes (50 saves, 1.21 ERA). That helped LW to a 29-16 record in one-run games. The Staring Rabbits outperformed the Pythagorean record by 11 games! (Thanks to league members sticking by me in a difficult year (dad dying, moving my sister from Mass. to Minn., two other moves).

MADISON Danes

Manager: Ross Lazear

Age: 26 Occupation: Meteorology Professor

The Season Story

The season started quite well for the Danes, jumping out to a 22-12 record by the end of April. Unfortunately, Walla Walla and Danny Way had already taken a firm lead in the Ruth Division, which continued through the remainder of the season. Madison's highlights were back-to-back walk-off HRs (3-run and grand slam) by Pedro Feliz in the opening home games, and a surprising no-hitter into the eighth inning by Yusmeiro Petit. Ichiro Suzuki led the league in hits yet again with 224 (mostly singles as usual). The bullpen was excellent. Joakim Soria led the way with a 0.84 ERA, and Brian Bruney followed with a record of 7-0. All in all, Madison looks forward to being in a (hopefully) easier division next year!

MAINE Liners

Manager: Mike Cempa

Age: 45 Occupation: Meteorologist

2010 Team Name Change

Amsterdam Yankees

The Season Story

From last season's TML Yearbook, "... the team is looking toward the future and trying to forget the past." The first move in this direction was to fire long-time Manager Mike Cempa. It was not just the on-field play, but the numerous "glitches" in transportation, equipment, post-game buffets and late MPs that caused the move. Maine was in the pennant race for a while, but dropped back during mid-season. Johnny Damon was the team MVP (.331, 102 R, 121 RC). Carlos Quentin (.252, 34 HR, 94 RC) was the "power" in the lineup. Billy Butler (.324) was fine in a back-up role. In pitching, John Danks (15-8) was the "Ace" of the starting staff, despite a 4.90 ERA. John Lannan, Jair Jurrjens and Ubaldo Jimenez each won at least a dozen games. Francisco Rodriguez (6 RW, 35 SV) was the "Ace" closer in the bullpen.

MUDVILLE Nine

Manager: Bill Graham (Cathy)

Age: 59 **Occupation:** Attorney/Free Lance Writer

The Season Story

The goal after last season was to built a team around what promised to be a strong pitching staff. In addition to Gil Meche, Ricky Nolasco, and Joe Blanton, Mike Mussina was brought on board to provide the Nine with a fourth dependable starter. Mike didn't disappoint in what turned out to be his final season. The Nine hoped to challenge for a playoff spot when the season began. Unfortunately, a 5 - 15 start against Ruth Division opponents WW, DW, CH, and AR made that hope all but impossible to achieve. Still, Mudville was in the chase right until the final two series. VD and SS came up strong, winning when they had to. Meanwhile, AV and PC were pesky right at the end. In short, a playoff spot was not going to happen. Still, a 90 - 70 record is one to be proud of, especially after several years of sub-.500 records. Now, it's back to the drawing board. The team needs some rebuilding before it contends again.

OKLAHOMA Supercells

Manager: Mark Plate (Michelle)

Age: 44 Occupation: Meteorologist

The Season Story

It was a very disappointing season for the Supercells, as they sank into the basement of the Gehrig Division. Magglio Ordonez was one of the few bright spots, with a .328 batting average, 21 home runs, and 98 runs batted in. Jermaine Dye had a good season as well, hitting .277, with 27 homers and 98 RBI's. Armando Galarraga led the pitching staff with a 12-8 record and a 3.53 ERA. Matt Cain was just 9-13, but posted a decent 3.89 ERA. Bobby Jenks led the bullpen with 20 saves, but also had 7 blown saves.

PERTH Diamond Cats

Manager: Steve Syzdek (Suzanne)

Age: 39 **Occupation:** Attorney

The Season Story

The 2009 version of the Perth Diamond Cats entered the season hoping to pick up a few more wins than they got in 2008, but that didn't happen. An anemic offense put Perth on the defensive all season long. The pitching staff did what it could to keep the Diamond Cats in games, but the lack of run support was Perth's downfall this season. Carlos Lee was again Perth's bright spot on offense. The Diamond Cats management was also pleasantly surprised by the offensive production of Delwyn Young and Carlos Gonzalez. The pitching ace for Perth this year was John Lackey and the Diamond Cats received some strong bull pen help from Carlos Marmol and Manny Corpas. The Cats have already made several off season moves to start positioning the team for playoff contention in the future!

RENSSELAER Strikers

Manager: Joe Nocera (Donna)

Age: 35 **Occupation:** Scientific Programmer

The Season Story

Overall, it was a good season for RS. Carlos Pena (.445 OBP, 33 HR, 108 RBI), led a balanced offensive attack. Derek Lowe (22-6, 3.81 ERA) provided stability to the starting rotation. Mariano Rivera (39 SV, 1.13) dominated in the closer's roll. The future looks muddled in Rensselaer. The fans want a championship pronto, but the front office seems too laid back to care. Heads may roll if more effort is not made to bring home a championship to Rensselaer.

ROCKY MOUNTAIN Chinooks

Manager: Jeff Chapman (Sally)

Age: 43 Occupation: Meteorologist

The Season Story

World Series, baby!!! Started strong, led the division all season, and in the end, it was a race to see if the season could end before we could fade out of the playoffs. Made it by one game, as strong pitching (5 starters over a dozen wins, sub 2.00 ERA at the end of the bullpen, 2nd in whiffs, most CG/shutouts) overcame overall anemic batting. What might have been if not for second highest in walks allowed (607)? Dynamic rookie Denard Span was huge in the playoffs and figures to be a core for the future. To help handle all the new found success, team management has required all players to participate in the Tiger Woods Image Consultant Course.

'SKAYUNA Squires

Manager: Hank Pedicone (Eileen)

Age: 59 Occupation: Attorney

The Season Story

It was a surprising season for the Squires, as they rode a late season surge to make the playoffs for the first time in years. Albert Pujols was his usual productive self, with 35 homers and 140 runs created, and Jose Valverde topped off a uncharacteristically effective relief staff with 37 saves. Unfortunately, the Squires failed to capitalize on a first game win in its playoff series with Walla Walla, and were dispatched in four straight games. Since Walla Walla will be in the same division next year and, once again, most of the arms of the real-life Squires have fallen off, it may be awhile until they return to the playoffs. Oh, well, here we go again.

TOXIC WASTE River Rats

Manager: Mike Landin (Teri)

Age: 56 **Occupation:** Part-time Prof./Meteorologist-Retired

The Season Story

Another fine season (96 wins and a Division Title) that was snuffed out by Beverly in the first round of the playoffs! This is getting to be a bad habit. Mark Teixeira was in the hunt for the Triple Crown all season, but a September slump cost him. Still, he had a career year, batting .337, with 120 R, 137 RBI, 52 2B, 41 HR and a league leading 167 RC. Newcomer Raul Ibanez (.307, 100 RBI, 19 HR, 103 RC) “protected” Teixeira in the lineup. Carl Crawford (17 SB, 13 SB) has still not figured out how to steal bases in DMB. The pitching staff was headed by two “Aces”, Brandon Webb (17-7, 2.42) and Mark Buehrle (16-7, 3.96). Scott Downs was the “Ace” closer, notching 39 SV and a 1.70 ERA. Toxin favorite Greg Maddux announced his retirement at the end of the season. Greg went 12-14 this season, meaning that he had won 10+ games in each of his 21 TML seasons, including a stretch of eight straight 20-win seasons from TML 1992-99. He also leaves as the TML career leader in many categories, topped by his 374 victories.

TRAFFIC Dodgers

Manager: Ken Fusci (Rozanne)

Age: 62 Occupation: Retired (NYSDOT)

The Season Story

No playoff trip this year for the Traffic Dodgers, as they hit the "wall" in September and October and fell out of contention. Despite the addition of Zambrano, starting pitching continues to be the major problem for the Dodgers. In addition, many position players underperformed, including veterans Jeter and Aramis Ramirez; but, hopefully, at least these two will show dramatic improvement next year. A good bullpen and still decent hitting should keep the Dodgers in most games next year; but for the first time in a long time, playoff contention prospects appear dim heading into the "hot stove" season.

VALPARAISO Drench

Manager: Alan Srock

Age: 28 Occupation: Grad Student/Meteorologist

The Season Story

It was another strong season for the men of Valparaiso, with a division win and a second straight year of reaching the second round of the playoffs! The team this year was led by stellar pitching from Ben Sheets, Cory Wade, and Felix Hernandez. Wade saved 38 of 40 games with a stellar 1.28 ERA, while Sheets went 18-7 with a 2.41 ERA (second among all starters)! Drench batters struggled throughout the year, with no one hitting above .300, but high points include 40 HR from Adrian Gonzalez and 40 steals from B.J. Upton. The Drench have a solid core of players, and are looking forward to the new competition in the Atmospheric Conference next year! Thanks and good luck to all of the teams in the Oceanic and especially to the Steinmetz!

WALLA WALLA Wombats TML Champion

Manager: Bryan Sakolsky

Age: 42 **Occupation:** Financial Advisor/Personal Trainer

The Season Story

The Wombats produced the greatest season in TML history by winning 125 games en route to winning their 6th TML title and the 5th for Manager Sakolsky. The pitching staff featured four 20 game winners (AJ Burnett 25, Cliff Lee 23, Ryan Dempster 22, and Jeremy Guthrie 20) for the second time in team history and one 19 game winner (Cole Hamels). The big 5 very backed up by closer Jonathan Papelbon who was 42-42 in saves chances with a 0.82 ERA. The offense was paced by Nick Markakis 339/432/566 with 22 HRs, 135 R and 114 RBI and 104 BB. David Wright and Alex Rodriguez each had 30 HRs and over 125 RBI, and Milton Bradley chipped in 94 RBIs in only 450 at bats.

Stat Key

RC: runs created (RC = [A times B] divided by C), where,

A = H + W + HBP - CS - GDP

B = TB + .26 x (TBB - IBB + HBP) + .52 x (SH + SF + SB)

C = AB + TBB + HBP + SH + SF

RC / 27 outs: runs created per 27 outs; in other words, the number of runs a player would create if he were to bat in all nine positions in the batting order.

QS: quality starts; the number of starts in which a pitcher pitches six (6) innings or more and gives up three (3) runs or fewer.

OAVG: the batting percentage against each pitcher.

Batting & Pitching Leaders: the following symbols were used to denote individual accomplishments that were record-breakers:

◆ - TML Record

◇ - Tied TML Record

Team Stats: an asterisk (*) preceding any stat indicates that the player or pitcher led his Association in that stat category; a caret (^) indicates that the player or pitcher tied for the lead in his Association in that stat category.
