North Adams set an All Time TML Record for team triples with 123.

The longest winning streak of 15 games was done by Oakdale (6/3-6/19). The longest losing streak of 16 games was by Vanderlyle (6/3-6/20) who lost 28 of 29 from 5/19-6/20 (only win 6/2 vs. Beverly).

10/14/1929, OK29-SF29, Wrigley Field

Mike Landin's Oakdale Ravagers won their 12th franchise TML Championship and 11th overall for Manager Landin. Oakdale swept past Conference rival Albany before taking a tough World Series in which they had to come-from-behind in every game! Jeff Chapman's Sioux Falls Fighting Sioux rode their league-leading pitching staff, eliminating Conference champ North Adams in 5 games, before falling in the Series. Surprising Playoff MVP Mark Koenig hit .436 (17/39), with 7 Runs, 15 RBI, 4 doubles and 2 HRs! Babe Ruth socked 6 HRs and had 13 RBI. The turning point was when a "Rally Lizard" got loose on the field in Game 5.

ALBANY Avalanche

Manager: Pat Barry (Elizabeth)

Age: 68 **Occupation:** Poll Inspector, Retired & Baseball Junkie

The Season Story

The Avalanche rolled to 98 wins before bowing out in the conference finals to Oakdale in 4 straight. Watty Clark put up Cy Young like numbers win 25 wins. No one else won more than 13, the save leader had 4, but it did not matter with the team's offense. Lou Gehrig led the team with 190 runs created with 37 homers, 163 runs scored and 169 driven in. Averill closed out a hall of fame career with 184 runs created scoring 1609 runs, driving in 107 and deliver 90 extra base hits including 16 triples. Goslin had 142 runs created with 170 runs driven in 127 runs scored and 32 home runs. Frisch enjoyed his best season with 127 runs created with 120 runs and 104 runs scored. Cronin had 111 runs created in essentially his last season, Bishop scored 141 runs with 134 walks. But the bats did not do enough in the post season and that was that.

BEVERLY Hillbillies

Manager: Mike Dickinson (Andrea)

Age: 56 **Occupation:** Meteorologist/Senior Scientist

The Season Story

The Hillbillies suffered another year of "little sibling syndrome," once again looking up at Albany and Oakdale as they topped the division. Offense was not the problem, as the club finished fourth in the league with Al Simmons, Chuck Klein, and Mel Ott leading the way. The firstbase combination of Bud Clancy and Art Shires hit .350, providing outstanding production. In the end, however, the pitching staff was simply not good enough and proved susceptible to ill-timed collapses and blowups. Five pitchers had 10 to 13 wins, but no true ace emerged. Time is running out for this iteration of the Hillbillies.

BLOOMINGTON Burning Bunyans

Manager: Bob Weisman (Janet)

Age: 66 **Occupation:** Retired Meteorology Professor

The Season Story

Bloomington tried to lift spirits from the stock market crash by having fans trying to follow the trajectory of the baseball on its way to the outfield. The Burning Bunyans gave up 1081 runs, second worst in the league, but finished 'only' third worst in ERA by giving up over 150 unearned runs. The bad pitching could be attributed to two problems: the starters (only Tommy Thomas had a lower than league average ERA) and the relievers (blew nearly half of the saves, allowed nearly half of the inherited runners to score). Despite Sweetland's modest success, most BY wins were a series of alternating bullpen implosions by each team. So, the overall record was only one Pythagoras could love. Don Hurst had a remarkable power year (37 HR, .506 slugging), but under-the-radar Taylor Douthit led BY in runs created (126.5, 105 R, 100 RBI). The past looks pitiful as a once proud pitching staff (top half of the league in 1935) continues to bottom out.

BRONX Highlanders

Manager: Hank Pedicone (Eileen)

Age: 75 **Occupation:** Retired NYS Attorney

The Season Story

Not much to celebrate this season, as the Highlanders finished at the bottom of the Oceanic Division. The closest we had to a pitching leader was Pete Donohue with his 21 losses (one off from the leader). While the pitching overall was less than mediocre, the offense sunk to a new level: it was dead last in batting average and runs created....not a winning formula. Jimmy Dykes was the closest to a batting star with a .320 BA and 15 HRs. Sam Gray led the pitching staff with 13 wins, but paired that with 16 losses. We can only hope 1928 will bring a little more light to the Bronx.

CHESTERTOWN Blue Herons

Manager: Eric Rogers

Age: 68 **Occupation:** Retired Meteorologist

The Season Story

As expected the 1929 Blue Herons were awful thanks to bad pitching, putrid defense (last in the league in fielding with 224 errors) and below average hitting. Rising above the muck was team MVP Chick Hafey (.322 BA, 53 doubles, 13 triples, 40 HR), Jack Rothrock (.360 BA) and Buddy Myer (.323 BA). Firpo Marberry somehow managed a .652 winning percentage (15-8, 4.20 ERA) and Lefty Stewart (7-11, 4.17 ERA) led the team in ERA. The 1928 squad looks to be almost as bad so getting back to contention will be a long, slow process.

DULUTH Thundercats

Manager: Kevin Tyle (Bryan)

Age: 62 **Occupation:** Computer Administrator/Meteorologist

The Season Story

If you looked at runs scored vs. runs allowed, as well as team batting average and ERA, you might have expected a near .500 season by the Thundercats. A closer examination reveals that Duluth hit the least (50) and allowed the most (134) homers. That may likely have been the key to our 68-86 season. Kiki Cuyler was the offensive standout, batting .356 with a .422 OBP, along with a league-leading 33 steals, almost double that of the 2nd-place steals leader (Babe Herman). Cuyler also had an amazing 91% steal success rate! While America looks to roar back into the rest of the '20s, it remains to be seen if the Thundercats roar as well.

NORTH ADAMS Bevers

Manager: Mike Ameen

Age: 62 **Occupation:** Restaurateur & H.S. Softball Coach

The Season Story

North Adams had another outstanding year, finishing in 1st place (101-53) in the Atmospheric Division by 3 games over Sioux Falls. Sioux Falls had the last laugh though taking the Conference Championship in 5 games and avenging their 2nd place finish this season and the Bevers win over them in last year's Championship series. As for the regular season the Bevers were led by Ted Lyons (28-3, 4.01), Sock Seibold (15 wins), Dazzy Vance (14 wins) and George Uhle (13 wins). North Adams had a 4.70 team ERA. The offense was led by Babe Herman (.389 53/21/19) with 156 RBI's and 146 runs scored. Hack Wilson was off the charts as well (.362 45/22/42) with 200 RBI's! and 153 runs scored. As a team North Adams hit .330 with 149 home runs and 1099 RBI's. Also they had 597 extra base hits (325 2b's 123 3b's and 149 HR's) The Bevers scored the most runs in the league (1131) and had 6 players with over 100 RBI's and 5 with over 100 runs scored. Fun team and year to manage! We are hoping for another playoff team in 1928 but we are sure it will be much tougher to get there!

OAKDALE Ravagers

GM: Mike Landin (Teri)

Age: 73 **Occupation:** Retired/Senior Softball Player

TML Champion

The Season Story

It took several seasons for this group of individual stars to come together as a team! After posting a league leading 104 wins, the Ravagers went on to sweep rival Albany in the Conference Final and then took on pitching rich Sioux Falls in the World Series, where they had to come-from-behind in every game to win the TML Championship! An unlikely star emerged in Playoff MVP Mark Koenig, whose timely hitting supported the cast of heavy hitters in front of him in the lineup. League MVP Babe Ruth, who socked 60 HRs during the regular season, clubbed 6 more in the post season! A deep bench added to the team's success, led by Tripp Sigman's .567 AVG! It wasn't all hitting, as the three 20-game winners, Carl Hubbell, Lefty Grove and Burleigh Grimes played a pivotal role all season! The team will be in great shape to try and defend their title in 1928 as they settle into their extreme hitter's park.

The Season Story

Our level of neutral buoyancy appears to be 0.500, and we got close (75-79). Second-lowest team average (0.283) but above-average pitching (4.78) and fielding. Our offense was paced by 1B Dale Alexander (148 RC) in his last year. He'll be replaced by two players named Kelly. Travis Jackson hit 25 HRs, one of only two players with double digit dingers. Red Lucas (18-11, 3.72 ERA, 1.17 WHIP, 20 CG) led the hurlers. We anticipate more of the same in 1928.

Crazy end to a crazy season. After easing off the gas pedal the final month only to end three games behind Atmospheric Conference rival North Adams, the Sioux got their fight back and seized a 4-1 Conference Championship! On to challenge the mighty Oakdale that went 11-3 vs. SF during the regular season. It was a valiant battle - a great series in fact where Sioux Falls would lead EVERY game at one point - but ended up dropping the series 4 games to 2. The turning point came after the Sioux tied the series at 2 games while knotted up mid game 5 when a lizard became loose on the field. This "Rally Lizard" changed the tide and saw the Ravagers take the final two. Still, taking the one hit effort of Walberg at hitting friendly Sportsman's Park, was the highlight of the WS. What took us this far? Off-season pickups of MVP candidate Jimmie Foxx and Roy Johnson, and the gutty performances of 21-4 Larry Benton, solid #2 19-9 Rube Walberg, and League best 2.35 ERA from Jesse Petty. The youth movement on the team will mean a large turnover in the next couple of years.

VANDERLYLE Crybaby Geeks

1930 Former Team

Sonoma Crushers

The Season Story

The Geeks time warped back to 1929 and found themselves swimming in a sea of tears with the worst record in the league. Despite their poor record the stands were packed to watch Lefty O'Doul (.410, 41 HR, 163 R, 214.9 RC) bash hits all over Fenway Park. Pie Traynor (.351, 17 3B) and George Sisler (.344, 53 2B, 15 3B) also had fine seasons. The big problem was the pitching staff (6.30 ERA). Dick Coffman (4.99 ERA, 14 CG, 283 IP) was the "ace" of the staff. The second biggest problem was the defense. The Geeks committed 216 errors accounting for 202 unearned runs! As the clock continues to roll backward the Geeks hope some new old guys will lead to more wins.

WALLA WALLA Wombats

Manager: Bryan Sakolsky (Carol)

Age: 59 **Occupation:** Sales Director

The Season Story

The 1929 Walla Walla Wombats finished 53–101, avoiding the league's worst record but still ending well out of contention. The club's offense was the bright spot, scoring 863 runs behind a lineup loaded with productive hitters. Charlie Gehringer led the way with a .337 average, 223 hits, 137 runs scored, and 104 RBI, while Fonseca hit .338 with 220 hits, 126 RBI, and 116 runs. Paul Waner added another outstanding season, batting .323 with 213 hits, 146 runs, and 89 RBI. Joe Sewell drove in a team-high 114 runs, and Johnny Gooch chipped in with a .367 average in 90 games. In limited action, Kenny Williams hit .444/.503/.712. The Wombats' downfall was pitching. The staff posted a 6.25 ERA and surrendered 1,059 runs, erasing much of the offense's hard work. Jack Quinn was the lone reliable starter, going 9–8 with a 4.89 ERA, while Grover Cleveland Alexander managed a respectable 5.13 ERA despite a 5–12 record. Heavy workloads proved costly for Doug McWeeny, Luther Roy, and Augie Prudhomme, who combined for 54 losses. Although the lineup ranked among the league's better offenses, the inability to prevent runs left Walla Walla 48 games out of first, making pitching the clear priority heading into 1930.

Stat Key

RC (Runs Created) = [(A times B) plus C], all divided by D, where

A = H + BB + HBP - CS - GIDP

B = TB + [.26 x (BB - IBB + HBP)]

C = .52 x (SH + SF + SB)

D = AB + BB + HBP + SH + SF

RC / 27 outs: runs created per 27 outs; in other words, the number of runs a player would create if he were to bat in all nine positions in the batting order.

QS (Quality Starts): the number of starts in which a pitcher pitches six (6) innings or more and gives up three (3) runs or fewer.

OAVG: the batting percentage against each pitcher.

Batting & Pitching Leaders: the following symbols were used to denote individual accomplishments that were record-breakers:

♦ - TML Record

◇ - Tied TML Record

Team Stats: an asterisk (*) preceding any stat indicates that the player or pitcher led his Association in that stat category; a caret (^) indicates that the player or pitcher tied for the lead in his Association in that stat category.
